NEWS

Dear TCIS Community,

Last week was officially Spirit Week, but every day at TCIS there is so much school spirit and pride - let's continue that momentum! Here is a short list of all that we can be proud of:

- Involved **parent** community
- Committed and creative **teachers**
- **Trilingual** learning environment for **students**
- Strong **art, music** and **sports programs**
- Support **staff** across all departments and divisions

While there are always opportunities for improvement, let's take a few moments to be grateful and proud of all that we are.

Have a wonderful week.

Dr. Betsy

Head of Elementary School
