

Thai-Chinese International School

โรงเรียนนานาชาติ ไทย-จีน

泰國中華國際學校

Dear Parents,

I know you are concerned about your children's experience at our school. You want to know what is happening and when.

That's great! We want you to be involved and aware of what is going on with their education.

With that in mind, I'd like to ask you to "like" our school's page on Facebook.

www.facebook.com/tcisbkk

This is the first point of contact with the school - and it is updated every day with lots of great information, including:

- Upcoming events
- Notes from teachers
- Updates from the administration
- Information about current and future classes
- Awards for our students
- Accolades for our staff
- Other relevant school information

It constantly has new information - so by "liking" it on your Facebook, you can easily keep up with what's going on!

You can also comment on posts and share your views. We want to hear from you! As the administrative team stressed at our Parent Orientation, the administrative team's doors are always open for parents. However, we also believe that you will learn more about the amazing things our students and staff accomplish on a daily basis if you visit our Facebook page often.

So, please take a few minutes to "like" our Facebook page and stay informed. Education works best when parents are active and invested in their children's education, and our Facebook page highlights so many wonderful things your children accomplish.

It won't take up much of your time, but it will provide information that is critical for you children.

Thank you,

Dr. John McGrath
