Re: School improvements

First, as we complete this school year, we want to thank you for being part of our school family!

“You” make “**TCIS the Best International School in Thailand**”, when we compare academics and tuition!

While this school year has been very successful, with great achievements by students, we are always looking to get better.

Over the next few weeks you will receive several survey requests seeking your input.

On behalf of Mr. Suhat, Mr. WeiPien and our board, we really value your input.

Thank you, in advance for your cooperation!

Surveys coming:

1. Review to change the name
2. Evaluation of HOS and Board with the strategic plan
3. LS/MS/HS improvement plans

Again, thank you for all that you do to make TCIS a special place for “teaching and learning”!

Sincerely,

Dr Steve and Dr John
