Questions? Concerns? Contact Mr. Jay

james.carlin@tcis.ac.th

Payment Options:

After filling out the enrollment form, please visit the Cashier at TCIS to make a payment and reserve your student's place!

You may pay in Cash directly with the Cashier, by Credit Card with the Cashier (1.5% transaction fee), or by Bank Transfer:

**Bank Name: Bank of Ayudhaya
Account Number 326-1-10242-0
Account Name: Thai-Chinese International School**

After transferring funds, please fax your pay slip along with your student's Nickname and Pin# to Phone # 02-751-1210

Enrollment Policies

- Enrollment does not guarantee placement. Each class has specific class size requirements & limits. We hope to notify parents by the end of April about whether a class has met the requirements, so please register as soon as possible!
- If a class or camp does not meet the minimum number of students required, it will be cancelled. One a class is cancelled, only a group of parents with enough students and a willing teacher can re-instate a course.
- If a class or camp reaches its designed size limit, further enrollment will be closed except at the discretion of the teacher. Enrollment is based on first come, first served basis. Again, please register as soon as possible to reserve your student's place.
- Students will be enrolled in courses based on their current grade level for the 2016 - 2017 school year. For example, if your student is currently in Grade 5, they should register for the corresponding Grade 5 level courses.
- Students can sign up for 1 morning class, 1 afternoon class, or both and stay all day.
- INFORMATION ABOUT MS & HS CREDIT RECOVERY
At the end of Quarter 3, students who are in danger of failing a core subject for the regular school year will have their parents notified by the school that their student may be REQUIRED to enroll in a credit recovery program for the summer. Parent-Teacher Conferences (March 17th) will be an excellent time to discuss this with teachers.
If students and parents choose not to take credit recovery in the summer, they will be required to repeat that subject or grade in the next school year.
- There will be no refunds, except for the following situations:
 - 1)A Class or camp is cancelled due to lack of enrollment.
 - 2)A class or camp is cancelled due to a teacher no longer being able to teach a class or camp.
 - 3)A student's participation in the credit recovery program is no longer required due to improved grades during Quarter 4.

June 12 - June 30 2017

Morning Session:

8:00 am - 11 :00 am

Afternoon Session:
