[How Butterfly Gardens Work](#) Grade Level: 6-8 9-12

Butterfly gardens can attract butterflies and they also can help conserve this insect species. Find out the different ways in which the butterfly benefits humans. Get some background information on butterflies and find what threatens them. As you learn about butterfly garden design, you will also learn about the food sources that must be supplied for caterpillars and butterflies. Learn which maintenance chores need to be done a regular basis and see how to keep a butterfly garden in good shape.

Topic: Butterflies, Butterfly gardening Language: English

[How to Create a Butterfly Garden](#) Grade Level: 3-5 6-8

With just ten steps to follow, you can create your own butterfly garden. Take a look at the stages of the butterfly life cycle to understand how butterflies use different kinds of plants at different stages. Get help with choosing a good site for a butterfly garden and then learn your local butterflies. There are tips on designing a habitat and on choosing plants for feeding butterflies. See what kind of shelter to provide and how to create a space for egg laying. You will learn why a mud puddle is important and why you should steer clear of pesticides.

7. Encyclopedia Britannica:

The screenshot shows a web browser window with the URL <http://library.tcis.ac.th/common/servlet>. The page header includes the school logo and navigation buttons: **Home**, **Catalog**, and **My Info**. The **Home** button is circled in red. Below the header, the page title is "Thai-Chinese International School Library". A blue callout bubble with a hand icon and the text "Click here" points to the "Encyclopedia Britannica" link in the "Online Databases" section. Other links in this section include "e-learned Learning".

The screenshot shows the Britannica School website. The header features the Britannica logo and the text "Britannica School". Below the header, the text "Select learning for any level." is displayed. Three tree icons of increasing size represent the learning levels: Elementary (a small sapling), Middle (a medium tree), and High (a large, full tree). Below each tree is a corresponding button labeled "Elementary", "Middle", and "High". At the bottom right, there is a link: [Learn more about Britannica School](#).
