Vol 2: Week #24

This Week's Cover: Chinese New Year Celebrations at TCIS

Dear TCIS Family,

This week, our community at Thai-Chinese International School joyfully celebrated Chinese New Year together. It was a vibrant, meaningful, and truly memorable occasion for our students, families, and staff.

Chinese New Year holds deep significance in our school community. Rooted in tradition, family, gratitude, and hope for the future, it reminds us of the cultural heritage that is foundational to TCIS. As a school with strong Chinese and Taiwanese roots, this celebration is more than a festival—it is a reflection of who we are. It is a time to honor our history, strengthen our community bonds, and look ahead with optimism and unity.

This year we welcomed the Year of the Horse. The Horse symbolizes energy, strength, perseverance, and forward momentum. Those qualities resonate strongly with our school at this exciting time in our journey. Like the Horse, we are moving forward with purpose—growing, improving, and embracing new opportunities for our students. May this year bring our community continued determination, success, and joyful progress.

Our heartfelt thanks go to Mr. Tony and the entire Chinese Department for organizing such an outstanding celebration. The performances, cultural booths, decorations, and activities reflected incredible planning and dedication. The campus was filled with color, excitement, and pride in our shared traditions.

We would also like to sincerely thank our parent community for your generous donations of bouncy castles and other fun items that made the day even more special for our students. Your partnership and support help transform events like this into unforgettable experiences for our children.

It was a wonderful day that beautifully showcased the spirit of TCIS—culture, community, and celebration together. Thank you for being such an important part of our school family.

Wishing you and your loved ones a prosperous and joyful Year of the Horse.

Regards,

Dr. Michael

Dear TCIS Family,

### Chinese New Year

Our campus was filled with community spirit as we celebrated Chinese New Year at TCIS. The Year of the Horse to ushers in a new year in TCIS's continued substantial growth.

Thank you to **Mr. Tony** and the entire Chinese Team for their excellent leadership in organizing the event. We are especially grateful to our ECE and Elementary Chinese teachers—PK3 **Ms. Yin**, CMT **Ms. Yi-Ling**, PK4 **Ms. Winna**, CFT **Mr. Ju-Hung**, KG **Ms. Lynn**, and CFT **Mr. Morris**—for guiding our students to such confident and joyful performances and to all middle and high school teachers for their equally amazing contributions.

Great appreciation also to our secondary MCs for their professionalism, our GA and support staff for preparing Gym 5, booths, and bouncy castles, and - of course - our **wonderful parents** for their tremendous effort running the booths and activities that brought so much excitement to the day.

Finally, thank you to **Mr. Frank** and the **TCIS Board** for their continued support throughout the year and for joining us in the celebration. We hope your holiday was filled with happiness and good health. Thank you for your ongoing trust and partnership.

### Safer Recruitment Training

On Thursday, February 12th, 2026, I attended a day-long course dedicated to safer recruitment of staff. After attending the course, I am proud to say that TCIS is already doing a great job incorporating many of these practices in our recruitment procedures and look forward to adding additional ideas that were shared during the training.

### Promotion Ceremony Planning

After returning from Chinese New Year break, we will begin reaching out to our CPR representatives in KG, Grade 4 and Grade 8 (Dr. Richard) to start initial conversations and planning for this year's promotion ceremonies. Dr. Richard and I work together in planning the promotion ceremonies to ensure that it is memorable for both students and parents.

### Upcoming Events - Field Trips!

Field trips for grades 1 & 2, and grade 3 & 4 are coming soon! Stay tuned for more information!

### Hair Color Reminder

Sometimes during our long breaks, students enjoy a change of hair color as a fun and festive way to celebrate the holiday. Just a reminder that before returning to school, all hair color should be back to a natural color.

## Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

## Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear Parents,

These little besties Airin, Kate, Sweeney, Cherlyn, Tubao and Maya are full of giggles, games, and the sweetest teamwork! From playful chats and silly laughs to helping hands and caring hugs, their friendship is pure magic. Watching them adore each other and enjoy every tiny moment together is a beautiful reminder that the best friendships start with fun, kindness, and lots of laughter.

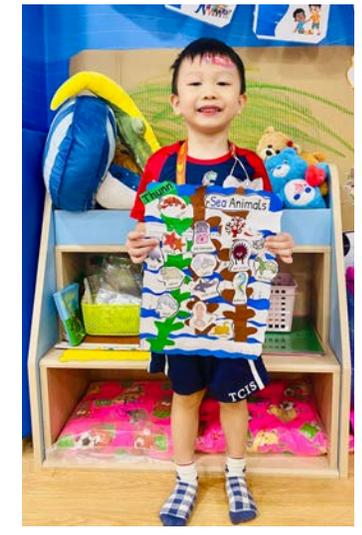

Dear Parents,

The PK3As truly loved learning about ocean animals through a variety of fun and engaging activities. They excitedly named and identified different ocean animals by singing songs, exploring colorful pictures, and listening to storybooks during read-aloud time. Through hands-on activities such as matching games, crafts, and sensory play, the children were actively involved and eager to participate. These experiences helped build their vocabulary, listening skills, and curiosity about ocean life, making learning joyful and meaningful.

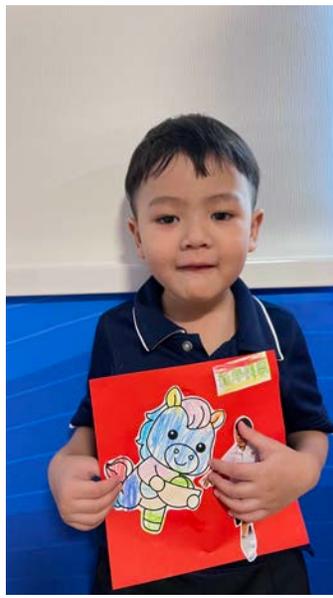

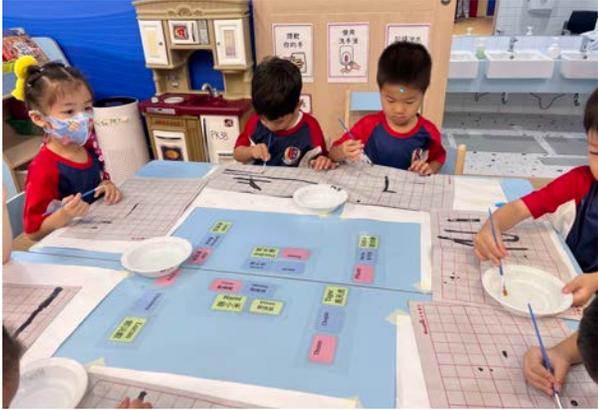

Dear Parents,

February is an exciting month. We are getting ready to celebrate Lunar New Year together. We learned stories about the Lunar New Year, made square spring couplets, made clay dumplings, practiced calligraphy, and prepared for our New Year performance. Thank you to all parents for your support. PK3 has achieved many wonderful things together.

Dear Parents,

As we started our new sub unit: Ocean Animals, the students imitated sea animals. They put their math skills to work by following instructions and build accordingly. Tracing letters to commit to memory, helps Early Childhood with their sensory development. We enjoyed reading Eric Carle's Rainbow Fish storybook and prepared a dragon for our Dragon dance performance. I am so proud of each and everyone of our 3C students.

Dear Parents,

This month in the PK4 class has been a wonderful and busy time filled with hands-on learning and exciting activities. We celebrated the 100th Day of School by counting in fun and meaningful ways, especially counting by tens using ten frames, tens sticks, and other manipulatives. The students also began learning to decode short vowel sounds and are finding it enjoyable to use actions to help them sound out words. In addition, we explored animals by sorting them into wild, sea, farm, and pet groups, and learned the names of many baby animals.

Our little learners have worked very hard this month and are showing great progress. Way to go, PK4s!

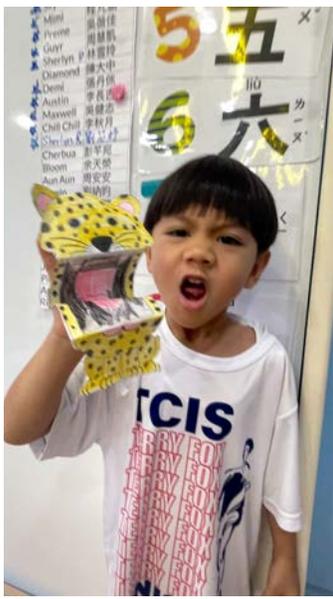

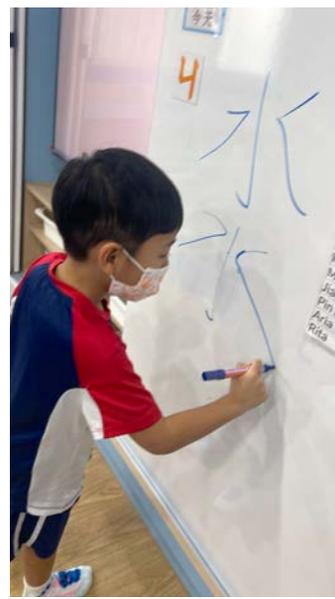

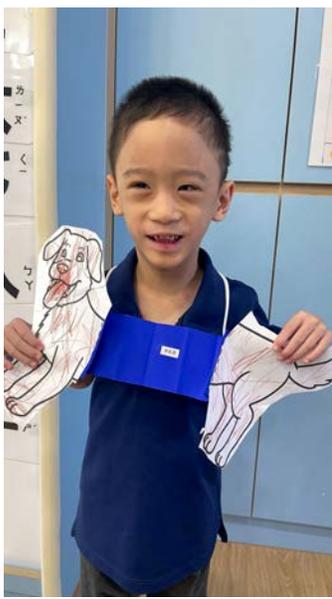

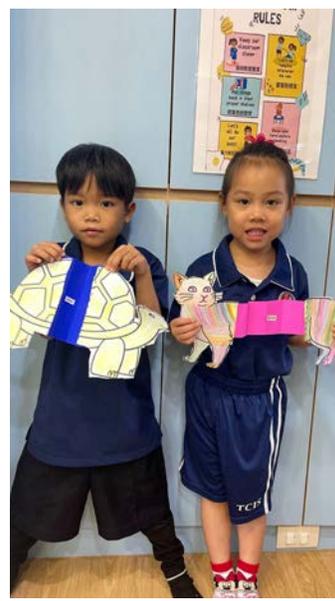

Dear Parents,  
We had a joyful time celebrating the 100th day of school! The children also learned about farm animals, wild animals, and sea animals, and happily created crafts related to each topic.

Recently, the children have been busy practicing for the Chinese New Year performance. They are also excited to perform three Chinese songs at the ECE assembly at the end of February. The children are putting in great effort, and we hope you can cheer them on and celebrate their progress together with us. Thank you for your continued support. Way to go, PK4!

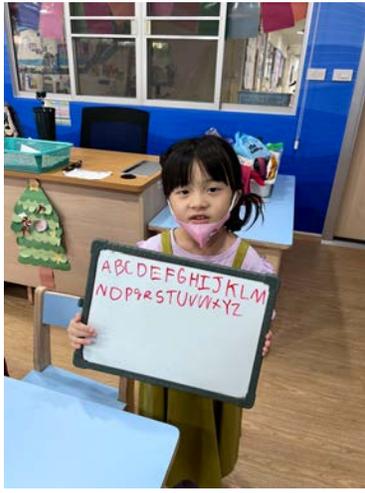

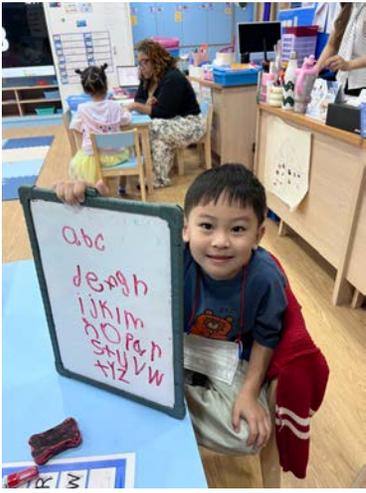

Dear Parents, This month has been full of wonderful learning and growth in our classroom! In Math, we have been practicing counting all the way to 100. The students have worked hard on building their confidence as they count by rote and are becoming more comfortable hearing and recognizing larger numbers. It has been so exciting to see their pride as they reach 100 together! In Literacy, we have been focusing on writing the lowercase letters of the alphabet. Students are learning proper letter formation and practicing how to carefully write each letter. We are encouraging neatness, correct pencil grip, and taking our time to form letters correctly. It has been wonderful to see their progress and growing independence with writing. We are so proud of all their hard work this month and look forward to continuing to build on these important foundational skills! 😊

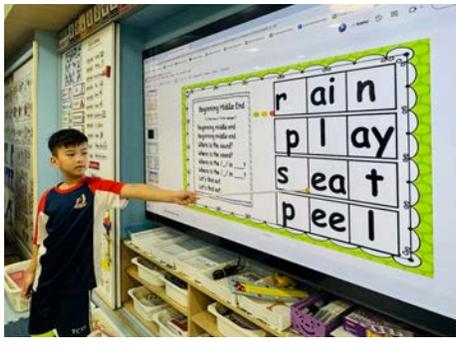

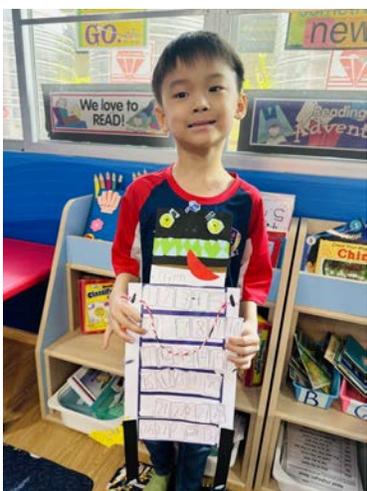

Dear Parents,  
Our young learners continue to shine! We are proud to share that their recent Developmental Reading Assessments show tremendous growth, with students becoming more confident and fluent as they strengthen decoding, comprehension, and sight word recognition skills. In writing, they are applying phonics knowledge by blending sounds to form words and using their snap word power to enhance narrative stories—stretching out words, writing complete sentences, and adding meaningful details. In Math, students are mastering addition and subtraction within 20 while confidently counting and representing numbers up to 30. In STEAM, they became weather watchers, and through hands-on exploration, they described the sun, wind, temperature, and precipitation like true scientists. Their curiosity, collaboration, and excitement for discovery continue to grow each day.

Dear Parents,

This month in our kindergarten Chinese class, students learned about the five senses and different parts of the body. They practiced saying the new vocabulary words and enjoyed fun activities to help them remember what they learned. The children have also been working very hard to prepare for the Chinese New Year performance. They practiced their songs, movements with great energy and excitement. We are very proud of their effort and teamwork. Students listened to traditional Chinese New Year stories and also made handicrafts related to Chinese New Year.

Dear Parents,

Our students are making wonderful progress across all subjects. Reading assessments show stronger confidence, smoother fluency, and improved decoding and comprehension. In writing, they are using phonics and sight words to build sentences and add details to their stories. In math, they are adding and subtracting within 20 and working with numbers up to 30. During STEAM, they explored weather through hands-on activities and observed sun, wind, temperature, and rain like young scientists. Their curiosity and enthusiasm for learning grow every day!

Dear Parents,

PK2 students are learning the Thai alphabet by pronouncing, reading, and speaking clearly. They also learn the meanings of each letter during Thai class. The students are enjoying their learning every day. KG students work hard in Thai class every day. They practice reading, writing, and making simple sentences. Through fun and engaging activities, students learn Thai with joy and confidence, becoming happy learners each day.

Dear Parents,

This month, PK3 students learned the Thai consonant ฉ and were introduced to a traditional Thai musical instrument called ra kang (ระขั้ง) and Ching (ฉิ่ง). They had hands-on experience with the real ching, playing it and practicing rhythm together.

PK4 students enjoyed a Thai consonant guessing game using headbands. The student wearing the headband could not see the letter, while classmates used gestures as clues. The student then guessed the correct Thai consonant in a fun and engaging way.

Dear Parents,

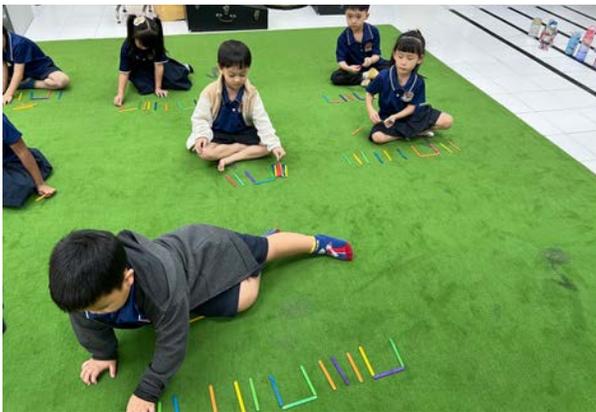

Another joyful few weeks have passed! In the PK2 Chinese class, we continued learning about the five senses. As the Chinese New Year approaches, we are currently doing Chinese New Year-related activities in class, and the PK2 students are really enjoying them! We painted lanterns using our fingerprints and made Spring Festival couplet puzzles. They all did a wonderful job and can now even say “Gong Xi Gong Xi,” which means “wishing you happiness and good fortune,” with confidence!

Dear Parents,

PK4 students are learning about rhythm using “ta” and “ti-ti.” They practiced these rhythms by singing a rhythm song and creating patterns with colorful sticks. Through this activity, students explored different rhythm patterns and enjoyed using hands-on materials to show what they learned. They were able to make their own rhythms and say them aloud while playing, which helped strengthen their listening skills and rhythm awareness.

## The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.  
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none"><li>● racial or ethnic origin</li><li>● political opinions</li><li>● religious or philosophical beliefs</li><li>● sexual behavior</li><li>● criminal records</li><li>● health data, disability</li><li>● trade union information</li><li>● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.</li></ul>

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

## Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
