Dear TCIS Family,

This was truly a fantastic week at TCIS as we celebrated the High School Graduation of the Class of 2026. It was a beautiful evening filled with pride, joy, and reflection as we honored a remarkable group of students who have accomplished so much during their time at our school.

The Class of 2026 has been exceptional in every way. Along with impressive university acceptances around the world, this class has earned nearly 80 million USD in scholarships – the most impressive scholarship numbers I have ever seen. More important than the numbers, however, is the character, resilience, kindness, and global mindset these students have developed during their journey at TCIS.

During my graduation speech, I spoke about the importance of travel and seeing the world. Some of the greatest learning experiences happen outside of the classroom. Traveling allows students to experience different cultures, perspectives, languages, and ways of life. It teaches independence, adaptability, empathy, and appreciation for others. Whether through Week Without Walls, family trips, service experiences, or studying abroad in the future, we hope our students continue to explore the world with open minds and open hearts. The world becomes much smaller and much more connected when we take the time to truly experience it.

We also held our final Board Meeting of the school year this week. The Board Members were extremely pleased to see the continued growth, progress, and positive momentum across the school. From facility improvements and program development to student achievement and community engagement, there is a great sense of excitement about the direction TCIS is heading. Their support and encouragement for the work happening across campus continues to be greatly appreciated.

As we approach the end of the school year, I want to thank our parents, students, faculty, staff, and community members for their continued partnership and support. Together, we are building something very special at TCIS.

Regards,

Dr. Michael

Dear TCIS Family,

Our First Ever Buddy Reading Day!

Our first ever Buddy Reading Day was a wonderful success! It was so special to see our elementary students spending time reading with the ECE students while dressed in their matching colors. The event created a warm and joyful atmosphere, with students building connections through reading and shared experiences. I enjoyed changing into white, red, blue, and black shirts and joining each class as a reading buddy!

This meaningful activity truly highlighted the caring and supportive spirit of the TCIS community. We are excited to continue growing this tradition and look forward to making Buddy Reading Day an even bigger and more regular part of our school community in the future!

Parent Coffee Morning - Grade 4 Parents

We will have a Parent Coffee Morning from **7:45am to 8:30am, on Tuesday, May 26th, 2026**. It will take place in the 360. The focus of the coffee morning will be to provide parents with information to prepare them and their children for the move to grade 5. [Grade 4 Parent Coffee Morning Welcome to Middle School Poster](#)

Promotion Ceremonies This Week

We are excited about our upcoming KG, Grade 4, and Grade 8 promotion ceremonies!

KG: Ceremony Start/End Time: 8:00 am - 9:00 am, Thursday, May 28th, 2026 in Gym 5.

MAP Testing Completed

MAP Tests are completed. Thank you to everyone for their time and effort in running the MAP tests, including **Mr. Shaun** for setting up testing sessions and the homeroom teachers for administering the test.

Talent Show - Rehearsal

Thank you to everyone who signed up for our Elementary Talent Show! Mr. David will be reaching out to parents with information about rehearsals.

A gentle reminder that all performances and attire must be appropriate for ECE & elementary-aged students and must follow our TCIS guidelines. Students wearing inappropriate attire will be asked to change before performing.

Kind regards,

Dr. James james.cooke@tcis.ac.th

Dr. James Posters: KG Promotion Ceremony

We are excited to invite KG parents to the KG Promotion Ceremony at 8:00am, on Thursday, May 28, 2026, in Gym 5.

We have arranged a beautiful backdrop and photo booth at the ECE playground, and snacks for students. KG families are welcome to use this space for photos between 7:30am - 8:00am, and again from 9:00 - 10:00am.

Parents may park in the school parking building (floors 3 and 4) or the basketball court area. Parking at the basketball court will be available starting at 7:30 AM.

We look forward to celebrating this meaningful milestone with you!

**THURSDAY,
JUNE 4TH,
2026**

Dear High School Parents,

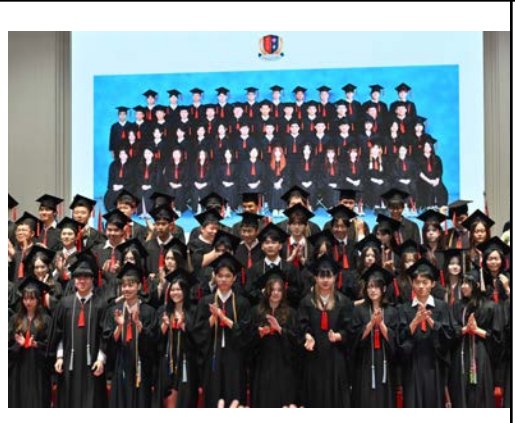

We had an amazing graduation for our Class of 2026. It was a magnificent celebration with farewell messages, awards, performances and of course the presentation of diplomas. For me, these graduations are an emotional time. I am so proud of our graduates for what they have been able to accomplish during their time at TCIS and I am excited to hear about their future adventures with university and careers but I am also a bit sad, as I will miss them.

I would like to recognize all the hard work that went into the graduation from Mr. Shaun, Dr. Li Chou, Ms. Lee, Ms. Jane and Kru Buab and Ms. Catt. I would also like to thank all the students and TCIS staff that were assisting behind the scenes. In addition, a special shout out to Ms. Bee for her suggestions and support.

Thank you parents for your support,

Kevin Curran
Head of High School

Wolves!

As the school year comes to an end, we want to thank all of our students, parents, coaches, and teachers for making this such a successful year for TCIS Athletics. It has been incredible to watch our Wolves compete, improve, and grow throughout the year.

This year was especially exciting for our younger divisions. We had the opportunity to see Grade 1 students compete in both soccer and basketball tournaments, which was a huge milestone for our athletics program. Watching our youngest Wolves learn teamwork, sportsmanship, and confidence on the court and field was something truly special.

Our Monday Academy Sports program was another major success this year. Student participation and enthusiasm were outstanding, and we are excited to continue the program next school year. More information about next year's sports offerings, schedules, and tournament dates will be shared soon, so please keep an eye out for those announcements.

Over the summer, we also encourage students to continue developing their athletic skills by attending sports academies, camps, and training programs whenever possible. Consistent practice and training can help students improve their confidence, fundamentals, and overall understanding of the game. If families would like recommendations for summer sports academies or programs, please feel free to email Mr. Sean for suggestions.

As we look ahead to summer and next school year, we also want to highlight the importance of nutrition for student-athletes. Proper nutrition plays a huge role in helping children succeed both in sports and in the classroom. Students need balanced meals that provide energy, focus, and strength throughout the day.

While foods like rice and fried chicken can be part of a meal, eating only those foods regularly does not provide all the nutrients growing athletes need. Similarly, starting the day with foods like ice cream or sugary snacks will not give students the lasting energy their bodies and brains require. Friendly reminders at home to eat balanced meals with fruits, vegetables, protein, and healthy snacks can make a huge difference for our athletes.

Healthy snacks during games and tournaments are also very important. Fruits, sandwiches, granola bars, and other nutritious options help students maintain their energy levels and stay focused while competing. Most importantly, students should drink plenty of water throughout the day, especially during sports activities and the hot weather in Thailand.

When students fuel their bodies properly, it becomes a win-win situation. They perform better in sports, stay more energized during the school day, and are better prepared to succeed in their classes.

Thank you again for all of your support this year. We are proud of all of our Wolves and cannot wait for another exciting year of TCIS Athletics ahead.

GO WOLVES - Mr. Sean

KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means everyone under the age of 18.

Children need the right help at the right time to address risks

Remember 'it could happen here' where safeguarding is concerned.

We are all responsible for the welfare of children and keeping the environment safe, whatever our job.

TCIS School-Wide Learner Outcomes: Part of Everything We Do

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Optimistic Risk-Takers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear Parents,
Each child has shown meaningful development, not only in early academic foundations but also in social skills, communication, and classroom behavior. Kate, Airin, Maya, Cherlyn, Sweeney and Tubao curiosity and enthusiasm for learning have been consistently evident, and they have responded well to guidance, routines, and encouragement throughout the year. Overall, they have grown into capable, happy, and confident young learners. It has been a privilege to be part of their early learning journey, and they should feel proud of all they have achieved this year.

Dear Parents,
Although May is not yet over, our month has already been filled with exciting events and meaningful learning experiences. During our Transportation Day - Ways We Travel event, parents joined us for fun, hands-on learning activities about land, air, and water transportation. It was wonderful to see the children excited to share what they had learned in class. We also enjoyed our music concert, where the children proudly performed for their families with confidence and joy. Thank you to all our parents for your continued support and participation in making these events meaningful and memorable for our children.

Dear Parents,
May is here, and soon our students will move up to PK4. We are very proud of how much they have grown this year. They have adapted well to school life, made good friends, and learned to work independently and together with others. In May, we celebrated Mother's Day and happily said, "I love you!" to our moms. The students also worked hard with Ms. Rebekah for the music concert performance. We are very proud of their effort and confidence. Thank you for your support this year. We are excited to see the students continue to grow in PK4!

Dear Parents,

This month, our students have been busy learning through lots of fun, hands-on activities that encourage problem-solving, teamwork, and social growth. Our weekly *Show and Tell* sessions have provided opportunities for students to build confidence while presenting in front of others. These experiences are helping them become confident, curious, and collaborative learners as they continue developing important skills for the future.

Dear Parents,

We had a busy and wonderful month filled with learning and exploring. The children especially loved learning about planting and were so excited to invite their parents to school to work alongside them. Thank you so much to all of our parents for attending and helping make this meaningful event so special for our little ones. Your support and involvement truly mean so much to us.

The students also enjoyed learning about measuring weight and using scales. They were very proud of themselves as they learned how to balance the scales and measure different objects independently.

I am truly grateful for all of your support and partnership throughout this year. Thank you for being such an important part of your child's learning journey.

Dear Parents,
Thank you for joining our Parent Day event. We were so happy to sing the song “Protect the Earth” together, and the children were excited to teach their parents how to sing in Chinese. We also truly appreciate all the parents for actively participating in the singing and dancing activities. Your involvement helped the children feel more engaged, confident, and happy during the event.

We also enjoyed our Spring Concert this month. The PK4 children all did a wonderful job and showed growing confidence during their performances. We are very proud of their progress and look forward to seeing them continue to shine in kindergarten next year. Thank you for your continued support.

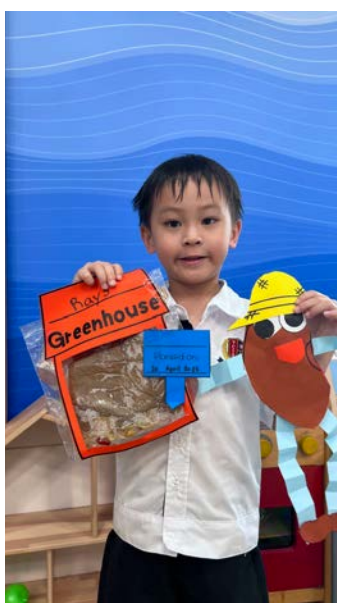

Dear Parents,

This past month has been busy and filled with so much learning and fun in our classroom! Students have enjoyed learning all about plants and exploring how living things grow and change. During our special parent program, students learned how to care for plants and ways we can help care for the Earth. They loved participating in hands-on activities, planting, and sharing their learning with their families. Thank you to all the parents who joined us and supported this special experience.

Students have also continued building their literacy skills by reading short books and practicing their sight words and beginning reading strategies. It has been wonderful to see their confidence grow as they become more independent readers each week. We are very proud of the progress students have made this school year.

Dear Parents,
Our KGA class proudly took the stage alongside the other ECE classes during the ECE Spring Concert, confidently singing, playing instruments, and performing with excitement and joy. Many of our kindergarteners also shined as Masters of Ceremony, speaking clearly and helping guide the program with confidence. It was a wonderful celebration of teamwork, courage, and hard work as students showcased their talents in front of families and friends. Alongside their concert preparations and performances, students continued engaging in meaningful learning experiences through guest reading sessions, hands-on activities, and collaborative classroom learning. Our young learners also did an amazing job during their snap word and sight word assessments, showing great progress, confidence, and growth as readers. We are so proud of our kindergarteners for their enthusiasm, perseverance, and wonderful achievements both on stage and in the classroom!

Dear Parents,
This month in Chinese class, the Kindergarten students are learning about transportation and public places. We are also doing a full review of Zhuyin and Pinyin to help students remember what they have learned this year. There have also been many exciting school activities this month. We enjoyed the Spring Concert very much. A special thank you to Ms. Rebekah for all her hard work and preparation. The stage performance was wonderful, and the students did a great job. We are also looking forward to the upcoming Promotion Ceremony. This is a special time for our students as they prepare to move on to the next stage of their learning journey.

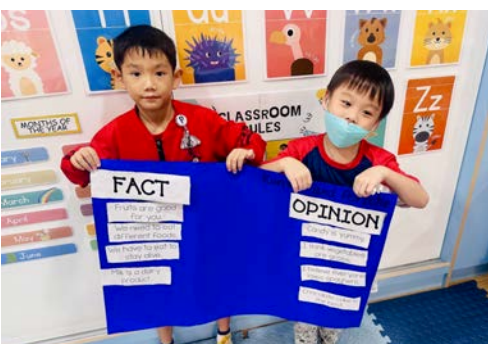

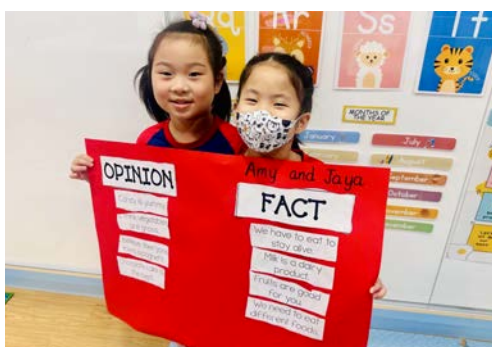

Dear Parents,
Our KGC students did a wonderful job during the ECE Spring Concert, performing with confidence, excitement, and joy alongside the other ECE classes. They proudly sang, played instruments, and showcased their talents on stage, while several students also confidently served as Masters of Ceremony. Along with concert preparations, students continued participating in engaging classroom activities and hands-on learning experiences. They also showed great progress during their snap word and sight word assessments, demonstrating growing confidence as readers. We are very proud of our kindergarteners for their hard work, teamwork, and enthusiasm!

Thai Department

Thai Teacher: Kru Pat

Dear Parents,

PK2 are learning about the Thai alphabet to pronounce the letters clearly and understand the meaning of each letter by doing crafts for better understanding and preparation for Thai PK3 next year. They had great fun in Thai class. KG are working really hard in Thai by practicing reading, spelling, and writing Thai words with vowels. They always try their best in Thai class, and I really appreciate their progress and development so much.

Dear Parents,

PK3 and PK4 students learned about the Thai alphabet “๕ ๕๗” through activities related to the Thai national flag, its colors and meanings, the shape of Thailand, and practicing respect during the national anthem. PK3 students created Thai flags using paper rolling and crumpling techniques and proudly displayed their work on the classroom board, while PK4 students made elephants holding the Thai flag to connect with important Thai symbols. These activities helped develop fine motor skills, creativity, listening skills, and the ability to follow instructions, while also encouraging appreciation and pride in Thai culture and identity.

Dear Parents,

Our PK2 students are ready for PK3! Their growth and development since the beginning of the school year have been truly amazing. They have also shown a strong interest in learning Chinese, which is wonderful to see!

The students are now able to repeat the Chinese words their teacher says, and their pronunciation has become very clear and accurate. We are so proud of how much they have improved!

Dear Parents,

Last week, our ECE & ES students did a fantastic job at their Spring Concert! They performed with confidence, joy, and enthusiasm, and we were so proud of their hard work and growth. Thank you to all the families for supporting our young performers and making the event so special. The concert was filled with smiles, music, and wonderful memories. You can check out more photos through the link below. Thanks to Ms. Da and Ms. Mind for beautiful photos.

Personal Data Protection Act (PDPA)

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">● racial or ethnic origin● political opinions● religious or philosophical beliefs● sexual behavior● criminal records● health data, disability● trade union information● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

<https://www.tcis.ac.th/pdpa>

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
