Dear TCIS Family,

The Thai-Chinese International School (TCIS) community is celebrating an extraordinary milestone as Rasit (Jett) Nasongkhla has been named a recipient of the prestigious Lester B. Pearson International Scholarship at the University of Toronto. Approximately 37-38 students worldwide are selected each year for the Lester B. Pearson International Scholarship, making it one of the most competitive and difficult undergraduate scholarships to receive anywhere in the world. This recognition places him among a very small group of students worldwide who are selected each year not only for their academic excellence, but for their leadership, character, and commitment to making a meaningful impact on the world around them. Congratulations Jett!

After a highly productive meeting with our Class Parent Representatives (CPR), we are pleased to share that the Middle School and High School dates and itineraries for this fall's Week Without Walls have now been finalized. This signature program is one of the most meaningful experiences we offer our students. Week Without Walls takes learning beyond the classroom, allowing students to engage in real-world experiences that foster independence, resilience, collaboration, and cultural understanding. Whether through outdoor challenges, service opportunities, or cultural exploration, students grow in ways that simply cannot be replicated within four walls.

To ensure all families are well-informed, we will be hosting a Parent Coffee this week where the principal will walk through the details of the program, share the purpose behind the experiences, and answer any questions you may have. We strongly encourage all parents to attend and be part of the conversation on May 5, 2026 at 7:45 AM.

In addition, we will be holding a special Parent Coffee for Grade 4 parents as their children prepare to transition into Grade 5 and Middle School on May 26, 2026. This is an important milestone, and this session will help families better understand the academic expectations, social-emotional changes, and increased independence that come with entering Middle School. It is also a valuable opportunity to build confidence and ensure a smooth and successful transition for both students and parents.

Finally, please mark your calendars for our Fall Registration dates:

Wednesday, July 22, 2026 (08:00–11:30 hrs. & 12:30–15:00 hrs.)

Thursday, July 23, 2026 (08:00–11:30 hrs. & 12:30–15:00 hrs.)

Friday, July 24, 2026 (08:00–11:30 hrs. & 12:30–15:00 hrs.)

We look forward to seeing you at these important events and continuing our strong partnership with our parent community.

Regards,

Dr. Michael

Dear TCIS Family,

### NEHS and NJHS Elder Home Visit

On Saturday, April 25, 2026, members of the National Elementary Honor Society (NEHS) and the National Junior Honor Society (NJHS) visited the Elder Home Chai Wattana Nivas Foundation Samutprakarn (มูลนิธิชัยวัฒนานิवास สถานสงเคราะห์คนชรา สมุทรปราการ).

During the visit, students presented donations, participated in music and dance Performances - including Khon” by Book, Violin by Gawin and Jasmine, and Ranad by Dan and Don - and assisted with serving lunch to the residents. This experience helps our students grow as compassionate, service-minded individuals while developing empathy, respect for others, and an appreciation for the importance of giving back to the community. It also reflects the heart of the TCIS community.

Thank you to **Ms. Shanesz** for leading the students, and to **Mr. Kevin, Dr. Richard, and Dr. James** for their attendance and support.

Dear TCIS Family,

### Summer School Registration Time!

Summer is just around the corner, and we have opened our TCIS Summer School program for sign-ups. Check out TCIS Summer Learning Program and get a spot for your child!

**\*\*Summer School Early Bird Discount by May 15th!\*\***

Click to view the learning program: [TCIS Summer School Program Link](#)

Click to Register: [Summer School Registration Form](#) More Information: 02-751-1201 or [summerschool@tcis.ac.th](mailto:summerschool@tcis.ac.th)

### MAP Testing Update Schedule

We have updated our MAP testing schedule that will take place between **Monday, May 11th to Friday, May 22nd, 2026**. The updated schedule results in all students being tested before lunch time. MAP tests are an important assessment that helps us to measure students progress and better support student needs. Here is the confirmed testing schedule.

[Elementary MAP Spring 2025/2026](#)

### Talent Show - Sign Ups!

It is time to show the world your talents on **Thursday, June 4th, 2026** - the last day of school!

Students - or students with their parents! - can sign up today for auditions. Parents are welcome to perform with their child - **or on their own**. Scan the QR code on the bottom right corner of the poster to get started! [Elementary Talent Show Poster](#)

### Spring Concerts - Coming Soon!

Mark your calendars for our upcoming and very popular TCIS Spring Concert Events!

**ECE Spring Concert:** 7:45am, Tuesday, May 12th, 2026 Location: 360 [ECE Spring Concert Poster](#)

**Elementary Concert:** 7:45am, Thursday, May 14th, 2026 Location: Gym 5 [Elementary Spring Concert Poster](#)

### Parent Coffee Morning Grade 4 Parents

We will have a Parent Coffee Morning from **7:45am to 8:30am, on Tuesday, May 26th, 2026**. It will take place in the 360. The focus of the coffee morning will be to provide parents with information to prepare them and their children for the move to grade 5, including Courses, PowerSchool, Transition Week, Wolf Day, Technology, Week Without Walls, and a Question & Answer session. We welcome all grade 4 parents to join.

[Grade 4 Parent Coffee Morning Welcome to Middle School Poster](#)

### Promotion Ceremonies

We are excited about our upcoming KG, Grade 4, and Grade 8 promotion ceremonies! They mark an important step in our students' journeys. Promotion ceremonies will take place on **Tuesday, May 28th, 2026** in Gym 5.

## About TCIS Summer Institute

- If we do not enroll enough students in the class, it may be canceled.
- Parents will be notified via email by the Registrar May 25th if there are changes to the class.
- Students will be enrolled in the 2026-27 grade level unless otherwise designated by the teacher or parent.
- Some classes may require a material fee.
- Summer school classes are not graded, tests are not given.
- There will be no refunds, except under these circumstances:
  - Class is canceled due to low enrollment
  - Class is canceled due to the teacher no longer being able to teach the class

NOTE: Every day is a non-uniform day for students

## DATE & TIME

June 8 - June 26

**Enroll & Pay by May 15th**  
to receive our "Early Bird Discount"

- Morning Session: 8:00-11:00
- Lunch: 11:00-12:00  
*(the canteen will only be open for lunch during summer)*
- Afternoon Session: 12:00-15:00

[Elementary MAP Spring 2025/2026 Updated](#)

Dear Elementary Parents,

All elementary school students in grades 1, 2, 3, and 4 will participate in the NWEA MAP (Measures of Academic Progress) testing during our testing window from **Monday, May 11th to Friday, May 22nd, 2026**. This important assessment tool helps us understand and support your child's academic growth throughout the school year. It is conducted at the beginning and end of each school year for grades 1-8. Please review the **Elementary Spring MAP Testing Schedule for Fall 2025/2026** on the next page.

**Purpose and Benefits of MAP Testing**

The MAP test is designed to measure your child's current academic performance in a way that adapts to their learning level. Unlike traditional tests, MAP provides a personalized assessment experience by adjusting the difficulty of questions based on student responses. This allows us to gather precise data on your child's strengths and areas for growth, helping teachers tailor instruction to meet their individual needs. The results also offer valuable insights for planning future instruction and ensuring that all students are making progress. The results will be shared with parents.

**What to Expect**

- **Homerooms:** Before the test days start, homeroom teachers will [help students prepare](#) for their MAP test and take a practice test so they understand how to use the application.
- **No Need to Study:** MAP is not a test requiring special preparation. It is designed to reflect what your child has learned and areas they need to improve.
- **How to Prepare:** A good night's sleep and a healthy breakfast will also help them perform their best.
- **During the Test:** We will provide paper and pencils for notes. Students must bring a paper book of their choice to read after they complete the test and wait for others to finish.
- **Optional Items:** Your child may bring a water bottle and a light jacket.

We appreciate your support in ensuring your child is well-prepared for the testing days. The MAP test results will provide us with invaluable information to better support your child's learning journey. If you have any questions, please do not hesitate to contact us.

Kind regards,

Dr. James Cooke  
Head of ECE & Elementary

Student Special Achievement: Congratulations to Eire in grade 2 for receiving her certificate and silver medal on Sunday, April 26th, 2026 for placing within the silver medal group in the national Genius Star UXACT contest in English.

Dear High School Parents,

We will be having a coffee morning to discuss our upcoming Week Without Walls for both middle and high school students. We would appreciate having you join us on May 5th beginning at 7:45 am for Middle School and 8:30 am for the High School. See the invitation below.

**MAY 05, 2026**

**COFFEE MORNING**

*Week Without Walls*

Thailand Vietnam Borneo Japan Korea

**PREPARING FOR ADVENTURE!**

Join us at **7:45 am on Tuesday, May 05, in the 360 auditorium** as we present our trip details and provide information to help prepare for our travel. We will host two sessions in the 360. You are welcome to attend one or both sessions. The Coffee Morning will be recorded, and a video will be sent to all parents. We look forward to seeing you there! Doors open at 7:30 am.

**MIDDLE SCHOOL: 7:45-8:30 AM**

**HIGH SCHOOL: 8:30-9:30 AM**

**Please be reminded to get your child to school by 7:15 am as many of them have exams. Also the Seniors will have their last day of classes on May 8th. After May 8th they are required to come only for the graduation rehearsals and any AP exams they may have. See this link [Graduation Rehearsal Schedule](#)**

Have a great week!

Kevin Curran  
Head of High School

WOLVES!

I am excited to share some fantastic updates from TCIS Athletics! Our G3U Boys Basketball team kicked off their season last week with an impressive win against Berkeley International School. It was wonderful to see how well the boys played together and the incredible energy they brought to the court. Way to go, Wolves!

Looking ahead, the G3U Girls Basketball team will play their second game of the season on Friday, May 8th, here at TCIS. The girls are ready and eager to compete! If you're available, we would love to see you there! Let's pack the gym and cheer on our Lady Wolves!

As we approach the summer months, we encourage all students to stay active and continue developing their athletic skills. Children need to engage in at least 60 minutes of physical activity each day, ideally in a sport they enjoy. Summer is a great time to explore new activities, attend sports academies, play with friends, and even watch games to deepen their understanding and passion. Consistent practice makes a big difference!

I am also pleased to share that Mr. Sean will host Summer School Basketball for students of all ages. This is a great opportunity for skill development and continued growth. If you have any questions, please feel free to reach out to Mr. Sean directly.

Thank you for your continued support of TCIS Athletics.

GO WOLVES!  
Mr. Sean

Who can I talk to if I need help?  
<https://www.tcis.ac.th/child-safeguarding>

## KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means everyone under the age of 18.

Children need the right help at the right time to address risks

Remember 'it could happen here' where safeguarding is concerned.

We are all responsible for the welfare of children and keeping the environment safe, whatever our job.

# TCIS School-Wide Learner Outcomes: Part of Everything We Do

## Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

## Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

## Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

## Optimistic Risk-Takers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

## Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

## Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

## Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

## Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear TCIS Family,

This week in counseling, our Grade 4 students read the book *I Just Don't Like the Sound of No!* by Julia Cook. The story follows RJ, a character who struggles with accepting “no” and often reacts with frustration when things don’t go his way.

Through this engaging and relatable story, students explored the importance of managing their reactions, understanding limits, and developing self-control. We discussed how hearing “no” is a normal part of life and how our responses can affect our relationships with others.

We look forward to continuing to build strong social-emotional skills together.

Warm Regards,

Ms. Bree, Ms. Younah, and Ms. Eve

Dear Parents,

We've had an eventful few weeks in 1A! From attending Matilda Jr. the Musical to flexing our math muscles to diving into our first PE swimming lesson to writing our first realistic fiction story, our first graders have been busy proving to themselves that they are more than ready and capable for Grade 2 next year! The kids are on fire!

Dear Parents,

It's been a very full and exciting few weeks in 1B. Students have enjoyed watching *Matilda Jr. the Musical*, strengthening their math skills, jumping into their first PE swimming lessons, and writing their first realistic fiction stories.

It's been amazing to see how much they've grown—they are really showing that they are ready for Grade 2! We are so proud of their hard work and confidence!

Dear Parents,

This past month of April has been jam packed with exciting events and activities for 2A! In STEM class we did an experiment to “Beat the Heat!” We tested different items as gloves to see which ones protect our hands from heated water bottles the most! Check out some photos below of all the fun!

Class: 2B Teacher: Mr. G  
TA: Ms. Eye

Dear Parents,

2B has been as lively as ever, with plenty of learning mixed in with a good dose of laughter. Our Songkran celebration was a highlight, let's just say the students took full advantage of the opportunity to soak Mr. G! In math, we've been exploring U.S. coins and building our money skills, while STEM has us investigating different materials and their properties.....including a very important discussion on why clothing is, in fact, made from materials for a reason. Over in Language Arts, we've been having fun with adjectives and adverbs, adding extra detail (and personality) to our writing. It's been another fun-filled stretch in 2B, where learning and laughter go hand in hand.

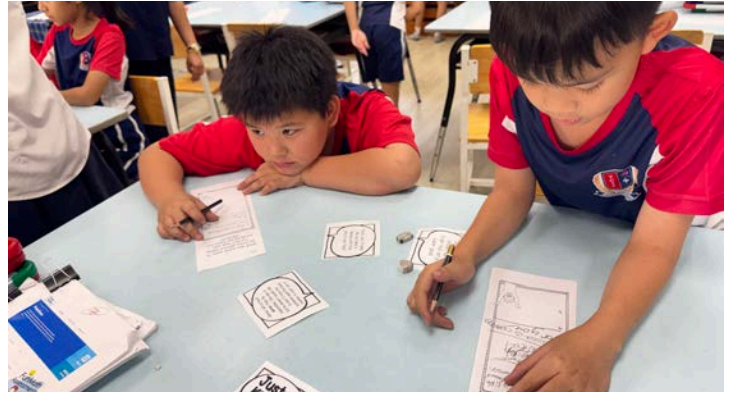

Dear Parents,

It has been a fantastic month of learning! We've enjoyed drafting imaginative fairy tale adaptations with figurative language, mastering fractions (Unit 6), and strengthening our reading comprehension with textual evidence and full sentences. SEL with counselors and grade 12 was a wonderful highlight!

As we move into May, we are excited to showcase our progress during the upcoming MAP, DRA, and summative assessments. We look forward to finishing our work with fractions and diving into our final Fishtank unit on measurement!

Dear Parents,

This month, our class had such a joyful and memorable time celebrating Songkran before the break! Students came to school dressed in festive outfits, bringing so much color and excitement to our classroom. Together, we decorated our space to match the celebration and learned about the traditions behind this special holiday. We enjoyed watching performances, participated in giving offerings, and took time to reflect on the meaning of Songkran. Of course, the highlight of the day was splashing each other with water. There was lots of laughter, smiles, and fun all around!

Dear Parents,

4B students had a great time celebrating Songkran, and came back refreshed and ready to finish out the school year strong! In math, we have started our unit on shapes and angles, while in science, we have begun to learn about electricity. We are almost finished with our class novel, Wonder, and we have started to write literary essays focusing on the traits of some of the main characters. We are looking forward to taking the MAP Test later this month and preparing for graduation!

Dear Parents,

Happy Songkran! G.2MT designed and created our own fans to help beat the heat during April, the hottest month in Thailand. We learned Songkran vocabulary and Thai Songkran traditions. Let's stay cool this summer with our creative handmade fans!

Dear Parents,

**Happy Songkran and welcome back to school!**

This past week, our Thai class was filled with many fun and meaningful activities. Students celebrated Songkran through singing, dancing, and creating Songkran-themed crafts.

At the same time, students continued working hard on their Thai language skills. They reviewed vocabulary, practiced reading and writing, and joined interactive games to strengthen their learning in an enjoyable way.

It was a joyful and productive week as we returned to school and continued learning Thai together!

Dear Parents,

Happy Thai New Year (Songkran)!

Grade 1 Thai FT and Grade 3 Thai MT students learned that Songkran is an important festival celebrated during the hot season. Water splashing is a tradition used to help cool down from the heat. This year, they decorated hand fans, which they can use to stay cool and protect themselves from the sun.

Please remember to drink plenty of water and avoid spending too much time in the sun.

Dear Parents,  
Happy Songkran Festival! 🌸💧

G.2 FT students learned about the Songkran Festival, including its history and significance. They participated in discussions, answered questions, shared ideas, and gave examples of important Songkran activities. They also enjoyed singing and traditional dancing. G.4 MT students took their learning further by exploring the story of Nang Songkran and suggesting ways to use water wisely while preserving Thai traditions. In addition, all students created decorative fans for Songkran, which enhanced their creativity and made the learning experience enjoyable and engaging.

Dear Parents,

G1 CFB students are learning family vocabulary (e.g., grandpa and grandma) along with positional words such as “middle,” “left,” and “right.” G 2 CFB students are learning to describe where they live and are being introduced to different countries and cities. G 4 CFB students are exploring writing systems from around the world and learning about the history of Chinese characters. These lessons help students build a strong foundation in language while developing their cultural awareness.

Dear Parents,

The Grade 1 CMT class is progressing steadily, and students are showing a very positive attitude toward learning. Through the text of lesson 2 (春雨是什麼顏色的), students not only explore the rich colors of nature but also learn how to describe natural scenes more precisely. In addition, consistent daily writing practice is helping them develop strong handwriting habits and build a solid foundation for future Chinese learning.

## Chinese Teacher: Mr. Morris

Dear Parents,

G1 CFT students have explored the concept of the family tree and mastered the Chinese titles for various family members. They also created personalized family trees using their own handprints.

G3 CFT students have learned to introduce elements of traditional Chinese culture and can now express using complex sentences.

G4 students have studied the evolution of Chinese characters and are able to name different countries and languages from around the world in Chinese.

Dear Parents,

The 4CFT students in the extracurricular class are currently learning a unit called "The World's Languages." In this unit, we not only learn Chinese, but each student also has to choose a major world language to teach everyone a sentence. The students chose Arabic, Japanese, French, German, Korean, etc., and they found it very challenging and interesting.

Dear Parents,

Ms. Yi-Ling's Chinese program has entered the "Comprehensive Performance Month," where students integrate language skills with SLOs through creative projects. 2CFT students combined world geography with travel essays; 3CMT showcased the art of "Xiangsheng 對口相聲" (crosstalk); and 4CMT practiced character sketching to express their love for their mothers ahead of Mother's Day.

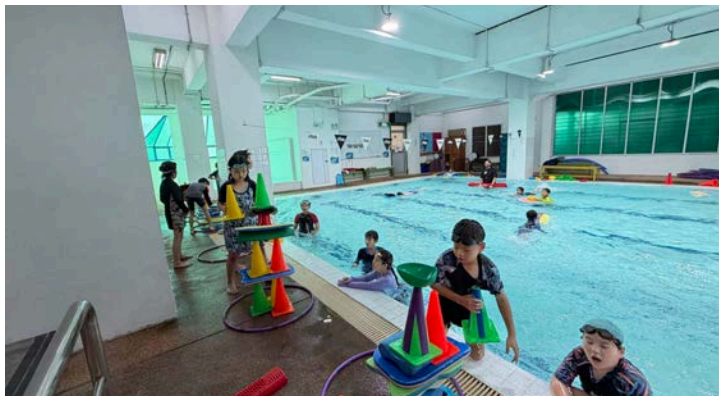

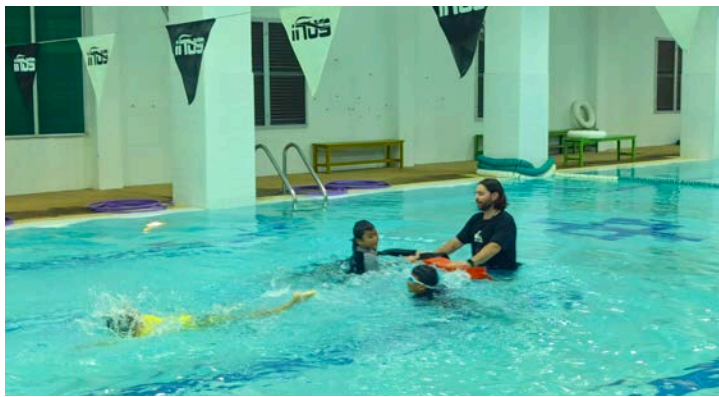

This final quarter is a season of harvest, where students transform a year of learning into impressive presentations. Please join us in giving a warm round of applause to these diligent students for their growth and achievements!

Dear Parents,

We are so excited to share what's happening in the pool this unit! Students have been diving into our Survivor: Splash Island swim unit, a thrilling, game-based experience where they compete in tribe challenges, earn points, and work together to survive the island – all while building real swimming skills and water confidence. The energy and enthusiasm in the pool has been incredible. Students are cheering each other on, and asking if they can come back for more. We couldn't be prouder of the effort, bravery, and teamwork we've seen from every single swimmer. Stay tuned for more updates as tribes battle it out for the title of Splash Island Survivors! 🌴

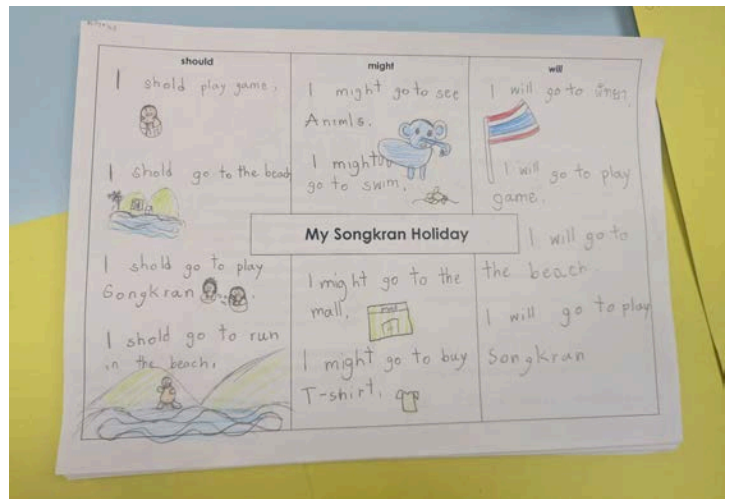

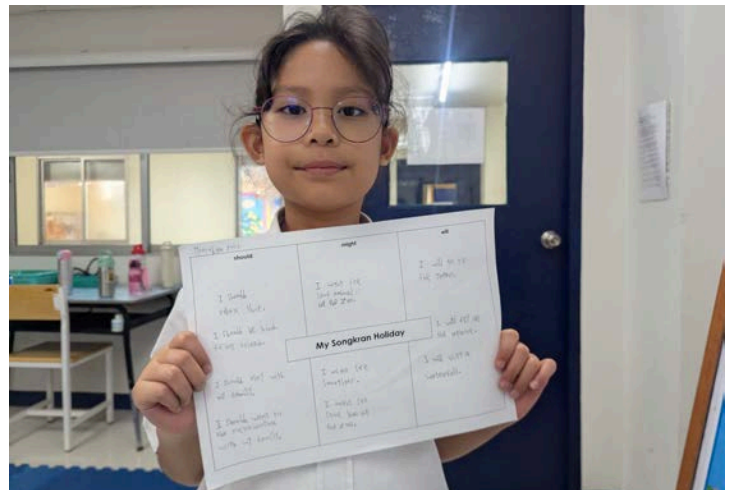

Dear Parents,

As a culmination to our unit on the future tense, we wrote about our future plans for the Songkran holidays and what we 'should', 'could' and 'might' do. We also shared ideas on what the future will look like!

We have also started to learn about vowel teams (long e and long o) whilst reading a selection of books together. Please continue to find time to read with your children and develop a good reading habit for them to carry on into the future.

Best regards,  
Mr. Jay

## Personal Data Protection Act (PDPA)

### The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.  
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none"><li>● racial or ethnic origin</li><li>● political opinions</li><li>● religious or philosophical beliefs</li><li>● sexual behavior</li><li>● criminal records</li><li>● health data, disability</li><li>● trade union information</li><li>● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.</li></ul>

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

## Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
