Dear TCIS Family,

As we come to the close of another remarkable school year, I want to extend my sincere gratitude to all of our parents for your trust, support, encouragement, and partnership. A successful school is built on strong relationships between home and school, and we are fortunate to have a community that consistently works together in the best interests of our students.

This year has been filled with accomplishments, celebrations, challenges, and growth. Whether supporting your children at home, attending school events, volunteering your time, or sharing thoughtful feedback, your involvement has made a meaningful difference. Thank you for being such an important part of the TCIS family.

I would also like to recognize and thank Ms. Bee as she celebrates 20 years of service at TCIS. Twenty years of dedication to one school community is an extraordinary accomplishment. On a personal note, during my very first year at TCIS, Ms. Bee was one of the people who helped me find my footing. She was always willing to answer questions, offer guidance, and provide support whenever it was needed. Her kindness, professionalism, and commitment to the school have made a lasting impact on countless students, parents, and colleagues.

I also had the pleasure of teaching her son in Grade 7. He was a wonderful student and a joy to have in class, reflecting the values of hard work, respect, and kindness that Ms. Bee has always demonstrated herself. Over the years, I have come to appreciate not only her dedication to TCIS but also her friendship and unwavering support of the school community. On behalf of all of us, thank you, Ms. Bee, for everything you have done to help make TCIS the special place it is today.

A special thank you also goes to our Class Parent Representatives (CPRs). Throughout the year, Kru Rung and I have had the pleasure of meeting with this dedicated group on a weekly basis. These meetings have provided valuable opportunities to discuss school initiatives, hear parent perspectives, strengthen communication, and work together to support our students and families. The CPRs have been outstanding partners, offering thoughtful advice, helping organize community events, and serving as an important bridge between parents and the school. Their commitment, positivity, and willingness to serve have played a significant role in making TCIS a stronger and more connected community. We are deeply grateful for their partnership and the countless hours they have volunteered in support of our school.

While students and teachers enjoy a well-deserved summer break, our campus will remain busy. This summer will bring several exciting improvement projects, including the remodeling and modernization of both Elementary and High School classrooms. These renovations are designed to create even better learning environments for our students and reflect our commitment to continuous improvement.

In addition, we are excited to see continued progress on our campus expansion. Four new buildings are scheduled to be completed during the next academic year, representing a significant investment in the future of TCIS. These facilities will provide new opportunities for learning, collaboration, and student activities, ensuring that our campus continues to grow alongside the needs of our students and community.

As we look ahead, there is much to be excited about. We will continue to build upon our successes, enhance learning opportunities for our students, and strengthen the vibrant community that makes TCIS such a special place.

On behalf of our faculty, staff, administration, and Board of Directors, thank you once again for your partnership and support throughout the year. We wish all of our families a safe, relaxing, and enjoyable summer break filled with wonderful memories with family and friends.

Thank you for being part of the TCIS journey. We look forward to welcoming everyone back for another exciting year of learning, growth, and achievement.

Regards,

Dr. Michael

Dear TCIS Family,

TCIS Continues Supporting Our Community

Although the school year is coming to an end, the TCIS community continues to move forward in supporting others and creating opportunities for those in need through meaningful community service initiatives.

The Thai Language and Culture Department, together with parents, staff, and students, donated funds to the Thailand Association of the Blind in support of the “Great Merit Phapa Project.” The project aims to improve the quality of life for visually impaired individuals in Thailand by supporting literacy, education, and employment opportunities.

In addition, the Equal Equation Club organized scholarship support for students at Triamparinyanusorn School who demonstrate strong academic performance and good behavior but face financial challenges. This initiative helps provide educational opportunities and encouragement for students to continue pursuing a brighter future.

TCIS sincerely thanks everyone who contributed to these meaningful efforts and continues to inspire our students to become compassionate and responsible global citizens.

Thank You, Ms. Wanwarang Janechokepinyo (Ms. Bee)

TCIS would like to express our heartfelt appreciation to Ms. Bee for her dedicated service and kind support to the TCIS family as a parent representative for more than 20 years. Her continuous encouragement, generosity, and commitment to our school community have meant so much to all of us throughout the years.

We would also like to sincerely thank her for trusting TCIS to care for and educate all three of her children, who successfully graduated from TCIS and have continued on to bright futures.

Your kindness, support, and contributions to our community will always be remembered and deeply appreciated. Thank you for always being there for TCIS.

Regards,
Kru Rung

Dear TCIS Family,

I want to extend a sincere thank you to everyone involved in making our KG and Grade 4 promotion ceremonies such memorable events for our students and families.

Thank you to our **CPR members** and our **KG and Grade 4 parents** for your support in the planning and preparation of these special celebrations. Months of preparation went into making the events a success, and your tireless effort, positive energy, and willingness to help throughout the process truly reflected your dedication to both our students and the TCIS community. Your support made a tremendous difference and helped create meaningful memories for our students and families. Thank you once again for your partnership, generosity, and continued support of our school community.

[Here Is The Folder With All The KG and Grade 4 Promotion Ceremony Photos](#)

I want to extend enormous thank yous to our KG team – **Ms. Joy, Ms. Lyn, Ms. Theresa, Ms. Toon, Ms. Jalee, and Ms. Pink** – as well as our **Grade 4 teachers, Ms. Emily and Mr. David, Ms. Da and Ms. Sorn, Kru Koong, Ms. Aomjai** and our support team, **the IT department, Ms. Far and Ms. Mind**, and to **Mr. Sean** (Gym 5 use!) for making the promotion ceremonies such meaningful and memorable events.

Thank you as well to all our speakers – **Kru Pat, Ms. Kristen, Mr. Tom, Kru Namfar, Mr. Morris, and Mr. Ju-Hung** – for sharing thoughtful and inspiring words with our students as they celebrated this important milestone. Also, thank you to all our teachers and staff that helped in other ways, such as covering classes or moving schedules to allow for KG and grade 4 promotion ceremony practices.

The ceremonies reflected months of preparation, flexibility, and care. Everything came together so smoothly because of your professionalism, dedication, and commitment to our students.

Our KG students showed that they are more than ready for grade 1. Their confidence and impressive reading skills during their speeches were wonderful to see, and I look forward to welcoming them into the elementary division next year and continuing to watch them grow.

Our grade 4 students are now preparing to begin their middle school journey, and I could not be prouder of how much they have grown since grade 3. Over the past two years, I have watched them mature academically, socially, and emotionally into thoughtful and capable young people.

As we head into the final few days of the school year, let's continue creating positive and lasting memories for our students. Whether they are heading off for summer holidays or summer school, my goal is that they leave us feeling proud, supported, and excited for what comes next.

Thank you again, everyone, for all that you do each day for our students and our school community.

Dr. James james.cooke@tcis.ac.th

Dr. James' Message: Thank you Ms. Bee and the CPR

Thank you Ms. Bee and the CPR,

Thank you to **Ms. Bee** and to the **CPR members** for all their work during this school-year. Your support, feedback, and assistance with daily school life and during events was greatly valued all year.

Ms. Bee

Ms. Bee has been a valued member of our school community for 20 years. As a member of the CPR and as a parent of three TCIS graduates, she has left a lasting legacy that will continue for many years to come. I will always be grateful for the support she provided to TCIS and her words of encouragement. Thank you, Ms. Bee.

Dear TCIS Family,

Talent Show - Rehearsal

Thank you to everyone who signed up for our [Elementary Talent Show!](#)

Parents are invited to attend the Elementary Talent Show on Thursday, June 4th, 2026

Talent Show rehearsals will be at 7:30am, on Monday, June 1st, 2025.

Here is a message from Mr. David about rehearsals:

Good afternoon. I hope everyone is enjoying the start of the long weekend. We are looking forward to the ES Talent Show on the 4th and celebrating our students' incredible talent and creativity. As a reminder, we will have rehearsal on Monday, June 1st, from 7:30-9:00. As a part of our preparation, we would like a photo of your child, the name of the song they will be performing, as well as any music or background video they will need for their performance. Submissions, as well as any questions, can be sent to me at david.law@tcis.ac.th. Thank you, and have a lovely weekend.

A gentle reminder that all performances and attire must be appropriate for ECE & elementary-aged students and must follow our TCIS guidelines. Students wearing inappropriate attire will be asked to change before performing.

Class Parties - Monday June 1st, 2026

Class parties will take place on Monday, June 1st, 2026. This is not a non-uniform day. Students are required to wear their regular TCIS uniform.

Non-Uniform Day - Thursday, June 4th, 2026

Thursday, June 4th, 2026 is a non-uniform day.

Thank you for following our [Non-Uniform Day Dress Code Guidelines](#) in this link:

- [Non-Uniform Day Dress Code Guidelines](#)

Last Day of School - 11:30am End Time

Students will have lunches served in the regular manner on the last day of school. Boxed lunches will not be provided.

All students will exit the campus no later than 12:00pm to the area outside of the security gates to wait for parents or to be picked up.

Thank You All, For A Wonderful Year

Thank you to everyone in the TCIS community for a wonderful 2025/2026 school-year. I sincerely thank you for all your support and for helping to improve our school every day. I greatly appreciate and am humbled by your trust in me. When I wake up each morning, there is no place I would rather go than to TCIS. Thank you, and I am looking forward to a fantastic upcoming 2026/2027 school-year!

Dr. James Photo : Chinese Writing Contest Winners!
Congratulations to all our winners, and thank you to our fantastic Chinese Department for your dedication to our students.

Dear TCIS Families,

This past week has been very eventful for the high school students and our 8th grade class that will be entering high school next year. Recently we had a high school talent show and we had our high school prom along with a grade 8 and grade 9 bonding trip. There has been a lot happening and a lot to look forward to. On Monday, we will issue Yearbooks to high school students at the Monday morning assembly so please make sure your child is at school by **7:10 am** so they can receive theirs. Also this week on Tuesday, we will be having a Students Awards Ceremony.

Prom

We recently had our TCIS High School Prom at the Grande Centre Point Hotel. It was an elegant evening with students looking sharp with their amazing outfits. There were speeches, games, videos, good food and fond farewells. Students' voted Aek in grade 12 as Prom King and Aeya in grade 12 as Prom Queen. Jamie and Zoey in grade 11 were voted Prom Prince and Princess. Pawat and Ing Ing in grade 12 were voted best dressed. It should be noted that Ing Ing showed off her creativity by making her own prom dress. Congratulations to them!

Bonding Trip

Last Thursday, grade 8 and grade 9 students had a bonding trip to Beat Active. They had great fun through games, competitions and team building activities. It was wonderful to see the interaction between the two grade levels and we hope these relationships will ease the transition into high school for next year's freshmen. I would also like to congratulate the grade 8 students on their Promotion Ceremony. We look forward to welcoming them into high school next school year.

High School Talent Show

Recently the Student Council organized an end of the year talent show. It was an entertaining event with performances that showcased the tremendous talent we have at TCIS. There were musicians and singers that performed a variety of songs in English, Chinese and Thai. It truly demonstrated our multiculturalism and our trilingual community.

Who can I talk to if I need help?
<https://www.tcis.ac.th/child-safeguarding>

KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means everyone under the age of 18.

Children need the right help at the right time to address risks

Remember 'it could happen here' where safeguarding is concerned.

We are all responsible for the welfare of children and keeping the environment safe, whatever our job.

TCIS School-Wide Learner Outcomes: Part of Everything We Do

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Optimistic Risk-Takers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

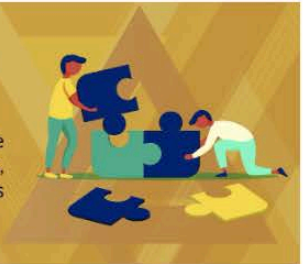

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear TCIS Family,

This week in counseling, our second-grade students read the book *I Have Ants in My Pants* together. The story helped students learn about self-control, body awareness, and understanding when it is okay to move around and when it is important to stay calm and focused.

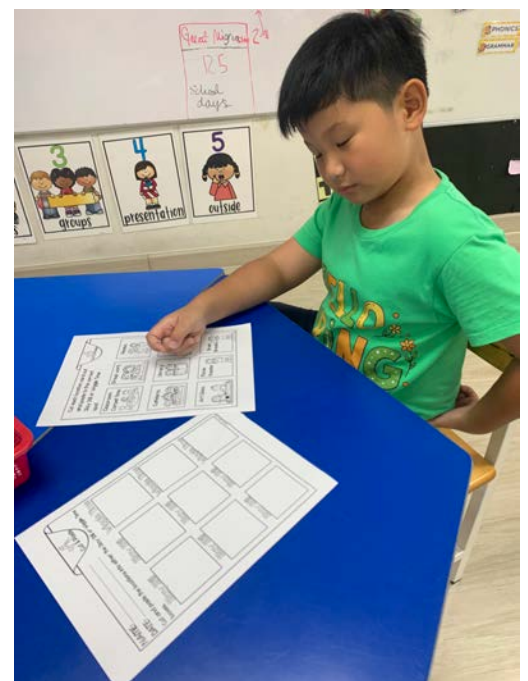

After the read-aloud, students participated in a fun sorting activity where they cut out pictures and decided whether each situation was a “Wiggle Time” or “Stay Still” moment. This activity encouraged students to think about appropriate behaviors in different settings, such as the classroom, playground, lunchroom, and during lessons.

Our second graders did a wonderful job discussing ways to manage their energy and practice listening skills while still having fun and staying active!

Thank you for supporting your child’s social-emotional learning at home.

Warm Regards,

Ms. Bree, Ms. Younah, and Ms. Eve

Dear Parents,

Grade 1A is finishing on a high note. Collecting data for graphs, writing narrative stories with problems and solutions, exploring light and sound through experiments, and reading to younger students! This is the part of the year where we truly stop and celebrate the growth and progress we've made since July last year. As these last few days rush by, I would like to extend my gratitude and appreciation for supporting myself and our class this year. Thank you!

Dear Parents,

Wow, what a fantastic school year this has been! We are finishing strong with some amazing results on the MAP test and by completing our narrative books. In math, we have been learning about charts and graphs. Students had fun walking around the school asking different people about their favorite animals and fruits, then using the data they collected to create graphs and discuss the results. We have also been working on giving feedback and complimenting our friends' writing. Students leave little notes sharing what they liked about their classmates' stories. It has been wonderful to see them encouraging each other and celebrating their hard work and creativity!

Dear Parents,

2A worked hard on our Insect Research, writing down facts and information we've learned about a chosen insect in published booklets. Then, we got a chance to read our Insect booklets to PK3 classes on Buddy Reading Day! 2A enjoyed teaching all of the facts we learned to our little reading buddies! Check out some photos below from Buddy Reading Day!

Dear Parents,

2B continues to impress with equal parts hard work, curiosity, and the occasional burst of questionable volume control. In STEM, students have been exploring materials and their properties, discovering which materials are strong, flexible, waterproof, and apparently most fun to test. Math has kept everyone busy with 3-digit addition and subtraction, complete with borrowing and carrying that sometimes feels more dramatic than it should. Our spring concert preparations brought plenty of excitement, singing, and last-minute reminders not to stare directly at the audience in complete silence. Of course, Language Arts keeps us on our toes as we constantly review nouns, verbs, adjectives, and adverbs—because sentences deserve a little style too. Life in 2B is never boring, and the students continue to bring energy, laughter, and enthusiasm to every single day.

Dear Parents,

In Readers' and Writers' Unit 4, we have learned about fairy tales and drafted our own fairy tale adaptation. In Fishtank Math, we completed our fractions unit and began our final unit on measurement. Children have learned how to read time as well as different units of measurements. We have had a productive time with our end of year NWEA MAP testing, DRA testing, and ES Spring Concert. Moreover, it has been a great joy and privilege to have taught your children this year. I thank all parents and students for your continued support and partnership. I wish all children great success in Grade 4!

Dear Parents,

As fourth grade comes to a close, students have shown so much growth in confidence, independence, and resilience. They have challenged themselves, learned from mistakes, supported one another, and accomplished so much throughout the year. It has been wonderful to watch them grow into capable and caring young people who are truly ready for middle school. I am so proud of all they have achieved and excited to see all they continue to accomplish in the years ahead!

Dear Parents,

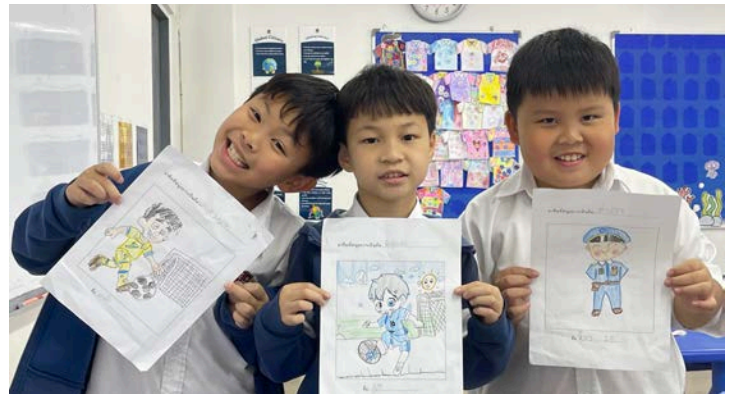

The school year is coming to an end, and what a year it's been! We've been busy over the last few weeks, preparing for graduation, participating in buddy reading with the kindergarten students, completing MAP testing, and experiencing a day in the life of a fifth grader. I am incredibly proud of the growth our students have shown, and I look forward to seeing their continued progress in middle school. Have a great summer and see you next year!

Dear Parents,

G.2 Thai MT are learning from the textbook about how to be good children and love our country. The students are exploring future careers and practicing how to behave well. They are also learning about the four regions of Thailand through the culture and traditions of each region.

Dear Parents,
This week, our Thai classes were filled with creativity, storytelling, and hands-on learning.

Grade 1 Thai MT students enjoyed reading stories about the magical creature “Tanuki,” and many were excited to share their ideas and thoughts about the story. After reading, they created their own colorful bookmarks inspired by the characters and themes from the book.

For our FT students, we explored famous tourist attractions in Thailand. Students selected places they were interested in, created mini models and artwork, and practiced describing their chosen locations in Thai while explaining why they liked them. This activity helped students build confidence in using Thai in meaningful and creative ways.

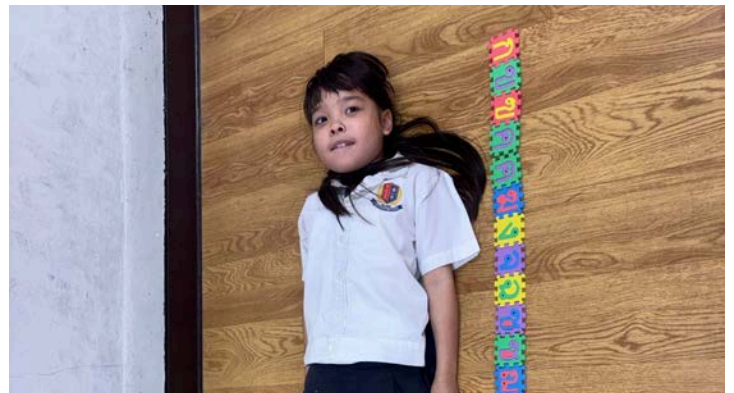

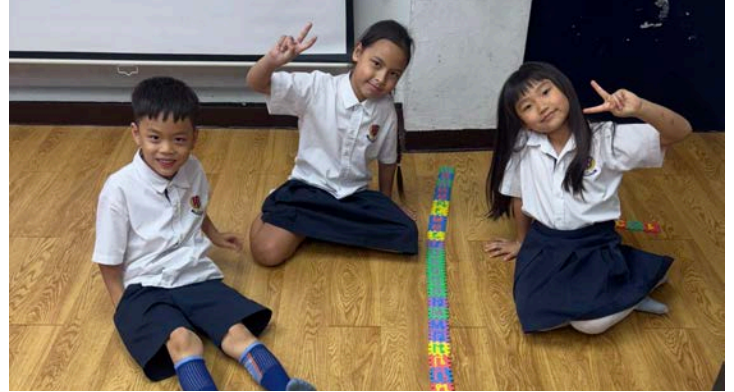

Dear Parents,

G1 Thai FT students worked together to review Thai consonants. Some students who had just started learning Thai were also able to participate in this activity, helping to build teamwork and collaboration skills.

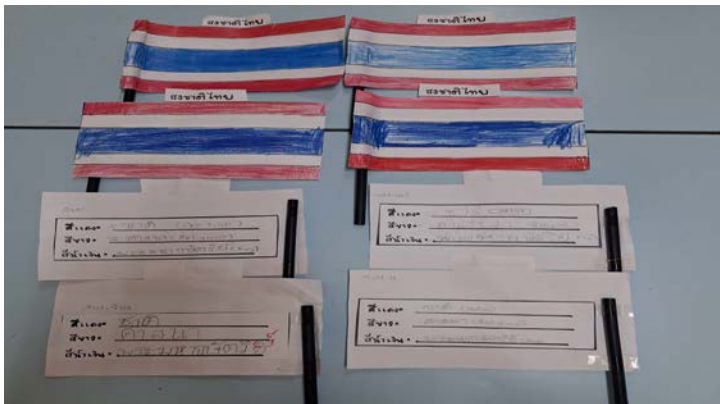

As they are currently learning about measurement in class, the students also explored measuring their height in Thai class by comparing it with Thai letters arranged in order.

Dear Parents,

G.2 Thai FT practiced reading short stories, identifying vowel sounds and vocabulary meanings, and creating sentences using new words. They also practiced singing the Thai national anthem and participating in the flag ceremony with confidence and enthusiasm. G.4 Thai MT learned about the history and origins of paper through fun challenge games and exciting color-changing paper magic activities. They enjoyed exploring how paper can be used in creative and surprising ways while learning through hands-on experiences.

Dear Parents,

After a year of hard work and learning, students in all CFB classes have shown great improvement. They are now more confident speaking Chinese, and their listening, speaking, reading, and writing skills have all improved greatly. We are very proud of their progress and effort throughout the year.

A few weeks ago, we also held a Chinese writing competition in the class. Congratulations to our winners – Lalyne, Him, and Kunn! Their hard work and creativity were wonderful to see.

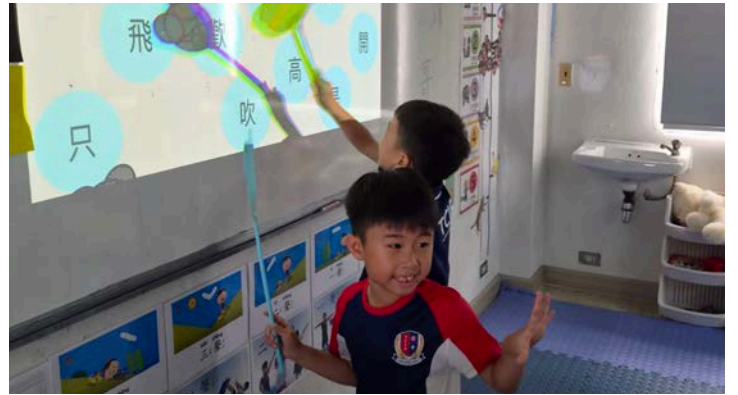

Dear Parents,

Our G1 CMT and G2 CMT students had a wonderful time playing vocabulary games to review and strengthen their Chinese word recognition skills. Through fun and active classroom activities, students practiced matching words and pictures while building confidence in using new vocabulary. Our G3 CFT students also enjoyed revising previously learned vocabulary through Gimkit!

As the school year comes to an end, I would like to sincerely thank all parents for your continuous support, encouragement, and cooperation throughout the year. Thank you for being such a supportive part of our classroom community. Wishing all students and families a happy holiday and continued success in learning and growth ahead!

Dear Parents,
G1 CFT students learned how to confidently conduct telephone conversations, focusing specifically on proper greetings and closings. G3 CFT students learned how to offer warm well wishes in various scenarios and write thoughtful greeting cards. G4 CFT students explored the unique dates and celebration activities of Mother's Day in different countries.

In this final newsletter of the academic year, I want to express my sincere gratitude to all parents for your invaluable support and assistance in our students' growth and our teachers' instruction. I wish all the students a happy, fulfilling vacation. See you next school year!

Dear Parents,

One of our second-grade students' favorite Chinese language games is the Chinese vocabulary bingo game. Besides practicing vocabulary, winning requires a bit of luck. You could say everyone has a chance, but no one is guaranteed victory! But if you're unlucky today, don't worry! If someone in your group gets bingo, you still have a chance to win!

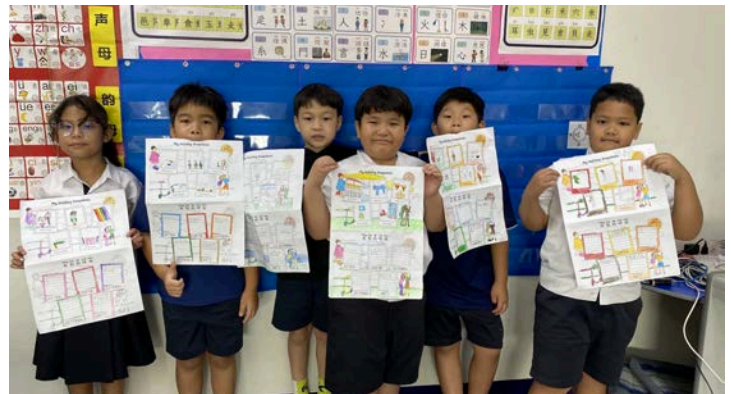

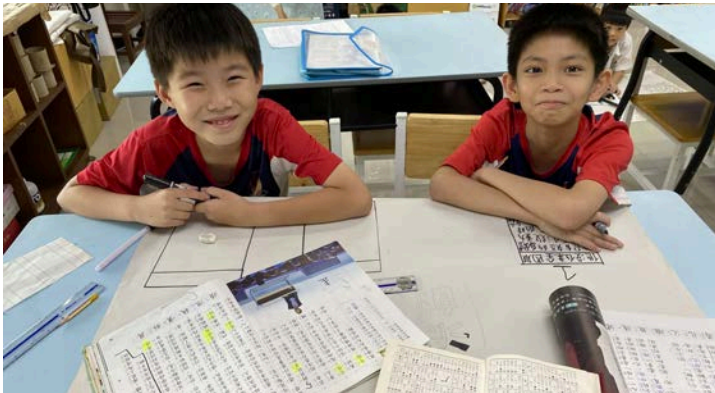

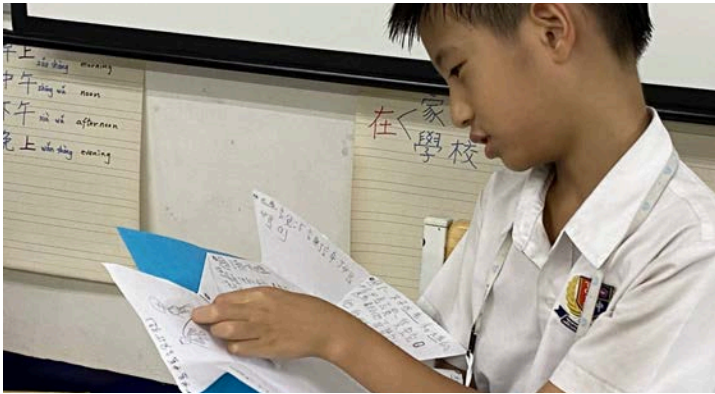

Dear Parents,

As the school year gently comes to a close, students have made wonderful progress in their Chinese learning journey. Through listening, speaking, reading, and writing activities, they have grown not only in language ability but also in important personal qualities such as problem-solving, empathy, teamwork, and a positive attitude toward learning. It has been truly rewarding to watch each child gain confidence, maturity, and pride in their achievements throughout the year.

I would also like to sincerely thank all parents for your continuous support, encouragement, and guidance at home. Your partnership has played an important role in helping our students achieve meaningful growth and success in their learning.

Finally, I wish every student a successful transition to the next grade level and a joyful, relaxing, and well-deserved summer holiday!

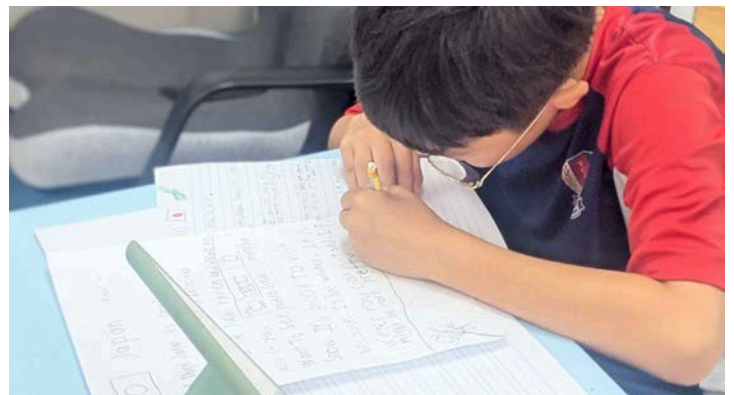

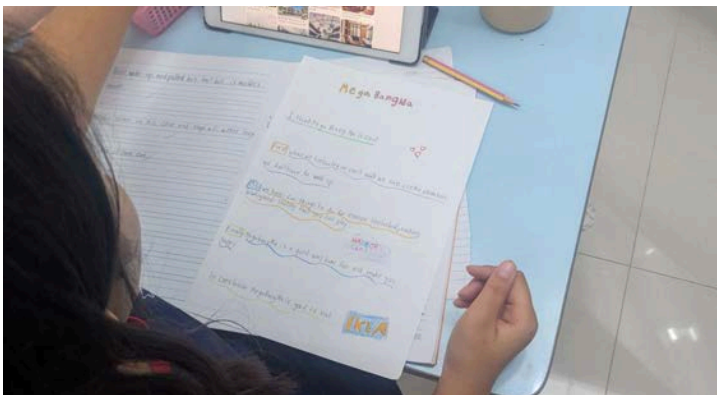

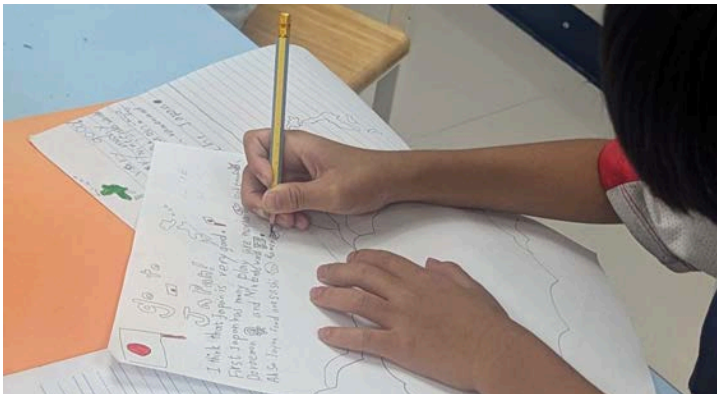

Dear Parents,

Over the last few weeks we have explored opinions and how to express opinions in our writing. We have also read many books together, exploring readers' theater to practice our expression when reading.

As we finish off the year I am very happy with the progress your children have made since they started. It is so important that your children are given as many opportunities to continue to be exposed to the English language over the holidays through books, videos and games.

Best regards,
Mr. Jay

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">● racial or ethnic origin● political opinions● religious or philosophical beliefs● sexual behavior● criminal records● health data, disability● trade union information● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

[TCIS Yearbook 2024-25](#)

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
