Message from Dr. Michael

Dear TCIS Family,

What a wonderful first week of school!

It has been so nice to have our campus full again and to see so many smiling faces in the hallways, classrooms, and around campus. The excitement and energy from our students have made for a fantastic start to the new school year.

This week, I also had the opportunity to meet with our Grade Parents. I always value these conversations and appreciate the feedback, questions, and suggestions that help us continue to make TCIS even better. Strong schools are built through open communication, and I am grateful to have parents who are willing to share their ideas and work together with us.

While we celebrate a great first week, our hearts are also with the school community recently affected by the tragic shooting. We send our deepest thoughts and sympathy to the students, families, teachers, and staff impacted by this terrible event. Incidents like this remind us that we can never become complacent when it comes to school safety. At TCIS, we will continue reviewing, practicing, and strengthening our safety procedures and emergency protocols to make our campus as safe and prepared as possible.

Thank you to our teachers and staff for all the work that went into making this first week such a positive one, and thank you to our families for your continued support and trust.

It has been a great start, and I am looking forward to an exciting year ahead.

Regards,

Dr. Michael

Dear TCIS Family,

The Queen Mother's Birthday Ceremony

On **Tuesday, August 11th, 2026**, TCIS will hold a special ceremony during the **morning assembly** to honor **Her Majesty Queen Sirikit The Queen Mother** on the occasion of her birthday, in recognition of her lifelong dedication and contributions to the nation.

- **Time:** 7:10 AM – 7:30 AM
- **Location:** 5th Floor Gym

Dress Code: To honor this special occasion, all staff are encouraged to wear **blue**. Students should wear their regular **school uniform**.

Sermpanya Proficiency Test – Saturday, August 22nd, 2026

The test will be held from **8:00 AM – 12:30 PM** on the **6th Floor, MS Building** for **Advanced Math** and **Advanced Science**.

Dress Code: School uniform or school polo shirt

Bring: 2B pencils and erasers (*provided by Thai Department if needed*)

Students can review past exams and download study materials using the password on their exam slip.

Student Services Team: Supporting Our Students for Success: As we begin the 2026–2027 school year, the Student Services Team is excited to continue strengthening the support we provide to our students, teachers, and families. This year, we are placing a strong focus on **social-emotional learning (SEL)**, **student well-being**, and **university readiness**.

Supporting Our Teachers Through SEL Training: On **July 27, 2026**, the Student Services Team provided an online SEL training workshop for all TCIS teachers. The session introduced teachers to the **Student Services Team** and our approach to supporting students' social-emotional and academic development. Teachers were also introduced to **Wellio**, a resource that will serve as a practical tool to support teachers in delivering SEL lessons and activities throughout the school year. Through Wellio, teachers will have access to resources and activities designed to help students develop important skills such as self-awareness, emotional regulation, positive relationships, decision-making, and resilience. The Student Services Team will continue working closely with teachers and divisions to ensure that SEL support is meaningful, age-appropriate, and connected to the needs of our students.

Preparing Our Seniors for University: On **August 6, 2026**, the Student Services Team launched another university preparation session for our **Grade 12 students**. This session focused on ensuring that our seniors are prepared and confident as they begin the university admissions process. Students were reminded of important application timelines, requirements, documentation, and the steps they need to take throughout the year. The team will continue to meet with Grade 12 students and provide individual guidance as they explore university options, prepare applications, and make decisions about their future pathways. We understand that the university application process can feel overwhelming, but our goal is to make sure that every Grade 12 student feels informed, supported, and prepared.

Working Together for Student Success: The Student Services Team believes that supporting students is a shared responsibility. By working together with teachers, families, and students, we can create a supportive environment where every student has the opportunity to grow academically, socially, and emotionally. As we begin this new school year, we look forward to continuing our work with the TCIS community and helping our students become **confident, resilient, and prepared for their next steps beyond TCIS**.

Kind regards,
Kru Rung

*Her Majesty Queen Sirikit
the Queen Mother's Birthday Celebration*

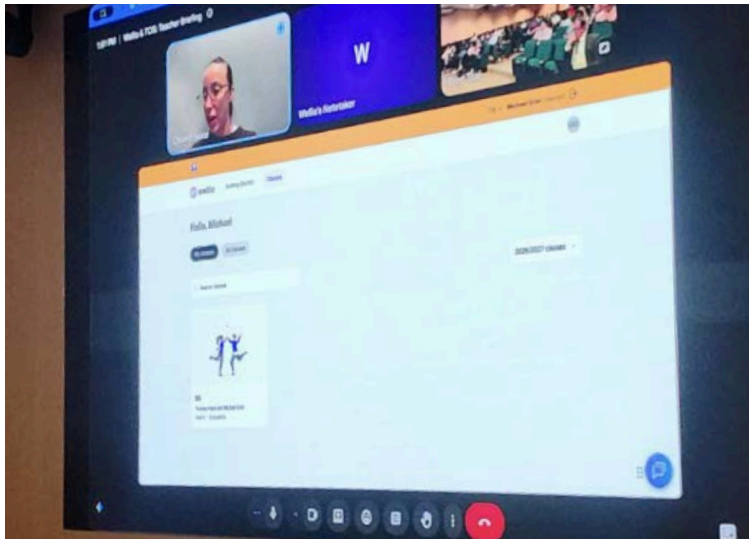

August 11, 2026

Location: 5th Floor Gym

Time: 7:10 - 7:30

Dress code for teachers: Blue Professional dress
for students: White School Uniform

Kru Rung's Photos

Dr. James' Message

Dear TCIS Family,

The Queen Mother's Birthday Ceremony

On **Tuesday, August 11th, 2026**, TCIS will hold a special ceremony during the **morning assembly** to honor **Her Majesty Queen Sirikit The Queen Mother** on the occasion of her birthday, in recognition of her lifelong dedication and contributions to the nation.

- **Time:** 7:10 AM – 7:30 AM
- **Location:** Basketball Court

Dress Code: To honor this special occasion, all staff are encouraged to wear **blue**.

Dress Code for Students: All students wear their white school uniform.

PE Uniform Note: If students have PE on Tuesday, they should wear their **WHITE TCIS shirt over the top of their PE shirt** during the ceremony. All students should be wearing white in Gym 5.

WIDA Assessment

Next week, our ELL students will begin WIDA assessment during their classes. This is the beginning-of-the-year benchmark to help track English proficiency growth over the year. Students do not need to prepare anything.

MAP Testing

Students in **Grades 1 to 4** will participate in MAP testing from **Monday, August 17th to Friday August 28th, 2026**. MAP results help us better understand each student's academic progress, and also provide valuable insights into our curriculum effectiveness at the class, grade, and school-wide levels. Here is the link to the: [MAP Fall 2026/2027 Testing Schedule](#).

SEL Lesson with Mr. Zen

This week, Mr. Zen will visit with grade 1 to grade 4 students to initiate SEL lessons. All of our counselors - Ms. Bree, Ms. Younah, and Mr. Zen - play vital roles in supporting students' social, emotional, and academic well-being across the ECE and elementary divisions. [Visit our ECE & Elementary Counselors' Corner](#).

Student IDs

Please ensure that your child always has their ID with them at school. If they lose their ID, please purchase a new one for them as soon as possible.

Kind regards,

Dr. James

MAP TESTING

Students in Grade 1 to 8
will participate in MAP testing

≡ 2026 ≡

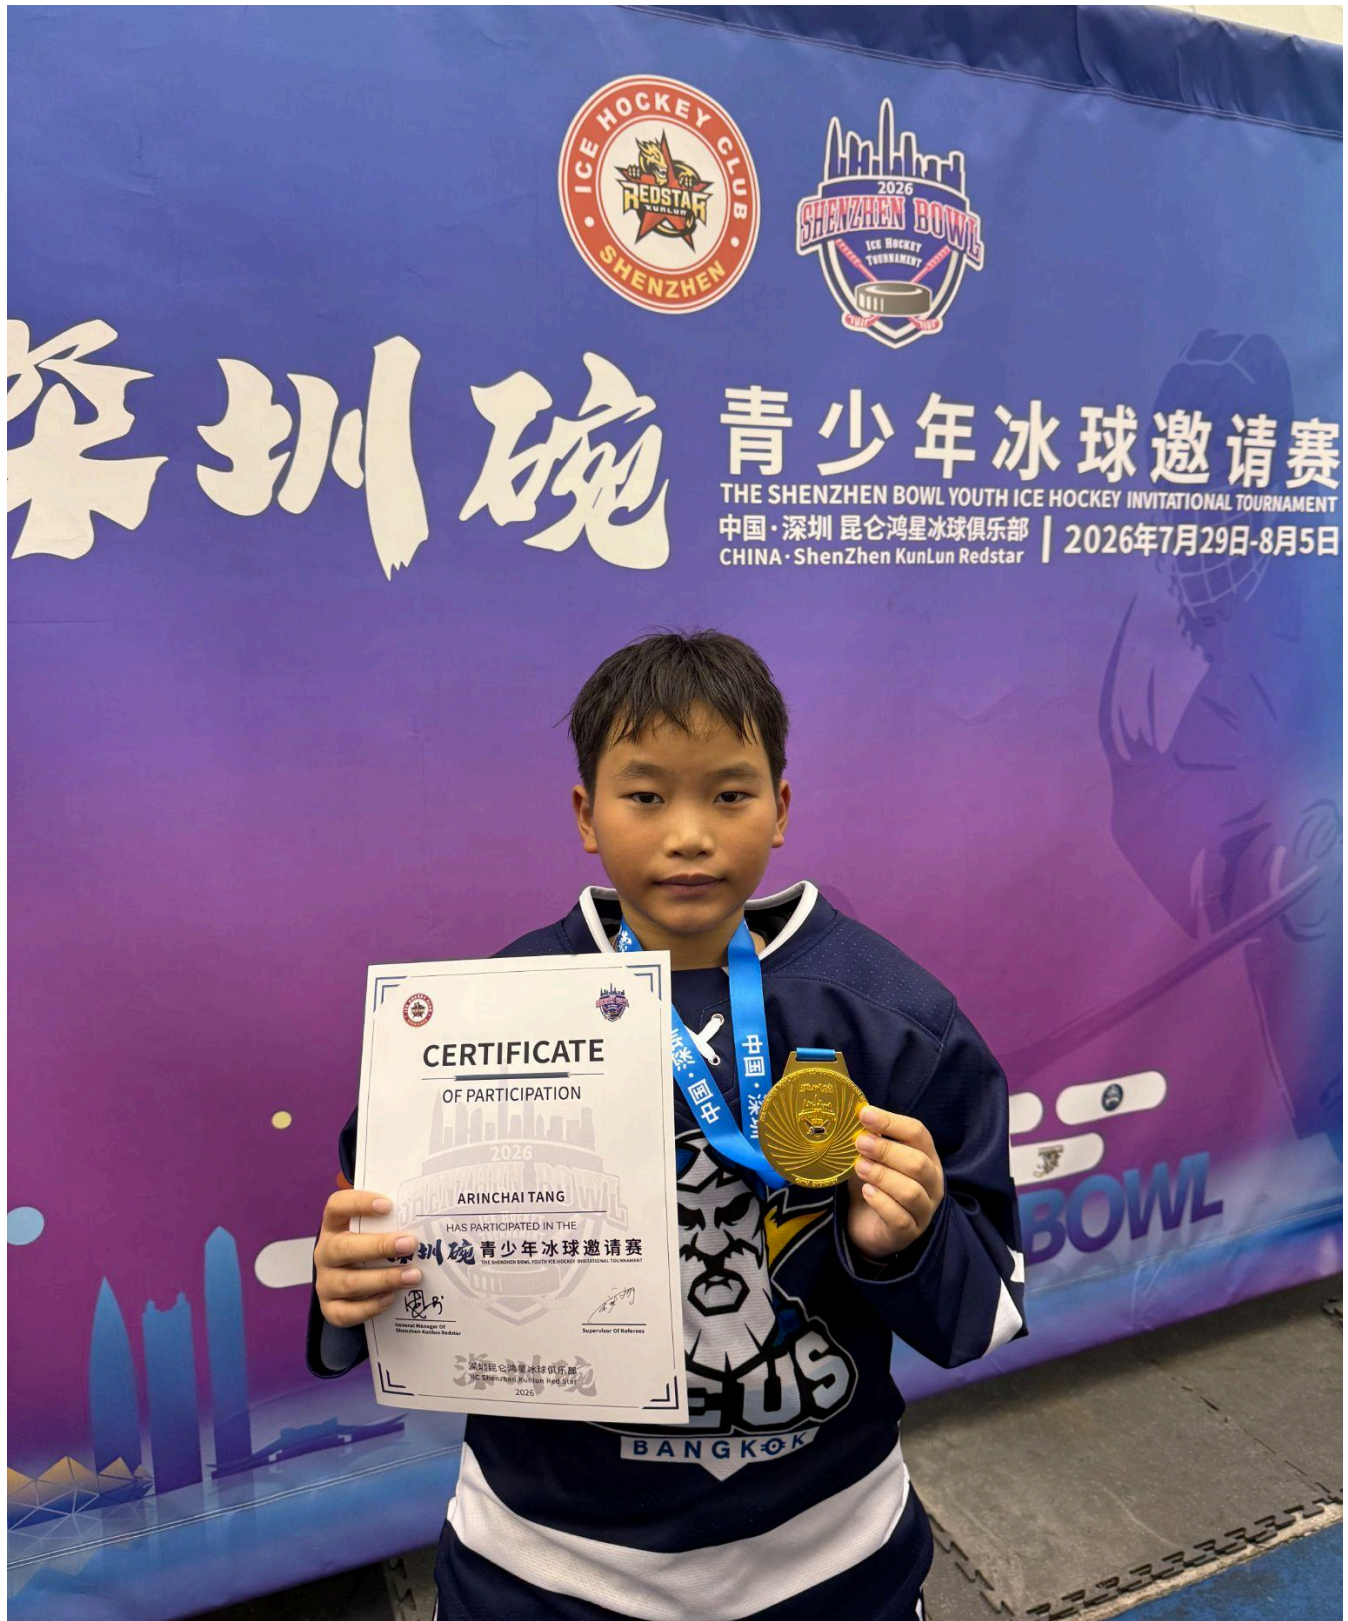

MAP results help us **understand**
each student's **academic progress**.

Thank you for supporting your child's success!

Student's Special Achievements Section: Alex

Congratulations to Alex : Alex represented Zeus Bangkok in the 2026 Shenzhen Bowl Youth Ice Hockey Invitational Tournament, held in Shenzhen, China, from July 29 to August 2, 2026. Alex and his team finished as Silver Medalists

Alex also joined the USA California Hockey Academy in the Tropical Freeze 2026 international ice hockey tournament. He played in the Defense (DF) position throughout the tournament and was honored with the Most Valuable Player (MVP) award for his outstanding performance, teamwork, and dedication. We are proud of you!

A young boy, Alex Tang, is standing on an ice rink, holding a gold MVP award medal. He is wearing a dark blue hockey jersey with white stars and stripes, and a white turtleneck. The background features a large American flag and a graphic with the text 'TROPICAL FREEZE 2026 USA CALIFORNIA' and 'MVP MOST VALUABLE PLAYER ALEX TANG CALIFORNIA HOCKEY ACADEMY U9 (2017)'.

 GREAT PERFORMANCE  STRONG LEADERSHIP  TEAM SPIRIT

Dr. Richard's Message

Dear Middle School Parents,

First Week of School

We had a successful start to the school year! One of my highlights was seeing so much activity during break and positive interactions during lunch. I know there was a lot of excitement returning to school, but our new personal device policy is supporting these positive interactions.

Advisory

During the week, an important part of starting successfully is learning the routines in Middle School. Each day this week, students covered a different topic, including a handbook review, emergency protocols, organizational tips, and a technology review. Also,

this time was used to ensure students had schedules and could use the different systems.

Assembly

We ended our first week with a Friday assembly. During the assembly, Student Council introduced themselves and informed our new Grade 5 students how they could participate. Please encourage your child to join!

Clubs

Teachers presented the clubs available during Advisory on Tuesday. They can go to the grade-level Google Classroom to review the clubs and select three choices. We try to assign every student one of their three choices. During advisory on Monday, teachers will ensure all students have completed this so we can announce club placement on Friday, August 14. Clubs allow cross-grade collaboration and students to try new activities.

Mother's Day Assembly

On Tuesday, August 11, we will host a morning assembly at 7:10 am in Gym 5 in honor of the late Queen Mother's birthday. Students are required to be in their white uniform, even if they have PE in the morning.

WIDA Assessment

Next week, our ELL students will begin WIDA assessment during their class. This is the beginning-of-the-year benchmark to help track English proficiency growth over the year. Students do not need to prepare anything.

NWEA MAP

August 17-28, we will begin our MAP testing. We will remind students during advisory next week and help them prepare their device and review our [MAP Student Guide](#). This test is used to create a beginning-of-the-year benchmark to track their growth during the year. Here are the three simple things they need to remember:

1.) Eat a healthy breakfast. - 2.) Bring a fully charged laptop. - 3.) Bring a physical book to read if they finish early.

Dr. Richard E. Poulin III | Head of Middle School | richard.poulin@tcis.ac.th

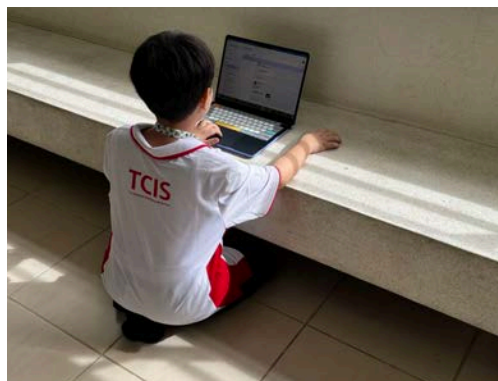

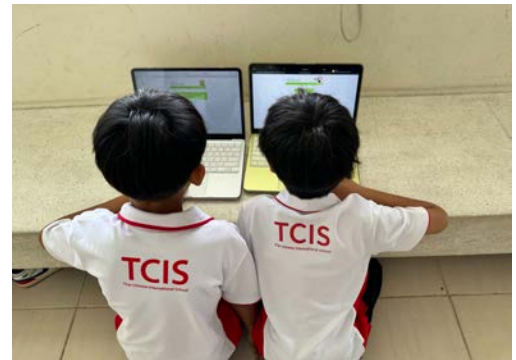

Secretary: Ms. Palm

Email: pattathorn@tcis.ac.th

Phone: 02-751-1201 ext. 361

First Week of Middle School

Dear High School Parents,

It has been a great first week observing students connecting with classmates and teachers. It was terrific to see so many smiling faces in the classrooms and roaming the halls.

University Preparation Presentation

During the Advisory Session, the high school counseling team met with all seniors to review the **university admissions process and the timelines** that they should be prepared for. At this point all seniors were reminded that they should have taken the IELTS and SAT assessments. If your child has not done so, then they are behind and may risk losing out on not just admission opportunities but also scholarships. [Click here](#) to view the [University Preparation Slides](#) that were presented to the Seniors as we encourage you to discuss the process with your child and make sure they are on track. In the near future we will have a Parent Coffee Morning to share again with parents how their child should be working toward university admissions.

Technology Use

Teachers have explained the schoolwide technology use policy to students and have been working with students to implement it. In addition to the teachers' support with this program, this [Technology Use Video](#) was also shared with students to ensure a clear understanding of the expectations and benefits.

Morning Assemblies

Every Monday we have morning assemblies beginning at 7:10 am. This week we also have a Mother's Day morning assembly on Tuesday so please have your students arrive at school by 7:00 am.

Upcoming Events

- **Aug 11:** Freshmen Orientation (Session 1)
- **Aug 12:** Mother's Day (Holiday)
- **Aug 13:** Club Fair
- **Aug. 14:** FASCA training
- **Aug 15:** NTHU (National Tsing Hua University) interview
- **Aug 24:** Freshmen Orientation (Session 2)
- **Aug 26:** NTU interview

Have a great week!

Kevin Curran
Head of High School

[University Preparation](#)

Dear TCIS Family,

Our first week of school was filled with smiles, new friendships, and many exciting firsts! It has been a joy to see our youngest learners becoming more comfortable in their classrooms, exploring new spaces, and building relationships with their teachers and classmates. Every day brings a little more confidence as students begin to settle into their new routines.

One of our priorities this week has been making sure all families are connected through ClassDojo. ClassDojo is one of the best ways for teachers and parents to stay in touch throughout the school year. Teachers will use it to share classroom updates, reminders, photos, and celebrations of student learning. If you have not yet joined your child's class, please take a few minutes to accept your invitation. If you need any assistance, your child's teacher is happy to help. You are also welcome to contact me at jasmine@tcis.ac.th if you need additional support.

In Early Childhood, the first few weeks of school are about much more than learning letters and numbers. Children are practicing important life skills every day as they learn classroom routines, build independence, share with classmates, solve small problems, and develop confidence in a new environment. These experiences help children feel safe, supported, and ready to learn. A strong start now lays the foundation for a successful and enjoyable school year.

You may notice that your child comes home talking about songs, stories, classroom jobs, or new friends. These everyday moments are an important part of learning. Play, conversation, and hands-on experiences help young children develop language, social skills, and curiosity while building a love of school.

You can continue supporting your child at home by asking simple questions about their day, reading together each evening, and encouraging independence with routines such as unpacking their backpack, putting away their shoes, or getting ready for the next school day. Celebrating these small accomplishments helps children become confident, capable learners.

Thank you for partnering with us as we begin another wonderful school year. We are grateful for your trust and support, and we look forward to another week filled with learning, laughter, and growth. We cannot wait to see all that our youngest learners will accomplish this year!

Regards,

Mrs. Jasmine

TCIS School-Wide Learner Outcomes: Part of Everything We Do

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Optimistic Risk-Takers

Resilient learners who face challenges with confidence, take thoughtful risks, and grow from experiences, striving to make a lasting, positive impact.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear TCIS Family,

Hi everyone, and welcome back to school!

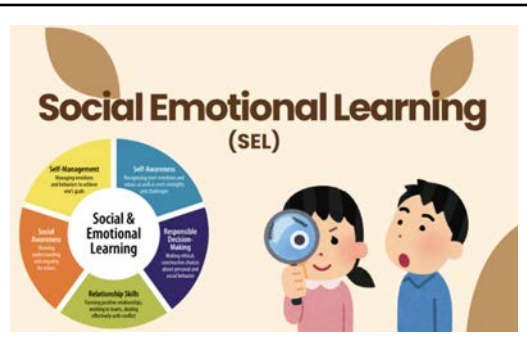

We're so excited to kick off another year with all of you. The first week is always full of big feelings, excitement, nerves, maybe a few tears (from kids and parents alike!). That's all completely normal, and we're here to help make the transition smooth.

A special welcome to our new students and families! We're so happy you're here. It's normal to feel a little nervous at first, but before long these hallways will feel familiar and new faces will feel like friends. If you need anything as you settle in, we're just a message away.

Each week, we'll share tips, resources, and updates from the counseling department right here. Feel free to reach out anytime with questions or concerns. Here's to a great year ahead!

Kind regards,

TCIS Counseling Team

Dear Parents,
PK2 students are settling into their new environment with increasing confidence and are adapting well to the daily routines and expectations. They are forming positive relationships with their teachers and peers. Outdoor play continues to be a highlight of the day. The children eagerly participate in a variety of physical activities, including walking, running, jumping, climbing, and exploring the outdoor environment. These experiences support the development of their gross motor skills, coordination, confidence, and overall wellbeing while encouraging cooperative play and social interactions with their new friends.

Dear Parents,

Welcome to a brand-new school year! We are delighted to partner with you as we begin this exciting journey of learning, growth, and discovery with your children. Our PK3 learners had a wonderful first day of school filled with smiles and excitement. They enjoyed meeting their teachers and new classmates, explored their classroom, and practiced their daily routines. We are so proud of their courage, kindness, and enthusiasm, and we look forward to a joyful and memorable year together!

Dear Parents,

Welcome to TCIS! Our PK3B students have had a wonderful first week of school. They enjoyed exploring the classroom, getting to know their teachers, and making new friends.

We are happy to see that the children are adapting well. Together, we have been learning classroom routines, such as washing our hands, lining up, playing with toys, and cleaning up. We are proud of all the children and look forward to many more fun learning experiences together. Thank you for your continued support!

Dear Parents,

Our PK4 A students have had a wonderful start to the school year and are enjoying their first week of school! They are settling into their new classroom routines and becoming familiar with the daily schedule. It has been exciting to see them making new friends, getting to know their teachers, and exploring their new learning environment. We are very proud of how well they are adjusting and look forward to a fantastic year of learning and growth together.

Dear Parents,
Welcome to PK4! We are so happy to welcome all of our new and returning families to a new school year.
Our PK4 students have been very brave as they begin this new adventure. They are getting to know their new classroom, meeting new friends, and learning new routines each day. We are proud of how quickly they are adapting and trying their best with smiling faces. We hope every child enjoys learning, builds confidence, and creates many happy memories in PK4.

Thank you for your trust and support. We look forward to a wonderful year of learning and growing together!

Dear Parents,

Welcome to PK4C! We are excited to begin another wonderful school year and are delighted to have both our new and returning families with us.

Our students have made a fantastic start to their new journey. Everyday they are becoming more familiar with their classroom, making new friends, and learning the routines that help them feel confident and successful. We are so proud of their courage, enthusiasm, and willingness to try new things with happy smiles.

Our goal is to provide a safe, caring, and engaging environment where every child can develop a love of learning, grow in confidence, and make lasting memories throughout the year.

Dear Parents,

What a fantastic start to the school year in KGA as our little learners settled into their new classroom family! Our busy explorers spent their first few days making new friends, checking classmates' names, and mastering daily routines while solving classroom "mysteries" to discover where materials live and how to use them properly. From showing off their math skills by writing numbers on the ground to adopting plushie pets in science to learn what animals need to thrive, their curiosity was truly on display. They also dove straight into literacy by recognizing beginning sounds and reading both familiar and new words. Beyond these academic adventures, our kindergarteners are already laying the essential groundwork for the year ahead—learning self-regulation, practicing active listening, building independence with their personal belongings, taking turns, and strengthening their motor skills through hands-on play. It has truly been an unforgettable start to KGA's learning journey!

Dear Parents,
Welcome to a new school year! Our Kindergarten students had a great first week and did a wonderful job on their first day. This year, the children are learning to be more independent by unpacking their own school bags, putting on and taking off their shoes, and putting their belongings away. Everyone is still getting used to the classroom routines, and we are confident they will continue to improve each day. We look forward to a fun year of learning Chinese together!

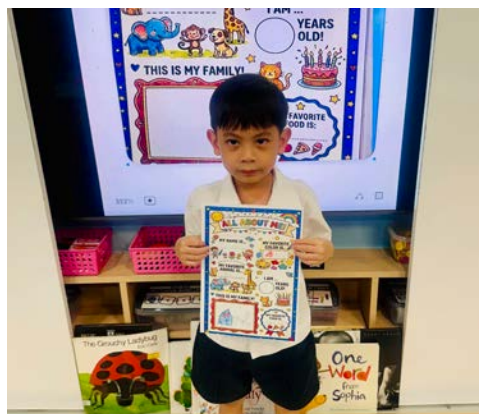

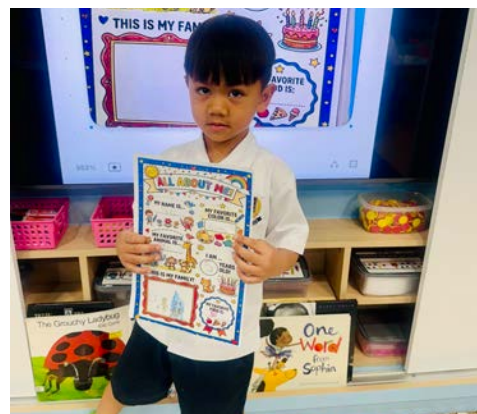

Dear Parents,

We have had a wonderful first week in KGC! Our students quickly settled into their new classroom, made new friends, and began learning the daily routines that will help them feel confident and successful throughout the year. They enjoyed exploring the classroom, practicing number writing, and building their early literacy skills by identifying beginning sounds and reading familiar and new words.

Along the way, our young learners also focused on developing important classroom habits, including listening carefully, taking turns, becoming more independent with their belongings, and strengthening their fine and gross motor skills through engaging, hands-on activities. We are so proud of the positive start they have made and look forward to an exciting year of learning together!

Dear Parents,

Welcome to Thai Class!

During the first week of school, students learned our Thai classroom routines and expectations through fun songs, movement, and classroom activities. They also decorated their Friday Folders and completed their first Thai booklet. PK3 students practiced pre-writing lines, while PK4 students began learning the correct strokes to prepare for writing Thai consonants.

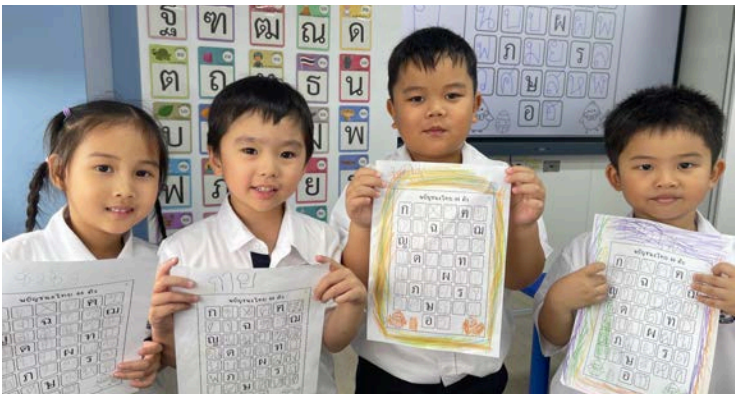

Dear Parents,

PK2 students had a wonderful first day at school! It was their first time in the Thai class, and we enjoyed singing and dancing together. We also started learning about colors in Thai through fun classroom activities. Everyone had a great time learning and exploring! **Our KG students are becoming big kids in ECE!** This week, we reviewed the Thai alphabet and are getting ready to learn new Thai vowels. Through the four language skills listening, speaking, reading, and writing our students are building a strong foundation in Thai. Way to go, KG!

Dear Parents,

What a wonderful start to a new school year! This year, our PK2 class has 8 adorable students. During our first week together, everyone did a fantastic job. When I greeted them in Chinese, their curious eyes and excited expressions were such a joy to see!

I believe they are all eager little learners, and I'm looking forward to watching them grow in their Chinese journey throughout the year. Let's have a fun and successful year together. Go, PK2!

Dear Parents,

What a wonderful first week of music class! It was a joy to meet our new students and welcome back our returning musicians. We spent time getting to know each other, exploring the music room, singing fun songs, moving to music, and learning our classroom routines. Everyone did a fantastic job participating and had lots of smiles along the way. We are looking forward to a fun and musical year together!

Personal Data Protection Act (PDPA)

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: • racial or ethnic origin • political opinions • religious or philosophical beliefs • sexual behavior • criminal records • health data, disability • trade union information • genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get

consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.

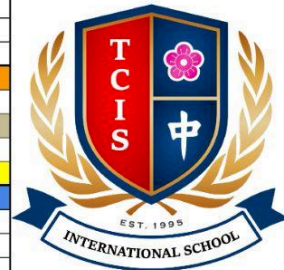

Nurse Arisara Suktrakool (Yok)
