On **September 27th, 2026** we will organize the **4th TCIS School Chess Championship** – a big inter-school competition which will be hosted by the **Thai-Chinese International School**. We are happy to invite all junior players born 2008 or younger to join this event. We will have **U7, U9, U11, U13, U18** age groups as well as a **FIDE RATED** category. We will award the **top 3 players** in each group with trophies and the **4th and 5th place** players with medals. The **3 best school teams** will receive trophies too.

Dear TCIS Family,

Celebrating 31 Years of TCIS!

This week was a very special one for our TCIS community as we celebrated our 31st Anniversary! For 31 years, TCIS has been a place where students, families, teachers, and staff have come together to learn, grow, and build an incredible community.

We kicked off the celebration on Monday with our entire student body and faculty coming together to form a giant “31” on campus. As you can see from the attached photo, it was a wonderful sight and a great way to capture this special moment in our school’s history.

Of course, no birthday celebration is complete without something sweet! On Monday, every student received an ice cream bar, and on Friday, the celebration continued with soft-serve ice cream for all students and staff. It was a fun way to end the week and brought plenty of smiles across campus.

We extend a very special thank you to our Board of Directors for providing these treats and for making our 31st Anniversary celebration so memorable. Their continued generosity and support of our students, staff, and school community are greatly appreciated.

We are also pleased to share information with our community regarding additional scholarship opportunities for TCIS students, including scholarships recognizing excellence in Sports, Creative and Performing Arts, and other Areas of Excellence.

Please take time to carefully review the attached scholarship information and criteria. Students who meet the requirements are encouraged to apply. Scholarships may be applied for again in future years; however, renewal is not automatic, and students will participate in the selection process each year.

The application deadline is September 15 at 10:00 AM.

If you have any questions regarding the scholarships, eligibility requirements, or application process, please reach out to your child’s Divisional Principal.

We are proud to celebrate 31 years of TCIS while continuing to create new opportunities for our students to learn, grow, achieve, and shine. Happy 31st Anniversary, TCIS!

Regards,  
Dr. Michael

# Sports, Creative and Performing Arts Scholarship Policy

## Philosophy

At Thai-Chinese International School (TCIS), we believe that excellence in sports, the arts, and music is an essential part of a well-rounded education. The Sports, Creative and Performance Arts Scholarship Policy reflects our commitment to nurturing the diverse talents of our students, recognizing that creativity, discipline, and passion are as vital as academic achievement.

We view these scholarships not only as recognition of exceptional ability, but also as a platform for students to grow as leaders, collaborators, and ambassadors of the school's mission, vision, and core values. Through this program, TCIS empowers students to pursue their passions with integrity, resilience, and a commitment to personal and collective excellence.

## Eligibility

1. Scholarships are open to ALL currently enrolled students or students accepted for enrollment at **TCIS**.
2. Applicants may demonstrate their experience and exceptionality through participation in sports or creative and performing arts either within TCIS school programs and National or International through external or community-based activities.

3. Applicants must demonstrate outstanding skill, talent, or achievement in one of the following areas:
  - Sports (athletics, team sports, or individual sports)
  - Art (visual arts, design, or related fields)
  - Music (instrumental, vocal, composition, or performance)
  - Drama (acting, dancing, film, screenplay)
  - Outstanding performance in other extracurricular activities requiring significant dedication and practice
4. Students must maintain high academic progress and uphold the school's code of conduct.

## **Application Process**

- Students must submit a formal scholarship application by the published deadline (September 15, 2026 10:00 AM).
- Applications should be submitted with a portfolio and paper to Ms. Muay (Dr. Michael's secretary) and must include:
  - A personal statement outlining the student's achievements, goals, and commitment in their field, and an explanation of how their experience and achievements connect to school SLOs.
  - A portfolio, performance recording, or evidence of participation from within 2 years of the application date (e.g., awards, competition results, exhibitions, or concert programs).
  - An external teacher or coach recommendation letter.
- Shortlisted applicants **may** be invited for an interview, audition, or skills demonstration.

## **Selection Criteria**

Scholarships will be awarded based on the following considerations:

- Dedicated participation in TCIS activities, including Week Without Walls.
- Demonstrated excellence in the chosen field.
- Consistent commitment and dedication to developing skills.  
Contribution to school life (e.g., representing the school in competitions, performances, or exhibitions).
- Potential for further growth and leadership in the field.

## **Scholarship Awards**

1. Scholarships will amount to THB 30,000, credited directly to the student account.
2. The award is valid for one academic year.
3. The number and value of scholarships awarded each year will be determined by school leadership based on available resources.
4. Only one scholarship per student is issued.
5. Students are welcome to apply for scholarship renewal each year. Please note that all applicants will participate in the annual selection process, and scholarships are not automatically renewed.

## **Administration**

The Scholarships Committee, chaired by the Head of School and including all senior administrators, will review all applications, conduct assessments, and make recommendations. Final decisions will be approved by the school Board.

**TCIS** 

Dear TCIS Family,

**31 Year Anniversary of our Wonderful School**

We are proud to celebrate 31 years of TCIS— reflecting more than three decades of growth, achievement, and community.

Following the celebration of our 30th anniversary last year, we have continued to build on that success and invest in the future of TCIS. Extensive elementary classroom remodels and campus-wide improvements have defined the past year, creating enhanced spaces for our students and teachers to learn, grow, and thrive.

While our campus continues to evolve, our commitment to excellence, personal growth, cultural diversity, and a strong sense of community remains at the heart of TCIS. I am deeply grateful to our students, parents, faculty, staff, and Foundation Board for making TCIS the special community it is today. I look forward to all that we will accomplish together in the years ahead.

**Elementary Online Learning Day**

On **Wednesday, September 9th, 2026**, elementary students in Grades 1–4 will remain at home and participate in a day of online learning. This opportunity will allow students and teachers to practise our online learning routines and become familiar with the expectations and tools needed for successful online learning.

Practising these routines in advance will help ensure that we are prepared to transition smoothly to online learning should an unexpected situation arise. **Please Note:**

- **Students in ECE** will come to school as normal on Wednesday, September 9th, 2026.

Dear High School Parents,  
We have a number of upcoming events this month including E-Learning Day, University Fairs, and Spirit Week. Much to look forward to.

**World Scholar's Cup**

We would like to start by congratulating our students who recently competed in the WSC Global Round as they qualified for the Tournament of Champions at Yale. We are very proud of Kingstion, Pob, Book, Roy and Prize from grade 9 and Alan from Grade 6. Well done!

**E-Learning Day**

We have our E-Learning Day this Wednesday, September 9th. High School students will attend classes online as we prepare to keep learning going in the event of a school closure. Please be reminded that students need to be on time to their classes online and will need to be in their school uniform with cameras on. We ask that parents provide a quiet place for study with no distractions during this E-learning experience. [Click here](#) for the [Student Presentation of Expectations](#) that was explained during an assembly.

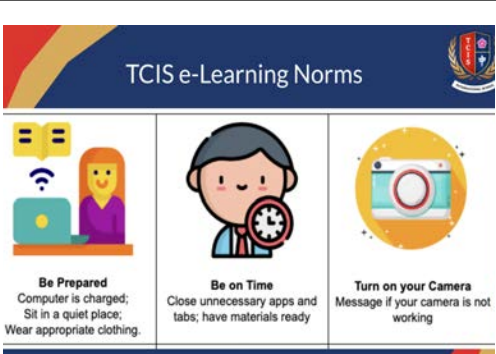

**University Fairs**

We have a series of University Fairs happening for our students as you can see in the schedule below. On September 16th we have a huge college fair field trip in which we will be taking students to Patana. There will be schools from US, Canada, Europe and Asia so a great opportunity to explore university programs, admissions and scholarships that these institutions offer. Please make sure your grade 12 child gets their permission form by Monday, September 7th. TCIS will be hosting a Thai University Fair on September 29th in which we invite our high school parents to attend. It will be held in the 5th floor gym.

**Upcoming Events**

- Sept 8: U.S. Uni Fair (1:15pm-2pm) G11-12
- Sept 9: E-Learning day
- Sept 14: Teacher PD Day
- Sept 16: Uni Fair G12 (8:50-11:45) @ BPS
- Sept 18: Spirit Week Performance

## ECE/ES Counselors Corner:

Dear TCIS Family,

This week was all about getting to know the little ones in the ECE class!

The week began with smiles and laughter from the ECE children, each one bringing their own unique charm and sweetness. Over the past week, there were plenty of chances to talk, revealing a wide range of personalities, curiosity, confidence in expressing themselves, and each child's own distinct character.

Some love drawing, some love storytelling, some love running around outdoors, and others prefer sitting quietly, taking in their surroundings with quiet attention. Every moment spent together was a valuable chance to understand each child a little better.

Getting to know the children right from the start of the term like this marks an important first step, as it will make it possible to care for and support their development in a way that's even better suited to them in the long run.

Kind regards,

TCIS Counseling Team

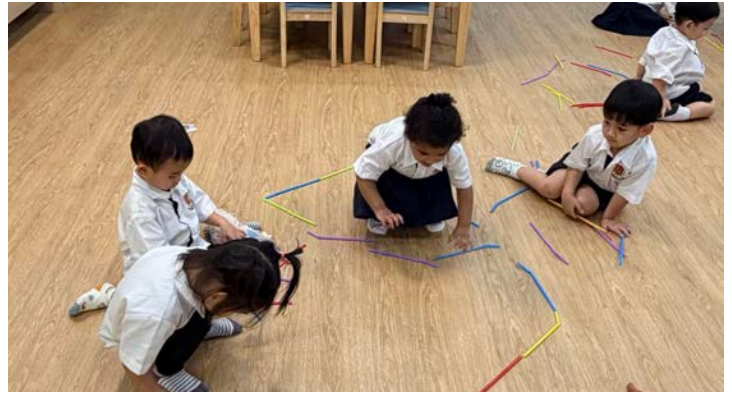

### Mr. Zen Enjoying Getting to Know Our Young ECE Students

Dear Parents,

PK2 students are adjusting really well to school and are becoming more comfortable and confident in their new environment. They seem happy and excited to go to school each day and are enjoying the different activities and experiences that school has to offer. They are developing a genuine interest in learning and are enjoying discovering new things through classroom activities, stories, games, and hands-on experiences. It is lovely to see them becoming more independent and participating more actively in their daily routines.

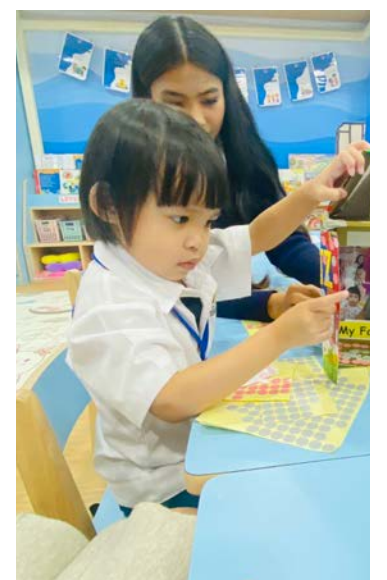

Dear Parents,

Our PK3 learners are slowly adapting to our classroom routines and becoming more comfortable each day. Through our All About Me unit, they are learning what makes up a family and understanding that families can be different and special. Hands-on activities, songs, and rhymes make their learning fun and engaging. With gentle guidance and encouragement, they build confidence, follow routines, and become more independent each day.

Dear Parents,

It has already been one month since the school year began! We are so happy to see the students slowly getting used to their school routine and enjoying the classroom activities. Last month, we completed our "All About Me" topic. The students can now introduce their family members in Chinese and sing a Chinese song about body parts. They have done such a wonderful job! Next month, our topic will be "Plants and Me." We can't wait to explore nature and learn more about plants together!

Dear Parents,

Watching our PK 3C students explore, learn, and make new friends, warms my heart. They are getting to know one another while building confidence in their new classroom. Through songs, dance, and fun hand and body actions, they are learning new English words in an enjoyable way. As the weeks go by, the children are becoming more independent, choosing their own activities during choice time and expressing their ideas, needs, and feelings through words, gestures, and body language. It is lovely to see their confidence grow as they learn, communicate, and enjoy playing together each day.

Dear Parents,

PK4 is doing wonderfully! The children are settling in beautifully, becoming more confident each week, and happily sharing their ideas, stories, and experiences with their friends and teachers. We have been practicing name writing, letter sounds, sight words, numbers 1-10, quantities, and shapes. We also talked about families and the Five Senses, giving the children opportunities to share what they know and explore the world around them. The children also showed fantastic teamwork, cooperation, and determination while working together to create a triangle with their bodies! Stay tuned to see what other shapes these wonderful children will create together! Great job, PK4 keep up the amazing work!

Dear Parents,

Our PK4 students are gradually becoming more familiar with their new routines. Each day, they practice being independent by cleaning up and organizing their own spaces, while also trying different activities in the classroom.

This week, our theme is "My Body." Through movement, songs, and hands-on craft activities, the children are building their Chinese listening and speaking skills step by step.

We are happy to see their progress and growing confidence. Way to go, PK4!

Dear Parents,

We are so happy to see how well our PK4 students are settling into their new routines! They are becoming more comfortable and confident each day, making new friends, and enjoying time with their classmates. In **English**, students have been doing a great job learning and practicing our focus sounds **S, A, T, P, I, and N**, along with their Jolly Phonics actions. In **Math**, we have been reviewing **counting to 10, colors, and shapes** through fun and engaging activities. We are very proud of the progress our students are making and look forward to another wonderful month of learning and growing together!

Dear Parents,

What a wonderful and exciting first month in Kindergarten! Our young learners celebrated their learning journey at their very first ECE Assembly and have been settling into routines, making friends, and growing in confidence. Through hands-on learning and engaging activities across all classes, our children have been developing their letter-sound correspondence, reading CVC words and simple sentences, and learning about the parts of books and how to care for them. Our young writers are discovering that writing begins with thinking, creating, and sharing ideas. In Math, we have been exploring numbers to 10 and comparing numbers as the same, greater than, or less than. In Science, we have been discovering how animals stay safe and how birds use twigs and leaves to build nests. We are so proud of our young learners and their curiosity, creativity, and enthusiasm for learning!

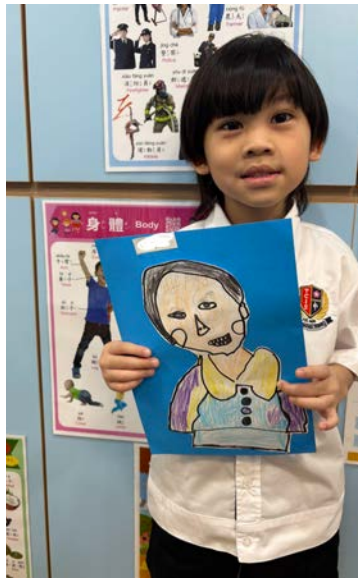

Dear Parents,

It has been a busy and exciting first month in Kindergarten. Our students are becoming more comfortable with their new routines and are making new friends along the way. In Chinese class, we have started exploring Pinyin and Zhuyin, learning initial and final sounds and practicing how to blend them together. This is a new challenge for our young learners, and they are doing a great job trying their best. This month, our students also had their first ECE Assembly, which was a wonderful new experience for them. We are proud of how much they have grown and look forward to more learning and fun together.

Dear Parents,

Our kindergarteners have had a fantastic start! They are building classroom routines, making friends, and developing independence. In Reading, students are exploring letters, sounds, stories, and early writing. In Math, they are counting, recognizing numbers, comparing quantities, and exploring shapes and patterns. Through hands-on activities, they are strengthening communication, problem-solving, and fine-motor skills. Students are also learning to listen carefully, share ideas, take turns, and work together as a classroom community. They are becoming confident learners who are excited to explore, discover, and grow each day!

Dear Parents,

**PK3:** This month, PK3 students learned through play while developing good habits and manners. They practiced raising their hands before speaking, playing and cleaning up together, and showing respect through the Thai wai.

**PK4:** This month, PK4 students learned the Thai consonant **ก** through exploring nature. They observed leaves, learned how trees grow, and shared their ideas.

Dear Parents,

PK2 are learning about colors through fun activities. We enjoy sorting, coloring, matching, and playing color games. Learning through play makes every lesson fun and exciting! In Thai class, KG are learning about Thai vowels. We read, write, and spell to practice our language skills. Every day, we learn and improve step by step.

Dear Parents,

Recently, our PK2 students have shown great enthusiasm for learning in Chinese class! We have been learning about colors and singing the “Watermelon Song,” while also enjoying activities that help develop their fine motor skills. We also learned the song “I Like” to practice expressing what we like in Chinese. We also sang “Happy Birthday” in Chinese to celebrate TCIS’s 31st anniversary!

Every day at school brings new learning experiences for these little ones, and it is wonderful to watch them explore, learn, and grow!

This week, our PK2–KG students created wonderful artworks inspired by the storybook “The Dot”. Each grade explored different techniques using lines, shapes, colors, and textures.

PK2 students enjoyed brush painting and circle collages using different textures. At the same time, PK3 created circle silhouettes by stamping, PK4 drew, painted, and printed circles of various sizes from different materials, and KG students explored concentric circles inspired by Wassily Kandinsky.

Their beautiful artworks will be displayed next week. We are so proud to see our young artists creating with confidence, imagination, and courage through their wonderful use of lines and colors!

## Personal Data Protection Act (PDPA)

### The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.  
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

| Personal Data                                                                                                                                                                     | Sensitive Data                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons. | Any personal data pertaining to: <ul style="list-style-type: none"><li>• racial or ethnic origin</li><li>• political opinions</li><li>• religious or philosophical beliefs</li><li>• sexual behavior</li><li>• criminal records</li><li>• health data, disability</li><li>• trade union information</li><li>• genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.</li></ul> |

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get

consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

## Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
