	26	27	28	29	30	22	Parent Teacher Conferences (No students) : 22 October

Dear TCIS Family,

This week, more than anything, we want to say thank you. The past several days have required an extraordinary amount of flexibility from everyone in our community. Families adjusted between on-campus and online learning, waited patiently while we monitored changing conditions, and adapted plans often with very little notice. We know these changes affect transportation, work schedules, family routines, and much more, and we are sincerely grateful for your patience and understanding.

That flexibility extended well beyond the regular school day. The October 3 SAT had to be postponed to October 17, and our chess tournament scheduled for last week was moved to this week. Events, activities, transportation, and learning plans have all required adjustments. Through it all, our students, families, teachers, and staff have continued to adapt and move forward together.

We are especially thankful for our Grade Parents, who have stayed in constant communication with us and helped us better understand the experiences and concerns of families across the school. We also want to recognize our teachers and staff, who repeatedly adjusted lessons, schedules, activities, and plans while continuing to focus on providing the best possible experience for our students. Our sincere thanks also go to Mr. Frank and our Foundation Board for their continued support throughout these challenges.

At the same time, there is a great deal of positive momentum across campus. Construction on our new buildings is progressing very well, and it is exciting to see the continued development taking shape week by week. These new spaces represent another important step forward for TCIS and for the future opportunities we will be able to provide our students.

This is also our final week before October Break, and we are looking forward to ending it on a very special note. On Friday, we will come together for a schoolwide celebration recognizing Double Ten Day, or 10/10 Day, an important Taiwanese celebration and a meaningful part of our school's Chinese and Taiwanese heritage. After such an unusual and demanding few weeks, it will be wonderful to finish the week by celebrating together as a community before everyone enjoys a well-deserved October Break.

Regards,

Dr. Michael

Dear TCIS Families, Students and Faculty & Staff,

TCIS Double Tenth Day Celebration

On **Friday, October 9th, 2026** will be TCIS's Double Tenth Day Celebration.

We warmly invite all parents, students, faculty, and staff to join us in celebrating this special occasion.

Dress Code: Students, faculty, and staff are encouraged to wear appropriate red attire to help create a festive atmosphere. (No sports shirts). Students who do not wish to wear red should wear their TCIS uniform.

 Event Schedule:

7:15 a.m. | Dragon Dance Performance

- All students, faculty, and staff are invited to gather at the soccer field to enjoy the Dragon Dance performance.

9:20 a.m. | Flag-Raising Ceremony

- Grades 1–12 students, faculty, and staff are asked to gather at the basketball court for the flag-raising ceremony.

9:40–10:40 a.m. | Celebration Performances

- Everyone is invited to the 5F GYM to enjoy the performances.

Let's celebrate Double Tenth Day together by wearing red and sharing in the joy and festive spirit of this special occasion!

If it rains, we will cancel the dragon dance and raise the flag. Everyone will go to Gym 5 at 9:20am.

We look forward to celebrating with everyone!

Regards,

Mr. Tony

Formosa—茉莉與玫瑰 Contemporary Dance - TTASCA

Dear TCIS Family,

Online Learning

Thank you so much for your understanding and support as we moved to online learning last week due to the flooding in Bangkok. Safety is always our top priority. We truly appreciate the time and effort you put into supporting your children during this change. We understand the challenges that may come with online learning, but your encouragement and support made a real difference in helping our students stay engaged and connected with their learning. We are very grateful for your partnership

and understanding during this time.

Thank you once again for your continued support and cooperation.

Double Ten Day - Thursday, October 9th, 2026 - Parents Invited

We are excited about our upcoming Double Ten Day celebration on **Thursday, October 9th, 2026** and look forward to welcoming our honored guests. Thank you to Mr. Tony, all our Chinese teachers, and to our students and support staff for all the hard work they are doing preparing for this event. **Parents are invited** to join and watch the morning 7:15am dragon dance, as well as the 9:20am flag-raising ceremony, and the 9:40am performances in Gym 5. If it rains, the dragon dance will be canceled and everyone will go to Gym 5 at 9:20am.

[Double Ten Day Event](#) [Double Ten Day Clothes](#)

Parent Teacher Conferences - Thursday October 22nd, 2026

Parent Teacher Conferences will take place on **Thursday October 22nd, 2026**. This year, we used our new reservation system, and it seemed to be very popular with parents! If you still need any assistance, please drop by the ECE/elementary office or call Ms. Da's office, and she will assist you. There are no classes for students on that day.

Kind regards,

Dr. James james.cooke@tcis.ac.th

PK3 Parent-Invited Seed Planting Event

Double Ten Day Clothes

Dear Parents,

On Friday, October 9th, 2026 we will celebrate Double Ten Day. This is an important day at TCIS. Students are encouraged to wear red or gold formal wear or red and/or gold traditional clothes. If your child does not have red/gold formal or traditional clothes, they may wear their white TCIS uniform. **Please Note:** Wearing red sports clothes or team uniforms is not considered appropriate clothing.

Samples of Double Ten Day Clothes

Dr. Richard's Message

Dear Middle School Parents,

This week, as the flood water rose, so did our middle school community's resilience and adaptability. Our students took full advantage of continuing to learn online. Their teachers shared a lot of positive feedback on their positive interactions and respect. Thank you, parents, for working with your child during this difficult time.

On Wednesday, the school closed, giving staff time to return and clean and repair. Some teachers were also able to return to prepare for the uncertainty.

On Friday, we closed with an online assembly. Our Student Council said they wanted to take on the challenge and create a fun team-building event to close out the week. They also shared house winners from Spirit Week and individuals who earned SLO Honor Cards for their house.

Our drama students planned to perform this Friday, but online learning changed that. However, they wanted to be risk-takers and to try the performance online with everyone in different places. This was a huge challenge, but the performance was excellent. The students lived up to the saying, "The Show Must Go On!"

One final activity was for students to leave a comment on how they helped someone, or how someone helped them. Parents were featured in many of the comments! We took a group picture to remember the moment.

- **OCT 07 (Wed):** PSAT for Grade 8 | Room 560 (7:00 AM – 11:00 AM)
- **OCT 10:** Double 10 Day Celebration (Students wear Red)
- **OCT 20 (Tue):** PSAT Makeups for Grades 8 & 9 | Room 354 (7:00 AM – 11:00 AM)
- **OCT 20 (Tue):** [Thai University Fair 2026](#) | 5th Floor Gym (Grade 8 Advisory)

Please return Week Without Walls permission slips with the medicine form (even if your child does not take medicine). Also, Student Council is collecting 200 Baht for the house shirts they designed. They will use these house shirts for various activities, including Week Without Walls, Sports Day, and Wolf Days.

Kind regards,

Dr. Richard E. Poulin III
Head of Middle School

Grade 5 Drama Performance - ONLINE EDITION!

Thank you Mr. Yu Da and Ms. Phoebe, for encouraging the students this quarter. Students had a noticeable improvement in their English, presentation skills, creativity, and more!

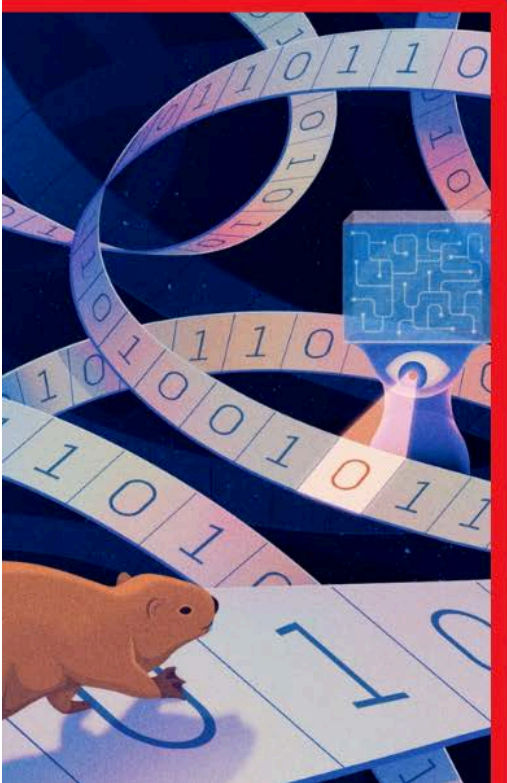

Check out this amazing online performance that the Grade 5 students decided to replace a live performance. Their ability in this format only makes me wonder how amazing a live performance would have been.

 [Enjoy The Show](#)

Future engineers and computer science majors in Grades 5-10 are encouraged to join Waterloo's Beaver Computational Thinking Tournament. This will test students' problem-solving skills. This fun, competitive tournament is a great opportunity for students to enhance their portfolio.

Students can register in their Google Classroom on Monday. The fee to join is 200 Baht.

BEAVER COMPUTING CHALLENGE

Are you ready to solve fun, interactive logic puzzles?

Who: Grade 6–10 Students
Fee: 200 Thai Baht
Test Date: November 10, 2026

**Test your computer science concepts
and problem-solving techniques!**

Practice Sessions: Mondays during Advisory

Deadline: October 07 (Register & Pay)
Register via your Grade-Level Google Classroom

Dear High School Families,

We know this past week has been difficult for many of our TCIS families. The floods have affected parents, students and our staff. We hope that all members of our community are safe and have recovered from any flooding that they may have endured. The safety and well-being of our community is always a priority at TCIS.

Week Without Walls

Students need to return their trip permission forms completed by their parents. We would like to remind Thai parents of travellers that they must obtain a letter of consent form from their government office and submit it along with a copy of their child's birth certificate for travel. Students going to Japan and Korea who are Chinese or Burmese will need to obtain a visa for those trips.

PSAT

Grade 10 students will have PSAT testing on Monday, October 5th, starting promptly at 7:30. Grade 9 PSAT tests will occur on October 8th at 7:30. These tests will start on time so please make sure your child arrives early so they can be ready to start on time.

SAT

Due to the flooding the SAT test was postponed. The College Board has designated the new SAT date as October 17, 2026. We sincerely apologize for the inconvenience and disruption this may cause to your holiday and travel plans but this is obviously beyond anyone's control. Should your child not be able to attend the makeup date, you should contact the College Board directly regarding your registration.

Please note the following critical details regarding your registration and upcoming opportunities:

- **Notifications:** The College Board will officially notify each student registered at our testing center to inform them of the closure and rescheduling the exam.
- **Rescheduling:** The College Board will automatically reschedule all registrants to October 17, 2026.
- **Preparation:** Students must complete the digital exam set-up again 1-5 days before the makeup administration date to receive their updated admission ticket.

Upcoming Events

- **Oct 5:** PSAT G10 (MS6F - Blocks 1-2)
- **Oct 6:** PSAT Make ups G10 (354 - Blocks 1-2)
- **Oct 7:** Ritsumeikan Asia Pacific University visit (G11-12) @360
- **Oct 8:** PSAT G9 (MS6F - Blocks 1-2)
- **Oct 9:** Double Ten Celebration (9:20-10:40, [Poster](#))
- **Oct: 17:** SAT at TCIS
- **Oct 20:** PSAT Make ups G8/G9 (354 - Blocks 1-2)
- **Oct 20:** 🇹🇭 Thai University Fair 2026 @5th Floor Gym (1:00-3:00 P.M.)

Have a great week!

Dear TCIS Family,

Post-Flood Cleaning and Safety Measures

School Premise :

Following the recent flooding at the school, the General Affairs (GA) Department conducted a thorough inspection of classrooms and common areas once the floodwater had receded. A comprehensive checklist was used to assess each area for cleanliness and safety.

All classrooms and furniture were thoroughly cleaned and disinfected. In addition, the GA Department urgently coordinated with a professional pest control company to carry out mosquito spraying throughout the school premises before classes resumed on Monday.

These measures were taken to ensure that the school environment was clean, safe, and ready for students and staff to return.

Canteen Cleaning and Preparation :

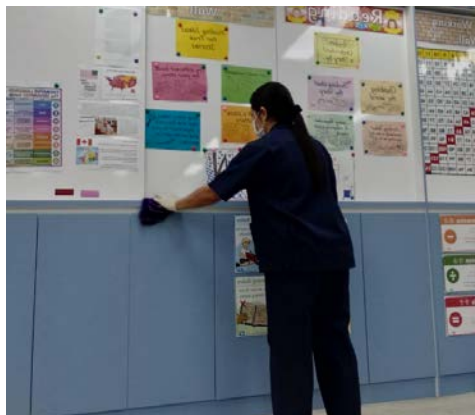

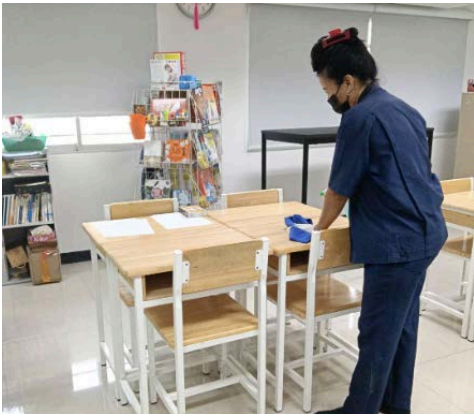

Following the recent flooding, the canteen staff returned to the school to prepare the canteen for reopening. They thoroughly cleaned and disinfected the food preparation areas and kitchen to ensure that all areas were clean, hygienic, and ready for use before students and staff returned to school. For the first week back, there will be some minor changes to the meal menu to accommodate the availability and delivery schedules of ingredients from the canteen's suppliers. The canteen team will continue to ensure that meals are prepared safely and meet the school's standards.

New LED Display on the 6th Floor

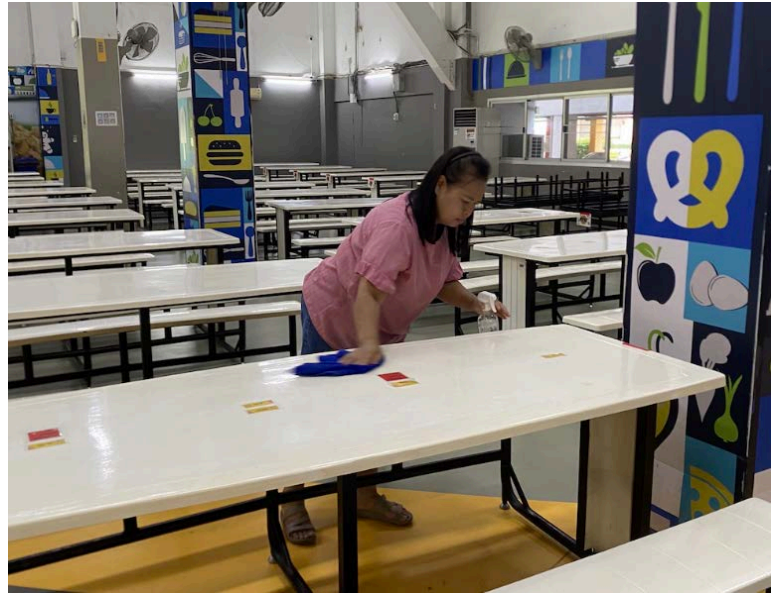

The school has installed a new LED display on the 6th floor of the Middle School Building, replacing the existing projector. The new display will provide a clearer and more reliable visual experience and will better support a variety of student activities, presentations, and school events.

KEEPING CHILDREN SAFE IN EDUCATION WHAT YOU NEED TO KNOW

A child means
everyone under
the age of 18.

Children need the
right help at the right
time to address risks

Remember 'it could happen
here' where safeguarding
is concerned.

We are all responsible for
the welfare of children and
keeping the environment
safe, whatever our job.

TCIS School-Wide Learner Outcomes: Part of Everything We Do

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Optimistic Risk-Takers

Resilient learners who face challenges with confidence, take thoughtful risks, and grow from experiences, striving to make a lasting, positive impact.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Dear Parents,

PK2 students are happiest when they have opportunities to learn, explore, and play together. Through group play and shared experiences, they naturally develop important skills such as communication, cooperation, problem-solving, and independence. As they interact with their friends, they learn how to share, take turns, express their feelings, and understand others.

Dear Parents,

September was a wonderful month, full of exciting experiences! From engaging classroom learning to fun Spirit Week participation and a successful Parent Invite activity, our students enjoyed a month filled with learning, sharing, and making special memories. Our hands-on activities gave them wonderful opportunities to explore, create, discover, and learn through meaningful experiences. It has been a joy to see their confidence grow as they actively participate and enjoy learning together. We look forward to more wonderful weeks filled with learning, growth, and joyful moments.

Dear Parents,

September was a joyful month filled with learning, creativity, and fun! We enjoyed a special Parent Invite activity where children and their families planted seeds together. We also celebrated the Mid-Autumn Festival with a fun pretend BBQ experience using toy food and grills, and made mooncakes with clay. It was wonderful to see the children exploring, creating, and learning together. Thank you to our parents for joining us and making these experiences special!

Dear Parents,

This month has been filled with hands-on learning and exciting discoveries! Our children explored creative ways to form letters using popsicle sticks, playdough, and cubes, developing early writing skills while strengthening their fine motor coordination. A special highlight was our parent-child seed planting experience. Planting seeds together was a memorable opportunity for children and families to connect, learn, and explore how living things grow. The children enjoyed getting their hands in the soil and discovering that, just like people, plants need care and the right conditions to grow.

Dear Parents,

PK4A has been having a wonderful time learning, exploring, and enjoying our Spirit Week together! Alongside all the fun, we have been busy building important skills and making great progress. We continued working on letters and their sounds, and the students have made wonderful improvement in identifying beginning sounds. We also explored shapes and numbers through hands-on activities. One of our favorite activities was working together to use our bodies to create different shapes while lying on the mat! We also explored the five senses and learned more about "All About Me," discovering what makes each of us special and unique. It has been a busy, fun, and productive month filled with learning and laughter. Well done, PK4 A! We are so proud of you!

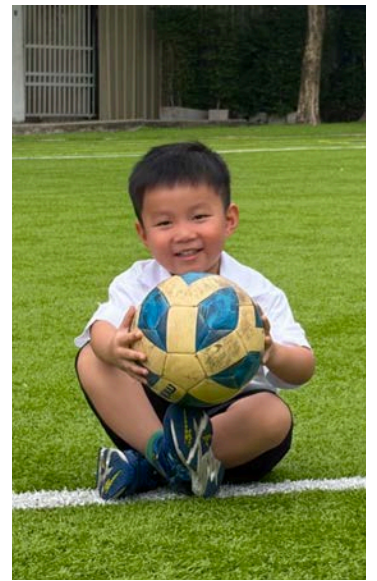

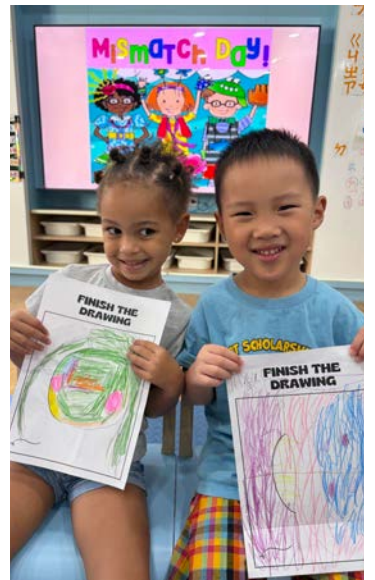

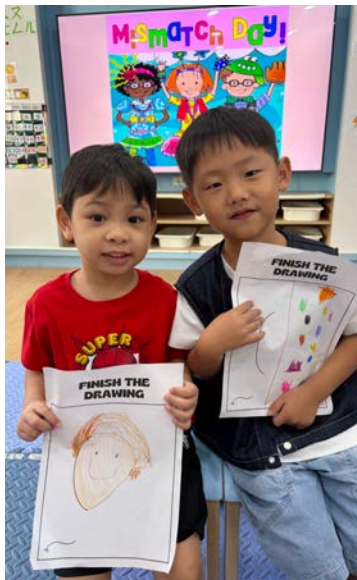

Dear Parents,

This month, our PK4 students explored the themes “My Emotions” and “My Family.” They learned to express their thoughts and feelings and enjoyed sharing stories about their families and daily lives. We also had a wonderful time during Spirit Week! Each day, the children showed their creativity and enthusiasm through different activities. They are becoming more comfortable joining school-wide events and are showing great adaptability as they grow into the PK4 community.

Thank you for your continued support. Way to go, PK4!

Dear Parents,

Our PK4C students have been busy learning and exploring! We have been learning about the five senses, including going on a scavenger hunt using binoculars the students made and exploring our sense of touch by walking across different textures. Students have also continued learning their letters through hands-on activities using playdough, popsicle sticks, and other materials. It has been wonderful to see how much the students are learning, growing, and enjoying their time in PK4C!

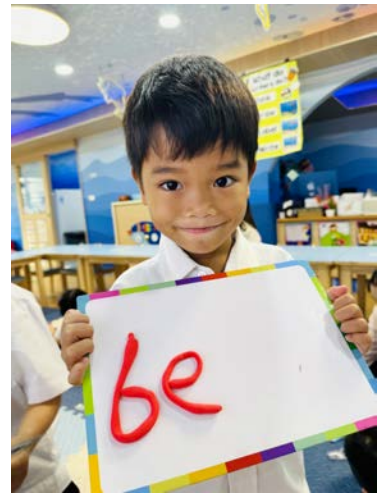

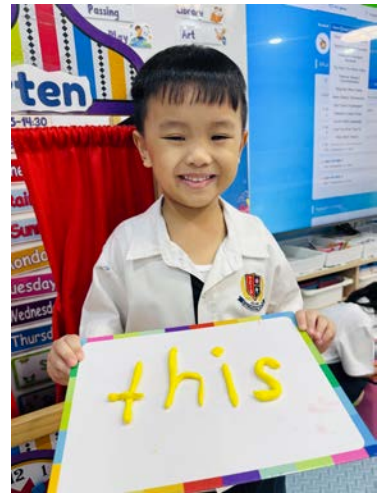

Dear Parents,

What an action-packed month in KGA! Time flew by as our students enjoyed Spirit Week—dressing up for Pajama, Mismatch, Career, and Tacky Tourist Days—while diving into rich, hands-on learning across every subject. In math, the children explored ways to make numbers up to 10 and practiced simple addition with hands-on materials, while in phonics they mastered CVC word sounds and built sight words using playdough, pipe cleaners, and other hands-on supplies and tools. A major milestone this month was completing their very first writing pieces, where they crafted simple sentences using capital letters, finger spacing, correct punctuation, and making sure their ideas made sense! Beyond literacy, they investigated how animals build homes and stay safe, and brought love and appreciation to the classroom on Wai Kru Day by handcrafting paper bouquets and cards for their teachers. What a wonderful month of learning, growth, and joyful memories together!

Dear Parents,

Last week, our kindergarteners learned about the Mid-Autumn Festival. We listened to a story about the festival and learned about some Chinese traditions and customs. The children learned that families often get together, watch the full moon, and enjoy mooncakes during this special holiday. We also had a fun Spirit Week at school. Kids enjoyed showing their personalities and wearing outfits they liked. It was wonderful to see their smiles and creativity.

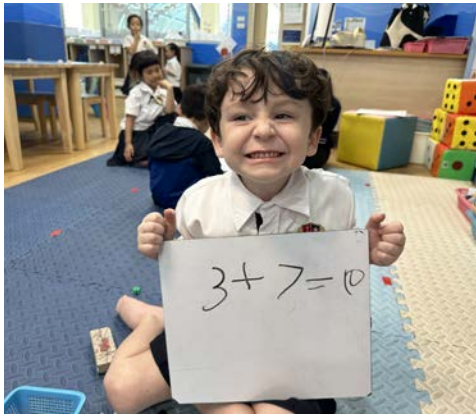

Dear Kindergarten Families,

What a wonderful month of learning and discovery in KGC! Our young scholars explored number combinations up to 10 and practiced simple addition through engaging, hands-on activities. In phonics, they strengthened their CVC decoding and sight word recognition using creative materials such as playdough and pipe cleaners. A special achievement this month was completing their very first writing pieces, applying capital letters, finger spaces, correct punctuation, and meaningful sentences to express their ideas. In science, students investigated animal habitats, discovering how animals build shelters and protect themselves. We also celebrated Wai Kru Day, creating handmade paper bouquets and heartfelt cards to show appreciation for their teachers. We are incredibly proud of our learners' growing confidence, creativity, and independence!

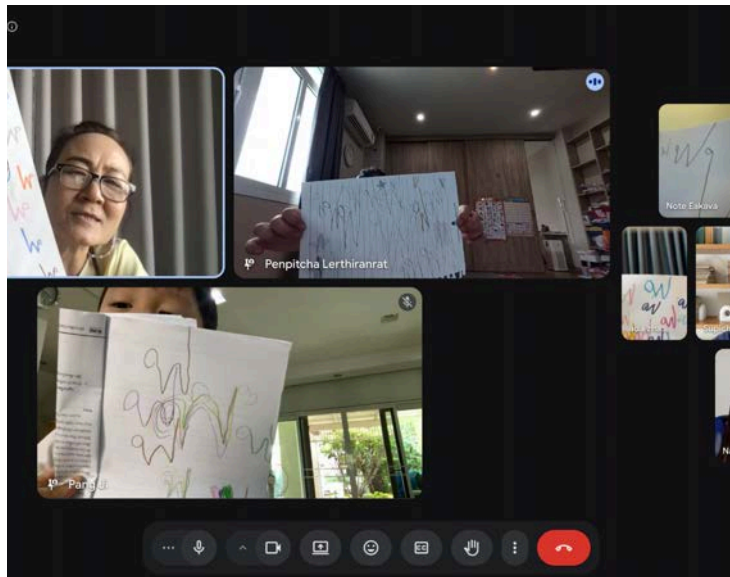

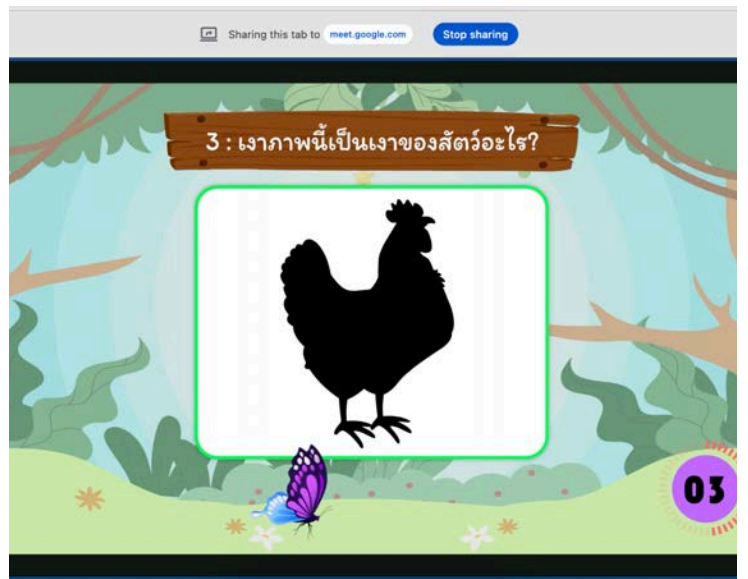

Dear Parents,

Fun & Engaging Online Learning – PK3 & PK4 🌈

Our PK3 and PK4 students enjoyed a variety of fun and engaging activities during their online learning sessions. They listened to stories, competed in vocabulary guessing games, played Bingo, and drew pictures of things they liked. They also practised writing Thai consonants using colourful rainbow colour.

Learning online was full of fun, creativity, and joyful moments!

Dear Parents,

Happy Teacher's Day from the Thai Department! This week, we celebrated Wai Kru Day by learning about the meaning and traditions behind this special occasion. Our students also shared their love, appreciation, and gratitude with their teachers through heartfelt cards. Wishing all of our wonderful teachers lots of happiness, love, and joy. Thank you for everything you do for us!

Dear Parents,

Recently, our PK2 students have been learning Chinese numbers 1-5. We also introduced the traditional Chinese Mid-Autumn Festival (Zhongqiu Jie) and shared a simple version of the story of Chang'e flying to the moon (Chang e ben yue). We read a picture book about mooncakes and did a fun craft together.

The students are doing a great job! Through learning Chinese in an immersive environment, they can understand and learn even more.

Dear Parents,

Our PK4 and Kindergarten students have been busy learning that there are MANY ways to get from Point A to Point B! From hopping and skipping to jogging, sliding, jumping, and everything in between, our little athletes have been exploring different ways to move their bodies safely and confidently. We've seen plenty of big jumps, tiny steps, speedy jogs, and the occasional movement that looks like it was invented on the spot! Most importantly, our youngest Wolves are building confidence, coordination, and a love for moving while having a whole lot of fun along the way.

Personal Data Protection Act (PDPA)

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: • racial or ethnic origin • political opinions • religious or philosophical beliefs • sexual behavior • criminal records • health data, disability • trade union information • genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

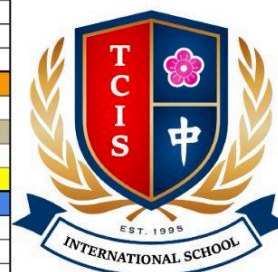

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.

Nurse Arisara Suktrakool (Yok)
