Dear TCIS Family,

Exciting things are happening behind the scenes as we continue preparing for the future of our school. Mr. Frank and the Board are working tirelessly to ensure that TCIS remains the top school in Bangkok, providing the resources and support necessary for our students to thrive. From upcoming projects around campus to strategic planning, their dedication is paving the way for continued excellence.

A key part of our success is the incredible teachers we bring into our community. We have recruited some amazing educators for next year, and I can confidently say that they will bring fresh perspectives, energy, and expertise to TCIS. As we continue to grow, so does the quality of learning, engagement, and opportunities for our students.

This week, I had the privilege of attending a Grade 10 IBDP workshop, where Teacher Ann and Ms. Jasmin led an insightful discussion on the IB Learner Profile and International Mindedness. It was inspiring to see our students reflect on these essential elements of an IB education and connect them to their own learning journeys.

I also had the opportunity to attend an Elementary School assembly, and it was truly heartwarming to see students take center stage. The entire program, including interviews, was 100% student-created and narrated—showcasing their confidence, creativity, and communication skills. Seeing our young learners take such ownership of their work reinforces the importance of a student-centered approach at TCIS.

Additionally, we were honored to welcome administrators from National Taipei University of Technology to our campus this week. Their visit opened up exciting discussions about future opportunities for our students, including a potential Robotics Camp. These partnerships further strengthen the pathways available for TCIS students to explore innovation and higher education.

Thank you all for your continued support as we move forward with exciting developments. The future of TCIS is bright, and I look forward to sharing more updates soon!

Regards

Dr. Michael

Dear TCIS Family,

**IELTS Testing at TCIS**

I am excited to announce that TCIS is now an IELTS testing center. As an IELTS testing center, we are an officially recognized location by the British Council where our students can take the International English Language Testing System (IELTS) exam. Our school will provide a controlled environment for testing, ensuring that the exam is conducted according to international standards. Universities often look for acceptable IELTS exam results for students when applying to attend their universities. On **Saturday, May 17th, 2025**, we will offer free mock exams for students who register on a first-come, first-served basis. Please contact the high school office for more information.

**Taiwan University Trip**

Also during the Parent Coffee Morning, Mr. Tony, Mr. Kevin, and I presented the Taiwan University Trip to our parents. Taiwan is always a popular choice for our students to attend university, and this trip is an invaluable way to spend time in Taiwan's top 5 universities, as well as seeing some of Taiwan's famous destinations. [Taiwan University Trip Poster](#)

**Alumni Career Day**

From **9:00am to 11:00am, on Thursday, April 24th, 2025**, we will hold an Alumni Career Day. We are excited to reach out to our alumni to join us on this day and share your career journey with our students and share how TCIS helped to prepare you for university and your career. This event will be open to students from grade 8 to grade 12 and is sure to provide them with invaluable insight from others who took the same journey. [Alumni Career Day Event](#)

Dear TCIS Family,

### Parent Teacher Conferences - Friday, March 14th, 2025

We will hold our Parent Teacher Conferences on **Friday, March 14th, 2025**. If you have not already done so, kindly make an appointment to see your child's homeroom, Thai, Chinese, art, ELL, music, and/or PE teacher. I am also available to meet with you on that day. Just drop by my office or make an appointment. Call Ms. Da if you would like to set any appointment slot.

### SLO Assemblies

During our SLO assembly last week, we presented awards to students who presented outstanding characteristics of being Responsible Global Citizens. It's important for young students to be responsible global citizens because it encourages understanding, empathy, promotes sustainability, and prepares them to be proactive young leaders in the world. We also presented students with Thai, Chinese, art, music, and PE certificates. The SLO assembly coincided with our non-uniform day. The theme of the day was Anime Day, and students had lots of fun dressing up as their favorite anime or cartoon characters. Our non-uniform days are always popular, and they play a key role in strengthening the sense of community within our school. [ECE Assembly Photo](#)

### TCIS Taiwan Chinese Language Study Tour

We are excited to offer a Chinese Language Study Tour in Taiwan for students during the summer. The study tour was presented by **Mr. Tony** and **Mr. Morris** during last week's Parent Coffee Morning. The tour is available for students currently in grades 4 to 8. Please click on the links for detailed information. If you have any questions, please reach out to Mr. Morris at [weiyang.zeng@tcis.ac.th](mailto:weiyang.zeng@tcis.ac.th).

Dear Parents,

Thank you to all the parents that came to the Coffee Morning for the Taiwan University and Summer Camp Presentation. We hope you and your child can join as it is a valuable experience to see the facilities and opportunities that are available for TCIS students. In addition, you will hear from TCIS alumni who will give their advice on the best way to transition to university and answer questions. You will also get to tour Taipei. [Click here for the presentation slides.](#)

We will also be hosting the IELTS testing on May 17th, 2025. The cost is 7,650 baht. There are only 25 spots available so you want to sign up immediately to ensure your child's place. Please contact Ms. Catt, Mr. Kevin or Kru Rung if you want to sign your child up.

Please be reminded that **Monday, March 3rd, will be the Chinese Trip to PWS** so make sure your child has returned their field trip permission form if they are participating. For grade 10 parents your child has **PSAT testing on Tuesday, March 4th.** Make sure your child has a good night sleep, breakfast and is at school early as we want to start the testing right at 7:30 am.

Dear Middle School Parents,

We have had a month filled with exciting activities and student achievements! Here are some highlights:

### **Performing with the National Symphony Orchestra of Thailand**

Our middle school students had the incredible opportunity to perform alongside the National Symphony Orchestra of Thailand. It was a memorable experience showcasing their dedication and talent!

### **International Math Competition**

Our students participated in the prestigious International Math Competition, where they competed against students from around the globe. We are proud to share that several of our students earned certificates and medals for their outstanding performances. Congratulations to all participants!

### **Annual Thai Knowledge Bowl**

Our annual Thai Knowledge Bowl was a great success! Students displayed impressive skills and knowledge. Stay tuned for the results in our following newsletter as we announce the winners!

### **Parent-Teacher Conference on March 14**

A reminder that March 14 is a non-school day for students due to the Parent-Teacher Conference. If you cannot book an appointment with your child's teacher, please reach out via email. They will be happy to arrange an alternative meeting time.

### **Taiwan University Trip & Summer Camp Registration**

If you are interested in our exclusive Taiwan University Trip or Taiwan Summer Camp, please don't forget to register your child. These opportunities are a fantastic way to enrich your child's learning experience!

### **TCIS is Now an Official IELTS Testing Center**

We are excited to announce that TCIS is now an official IELTS testing center. If you wish to register your child for our first testing session, please use the following link: [IELTS Registration](#).

*Head of Middle School*

[richard.poulin@tcis.ac.th](mailto:richard.poulin@tcis.ac.th)

Dear TCIS Parents,

As the school year progresses, we want to highlight how daily habits and routines support your child's success. A consistent routine builds confidence, reduces stress, and helps with learning, social skills, and emotional well-being.

### Why Routines Matter

- Boost Learning: Regular study time helps kids stay organized and responsible.
- Reduce Stress: Predictability creates a sense of security.
- Promote Health: Good sleep, nutrition, and exercise improve focus.
- Build Life Skills: Managing time and responsibilities fosters independence.

### Simple Tips for Home

- Start the Day Right: A calm morning sets a positive tone.
- Create Study Time: A quiet space helps kids focus.
- Limit Screen Time: Set clear rules for balance.
- Stick to Bedtime: Consistent sleep improves mood and attention.
- Enjoy Family Time: Strong connections support growth.

### How We Help at TCIS

We reinforce routines in class, teach time management, and support emotional well-being. Need help? Our Student Services team is here for you!

Let's work together to build great habits for lifelong success. Feel free to reach out anytime!

Dear Parents,

Micha, Eddie, Pordee, Tiger and Jing Hong are happy in their learning and are developing essential cognitive, emotional, and social skills that will serve as the foundation for later academic success and meaningful relationships. Their happiness in school and with friends signals a healthy balance of emotional well-being and curiosity, allowing them to enjoy the process of discovering new things, interacting with others, and developing their growing sense of self. Encouraging this happiness with patience, understanding, and positive reinforcement helps lay the groundwork for a lifelong love of learning and strong interpersonal connections.

Dear Parents,

It has been a busy and exciting week in PK3! The children have been actively engaged in our ongoing exploration of animals, learning about different species and their characteristics through stories, songs, and hands-on activities. We also focused on practicing beginning sounds while reinforcing lowercase letter recognition. The children are making great progress and having so much fun learning!

Dear Parents,

We had a wonderful February with PK3B! Together, we learned about ocean animals and celebrated Valentine's Day. We shared adorable heart stickers with our friends, spreading love and joy. The most exciting part was 'fishing' in our classroom! What an amazing and fun month it has been!.

Dear Parents,

The children had exciting weeks of learning, focusing on short vowel "a" word families. They practiced reading, forming sentences, and playing Tic-Tac-Toe using these words, which helped them develop both literacy and strategic thinking skills. Some were new to the game but quickly caught on and became eager to win! We also started guided reading, and the children were thrilled to read leveled books. This will help instill a love of reading at an early stage of life. Additionally, this month was filled with Valentine's Day celebrations, making it both busy and joyful. The children enjoyed festive activities, and the thoughtful gifts were greatly appreciated.

Dear Parents,

Our PK4 students had a wonderful and fulfilling month! We joyfully celebrated the 100th day of school and shared a heartwarming Rose and Chocolate Day together. As part of our celebration, the children made beautiful heart-shaped necklaces, which they gave to someone they love. It was a lovely way for them to express kindness and appreciation.

This month, we have also been exploring the beauty of nature. The children have been learning about animals and plants, distinguishing between farm animals, wild animals, and sea animals. They have also begun to understand the differences between animals and plants. To bring their learning to life, they created adorable dog and flower crafts, which they enjoyed making and sharing with friends.

Dear Parents,

Our kindergarteners brought famous fables and fairy tales to life through puppet shows, creatively animating the characters and emphasizing the "who," "where," and "what" the characters did in the story to teach important moral lessons. They used these stories to highlight values like kindness, hard work, cooperation, determination, and respect. In writing, they shared their own real-life stories, reflecting on personal experiences and focusing on key details. By combining storytelling and drawings, they learned how pictures and words work together to preserve and share their narratives. This hands-on approach encouraged self-expression, confidence, and a deep love for storytelling!

Dear Parents,

This month Kindergarteners learned about the facial features and parts of the body, we sang songs and listened to stories. There were many special activities this month. On the 100th day of school, everyone showed their creativity to express the 100 days of school. On Rose and Chocolate Day, kids shared their love with friends. Hope that everyone felt the love this month.

Dear Parents,

Students in the PK2 level are developing their learning skills through play-based learning and recognizing Thai consonants using age-appropriate visual aids. This approach fosters enthusiasm for learning every day and encourages students to take the lead in reading. For KG students, their reading and writing skills continue to progress, with a focus on vowels, spelling, and sentence construction. These activities help prepare them for Grade 1 in the upcoming academic year. All students demonstrate dedication and perseverance in learning Thai, and I have observed continuous improvement in their abilities each day. I would like to commend their hard work and commitment to learning.

Dear Parents,

Recently, our PK2 students learned about the five senses in Chinese. Lately, they have been reviewing the names of different modes of transportation in Chinese. Such as cars, trains, airplanes, boats, and bicycles. They also enjoyed moving along with the "Airplane Song" (造飛機) together with me. Through the song, movements, worksheet, and flashcard exercises, PK2 students can remember these new words more effectively. Their Chinese skills are growing stronger!

This month, kindergarten students have been learning about art through various materials for creative projects.  
PK2 students created printmaking artwork by spraying paint on different objects, resulting in artistic patterns connected to the shapes and forms of those objects.  
PK3 students learned to draw simple facial features and did an excellent job. This lesson encouraged them to observe and connect their observations to painting and drawing.  
PK4 students are in the process of exploring painting through a collage project on the topic of The Castle and the Sun inspired by Paul Klee. Their beautiful combination of shapes and paint is presented in the artwork below.  
Lastly, KG students worked on a paper collage project using recycled paper from magazines. They tore the paper into small pieces and assembled them into new, beautiful images. All of our students enjoyed working and did very well, which made us very proud of them!

## The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.  
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none"><li>● racial or ethnic origin</li><li>● political opinions</li><li>● religious or philosophical beliefs</li><li>● sexual behavior</li><li>● criminal records</li><li>● health data, disability</li><li>● trade union information</li><li>● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.</li></ul>

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get

consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

## Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
