- Deliveries will not be accepted at the school.
- Teachers and staff are not permitted to accept any deliveries on behalf of parents or students during the school day.

Message from Dr. Michael

Dear TCIS Family,

We hope this message finds you well. As you are likely aware, we experienced an earthquake earlier this week. We want to reassure you that all students are safe and have returned home without incident and that we used the event as a learning situation for us and we will work to develop additional protocols for these events. [Return to Campus Letter](#)

We are incredibly proud of how our community came together during this unexpected event. A heartfelt thank you to our Security Team and Teaching Assistants for their swift and steady response after school. Your care and commitment made all the difference.

To our amazing teachers—thank you for your unwavering support, calm presence, and love for our students throughout the day. You helped create a sense of normalcy and security in a moment that could have felt frightening, always putting the needs of our students first.

We truly missed Kru Rung, who was away on a WASC accreditation visit to Vietnam. We are proud to share that, to our knowledge, she is the first Thai Director to serve on a WASC visiting team—a wonderful achievement and a great honor for her and for our school.

Looking ahead, we're excited to announce that the IB Diploma Programme (IBDP) authorization visit is scheduled for May 1 and 2. This marks the final step in our journey toward becoming an official IBDP school—an exciting milestone that will open incredible opportunities for our students. Meanwhile, our Class of 2025 continues to receive excellent university acceptances, and the scholarship offers are continuing to pour in. We're proud of every senior and the hard work they've put in.

We also had a very successful Recruitment Fair at the Intercontinental Hotel last week, where 60 families signed up for school tours. Thank you to Ms. Cheryl and Ms. Porkaew for organizing the event and to all the admin who attended. A special shout-out to Ms. Jasmine, Ms. Jane, Mr. Tony, and Ms. Tang for spending the entire day representing TCIS and sharing our story with prospective families. [Student Recruitment Fair](#)

Lastly, we're excited to share that the planning stage for our new school buildings is officially underway. We recently met with our builders, and the vision for the future of TCIS is starting to take shape. More exciting updates are coming soon! As always, thank you for your continued support and partnership.

Regards,

Dr. Michael

Dear TCIS Family,

Field Trip - Grade 1 & 2

Our field trips have been a great way for us to enhance students' learning, and the grade 1 and grade 2 field trip to **Sea Life** was a great success. Every student and staff member I spoke with said they had a wonderful learning experience. [Field Trip Photos](#)

ECE Art

I am constantly amazed at the art that our young students create. Please take time to look at the expressive [Picasso Faces from PK3](#) and the vibrant [KG Flower Art Pictures](#).

ECE Assembly

During our ECE assembly, we rewarded students who displayed exceptional characteristics of being Collaborative Workers. KG students also treated us with two energetic songs, including B-I-N-G-O. [ECE Assembly Photos](#)

Songkran - Parents Invited

Our Songkran celebration event will take place on **Friday, April 11th, 2025**. Our Thai team is working very hard to make the event a success. Parents are invited to celebrate this important occasion with us. [Songkran Poster](#)

Grade 4 Science Event - Grade 4 Parents Invited

Grade-level parent-invited events began this year at TCIS, and at **2:00pm, on Friday, April 4th, 2025**, the grade 4 **Science Behind Ice Cream** event will take place. Grade 4 parents are invited to attend. [Science Behind Ice Cream Event Poster](#)

Student Recruitment Fair

Ms. Cheryl and **Ms. Porkaew** did a fantastic job at the Bangkok Education Fair. Our booth was very popular, and many prospective new families signed up to tour our school and may join us next year! [Student Recruitment Fair](#)

Subbing In 2B

I was so impressed with 2B students when I subbed in their class on Friday! Amazing learners with Growth Mindsets!

Dear Middle School Parents,

I hope this message finds you well.

Earthquake Drill & Response

On Friday, we experienced an unexpected earthquake. Many students initially felt dizzy or unwell, which is a common reaction, especially for those experiencing an earthquake for the first time. Fortunately, our teachers responded quickly and effectively. Students sheltered under their desks, though some who were in hallways or engaged in projects instinctively began to exit the building. This was observed across other parts of the school as well. We evacuated to the field to ensure everyone's safety and keep students together. While earthquakes are rare, this experience highlighted the importance of preparedness, and we will continue practicing safety procedures as a community.

Persuasive Speech Contest

On Wednesday, we held our annual Persuasive Speech contest. Three finalists from each grade delivered their speeches before the entire middle school. I was incredibly proud of their confidence and presentation skills as they spoke passionately on topics that mattered to them. The audience—students and teachers alike—listened attentively, making it a truly inspiring event. We look forward to announcing the winners during Monday morning assembly and next week's newsletter.

End of Quarter 3

As we wrap up Quarter 3, grade books have been updated, and grades are now available on PowerSchool for your review. The final quarter will end on June 12, when semester averages will be calculated. For our Grade 8 students, this final stretch is particularly important, as their performance will determine eligibility for high school courses. We encourage all students to finish the year strong!

Thank you for your continued support.

Dear TCIS Family,

At TCIS, we believe students grow socially and emotionally through meaningful interactions with peers of different ages. Younger and older students build confidence, empathy, and leadership skills while fostering a strong sense of community when they work and play together.

Benefits for Younger Students

Younger students gain role models, learn social cues, and build confidence in a supportive environment. Engaging with older peers helps them develop communication skills, problem-solving abilities, and resilience. These positive interactions also encourage curiosity and a love for learning.

Benefits for Older Students

Older students develop leadership, patience, and a sense of responsibility. Teaching and guiding younger peers reinforces their own learning while strengthening their ability to mentor and support others. These experiences cultivate empathy and the realization that they can positively impact others.

Fostering Connections

To support these benefits, we incorporate activities such as buddy reading, collaborative projects, and structured play sessions that encourage teamwork, cooperation, and kindness. Families can also reinforce these values by encouraging siblings, neighbors, or friends of different ages to engage in shared experiences at home and in the community.

Thank you for helping us build a school culture where students learn, grow, and support one another!

Warmest regards,

Ms. Juanita Katherine Wilson M.Ed
Head of Student Services

Dear Wolves,

G7U Ping-Pong

Last Tuesday, our G7U Ping-Pong team showed everyone just how dominant the Wolves can be, absolutely *sweeping* the competition! The Wolves claimed 1st place as a team, and the individual results were nothing short of spectacular.

- Girls' Team: The girls' team finished in 1st, 2nd, 3rd, and 4th place, taking home all the possible medals! A perfect clean sweep for the Wolves.
- Boys' Team: Similarly, the boys' team had a *complete sweep* as well, with finishes in 1st, 2nd, and 3rd place. Another set of dominating performances from the Wolves!

A huge congratulations to Grade 6 Justin and Grade 6 Lisa, who claimed 1st place in their respective divisions. Your hard work and dedication truly paid off!

JV Ping-Pong:

- Grade 8 Vivi and Grade 9 Tony, siblings of Grade 6 Lisa, each took home 1st place in the girls' and boys' singles categories, respectively. In addition, several other JV players finished in the top 4, contributing to the team's remarkable performance.

Even more impressive, Vivi has *never lost a match* while playing for TCIS! This marks her third consecutive 1st place finish – an undefeated record that is a testament to her commitment and skill.

A Big Thank You to Coach Ju-Hung! None of this success would have been possible without the dedication and hard work of our coach, Coach Ju-Hung. He has been working with the students daily, ensuring they're improving their game and staying motivated. His commitment to these students is reflected in their outstanding performances, making TCIS a top contender in Ping-Pong in Thailand!

Varsity, JV, and G7U Swim Team:

Our Varsity, JV, and G7U Swim Teams made a strong return to competitive swimming at the AISAA Swim Gala hosted by Concordian International School—our first swim gala in nearly six years—and brought home great results!

- Grade 8 Jack earned a 3rd place medal, and Grade 12 Angie finished with a silver medal in her event. We are incredibly proud of how well our Sea Wolves represented TCIS, and their hard work and determination were evident in the pool.

GO WOLVES!!

March 29, 2025

Dear Parents,

Thank you again for your incredible support and sense of community during yesterday's events. It was truly heartwarming to see students, parents, and staff come together to ensure all students got home safely and felt supported.

Following the earthquake, the school conducted a full inspection of all buildings, classrooms, and elevators across campus. We are pleased to report that all structures are intact and appear safe. As an added precaution, we have hired a certified structural engineer who will conduct a thorough inspection to confirm the safety of all facilities. In addition, our elevator company will be on site today to thoroughly inspect all elevator systems to ensure everything is functioning correctly and safely.

We are committed to the safety and well-being of every student and staff member. We follow all protocols and updates from the Ministry of Education. We will promptly communicate with families if anything changes.

We will resume on-campus learning on Monday as planned. Please rest assured that our top priority is keeping your children safe and cared for during this time.

Thank you for your continued trust and support.

親愛的家長：

再次感謝您在昨日的地震事件中所展現全力支持學校的凝聚力。看到學生、家長和教職員齊心協力，確保所有學生都能安全回家，這真是令人倍感溫馨。

在地震過後，學校已對校園內的所有建築物、教室及電梯進行了全面檢查。我們很高興地向您報告，學校所有的建築物的結構均完好無損，且目測是安全的。但是為了安全起見，我們已聘請了一位持有合格證照的結構工程技師，將對學校所有的建築進行更全面徹底的檢查，以確保所有設施的安全性。此外，負責維護學校電梯的公司今天也將到校，對所有電梯系統進行全面檢查，確保其運行正常且安全。

學校致力於確保每位學生和教職員的安全與福祉。我們遵循教育部的所有規範和最新指引。如有任何變動，我們會立即通知家長。

學校將於下周一按原訂的行事曆恢復上課。請放心，在此期間，保障孩子們的安全與妥善的照顧始終是我們的首要任務。

感謝您一直以來的信任與支持。

Dear Parents,

Micha, Pordee, Jing Hong, Eddie and Tiger build their confidence and self-esteem through positive learning experiences that are fun, social, and supportive. They enjoy learning with others, which creates a strong foundation for their future growth and development. Their interactions can be playful and supportive, allowing them to feel safe in exploring new ideas and activities.

Dear Parents,

The PK3s had a fun and engaging time learning about different emotions this week. They explored feelings such as happy, sad, angry, surprised, and scared through stories, songs, and interactive activities. They especially loved the hands-on activity where they named different pictures of emotions, helping them better understand how each feeling looks. These activities encouraged the children to express themselves more confidently and recognize emotions in others. It was a joyful and meaningful week full of learning and expressive moments!

Dear Parents,

We had a wonderful March together! This month, we learned about different types of vehicles in Chinese, such as fire trucks, police cars, and more. In our STEAM class, we also explored the power of sound vibrations. Great job, PK3B! Everyone showed great enthusiasm for learning. Keep up the good work!.

Dear Parents,
PK4 students have been busy! This week, we learned the nursery rhyme “Mary Had a Little Lamb.” The children not only enjoyed singing the song but also understood why the lamb loved Mary so much—because Mary loved the lamb just as much. This sweet lesson helped them see the importance of showing love to others and receiving love in return.

After learning the song, the students created an artwork of Mary and her lamb. This activity was a great way for them to practice following step-by-step directions, and I was very impressed with how well they followed the steps while adding their own creativity, especially in designing Mary’s face.

The children explored different ways to make 3 and 4 in math. In phonics, they learned how short vowel sounds can create different CVC words.

Way to go, PK4 students! Keep up the great work!

Dear Parents,

Our PK4 students explored different types of plants and learned how they change with the seasons. To showcase their understanding, they completed a 'Four Seasons Trees' project, which are now displayed on our bulletin board. We warmly invite you to visit the PK4B classroom and admire their beautiful work! The children have also developed a stronger sense of teamwork. Through games, they found their matching partners and successfully completed the Healthy Fruits challenge.

Additionally, the children have made great progress in their coloring skills. They can now color within smaller spaces with better precision, showing improved fine motor control. Their dedication and effort are truly paying off! Keep up the great work, PK4!

Dear Parents,

Our kindergarten Super Readers are sharpening their reading skills with exciting hands-on activities! They created colorful pinwheels to practice common vowel sounds, reinforcing their ability to slide smoothly through words. In another activity, they discovered the magic of the silent "e," placing it on CVC words to transform short vowels into long ones. These engaging lessons help build confidence and fluency, turning our young readers into decoding superheroes!

Dear Parents,

This month, we have seen tremendous growth in our Kindergarten students! Academically, more children are now able to read words independently. In daily life, they are also becoming more responsible, learning to take care of their belongings and clean up after themselves. March has been a busy and exciting month. Our current unit focuses on learning about positions and directions, and we have many fun and engaging activities planned to help the children explore these concepts. We look forward to another great week of learning!

Dear Parents,

PK 4 students are practicing mindfulness through yoga poses that mimic animals, toys, and vehicles. The students often ask about which poses they will do in the next lesson, wondering which objects or animals they will imitate. They always have fun with this activity, which not only brings them joy but also helps them focus and concentrate on learning during class.

Dear Parents,

The PK2 students have now learned many Chinese vocabulary words for different modes of transportation. In addition, they have been enhancing their understanding and developing through puzzles, matching activities, crafts, movement-based games, and listening to Chinese storybooks in class. They are doing an excellent job! Along with this, they have also started practicing Chinese initials (shengmu) and are learning 丿, ㇇, 冂, and 匚 and singing the 丿㇇冂匚 song with the teacher.

Dear Parents,

KG students explored a variety of instruments, including the xylophone, bongo drum, cymbals, shaker, and handbell. They had a fantastic time playing *Old MacDonald Had a Farm* together, learning how to blend different sounds into beautiful harmony. Through this fun experience, they discovered the joy of making music as a group, developing their listening skills, coordination, and creativity. It was a wonderful way to learn and play at the same time!

Personal Data Protection Act (PDPA)

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none"> ● racial or ethnic origin ● political opinions ● religious or philosophical beliefs ● sexual behavior ● criminal records ● health data, disability ● trade union information ● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
