	25	26	27	28	29		

Dear TCIS Family,

We're thrilled to announce that the new ECE playground will be ready this Monday! Our youngest students will soon enjoy a wonderful new play space designed just for them. We can't wait to see the joy and excitement as they explore this special area created to support their growth and development through play.

You may have noticed a major change in the DIY store space—it is now gone! This is an exciting step as TCIS prepares to expand our campus, thanks to the vision and incredible support of the TCIS Foundation Board and the dedicated leadership of our Chairman, Mr. Frank. This expansion marks a new chapter in our growth and commitment to providing the best for our students.

This week has also been filled with incredible moments from our school community. [Dr. Li-Chou led a beautiful musical event](#) on Friday, featuring students from multiple grades performing in both strings and chorus concerts. The talent and dedication of our students and staff were evident, and we're so proud of their achievements. Additionally, I had a wonderful time singing with our PK2 students earlier this week—their energy and enthusiasm were contagious!

We've also had some artistic flair added to our campus! Be sure to stop by the Registrar's Office to see the amazing Disco Ball artwork, created by Ms. Elizabeth and her talented art class. It's a fun and colorful addition that brightens up our school in a unique way.

In our ongoing journey with the IB program, Ms. Jasmine and I recently met with our IB consultant to discuss our updated Mission, Vision, and Philosophy for the school. This important update reflects contributions from all stakeholders—students, parents, staff, and community members—and truly captures who we are and what we stand for at TCIS. We're excited to share these developments as we move forward, building an even stronger foundation for our school.

This past weekend, we celebrated our amazing TCIS alumni with the first-ever Alumni Golf Tournament. It was a fantastic event, and we are so grateful to our alumni community for coming out to reconnect and support the school. Thank you to Mr. Eric for his dedication in organizing this event—it was truly a success! TCIS is a truly special place, and we are so grateful for the ongoing support from our parents, teachers, and the entire community. Thank you for being a part of this journey with us.

Regards,  
Dr. Michael

Dear TCIS Family,

This past week, I took on a challenge unlike any I'd ever faced: mirroring our high school ROTC students in a full week of training camp. Alongside my fellow Thai directors, I was eager to experience firsthand the rigorous program that shapes our students, testing both their physical and mental resilience.

From early morning drills to specialized jungle survival training, I quickly realized just how intense and demanding this program truly is. One of the most memorable—and nerve-wracking—experiences was our snake training, where we learned essential skills to stay safe in Thailand's wild terrain. Being there in those moments, facing fears and

embracing the unknown, made me deeply appreciate the courage and discipline our students build through this program.

This week offered me invaluable insights into their journey and the many challenges they overcome. I now understand, on a very personal level, the resilience required of them and the importance of emotional and physical support. As a director, I'm committed to ensuring that we provide that support every step of the way, helping our ROTC students not only succeed in training but grow as confident, capable young leaders. This experience has truly deepened my dedication to supporting our students in their unique journey.

Loy Krathong is always a cherished event at our school, bringing the community together to celebrate one of Thailand's most beautiful cultural traditions. This year, our students are enthusiastically preparing by crafting their own krathongs—beautiful floating offerings made with natural materials like banana leaves, flowers, candles, and incense—in their Thai classes. Each krathong represents gratitude, respect for water, and the release of worries.

Instead of releasing them on campus, students will take their krathongs home to celebrate with their families, joining millions across Thailand in this symbolic ritual. Our Thai Department has organized activities throughout the week, and classrooms are filled with festive decorations, building anticipation for the celebration. This Friday, we'll enjoy traditional music, dance performances, and the shared joy of honoring this special tradition. Loy Krathong at our school brings us closer as a community and lets us experience the warmth of Thai culture together!

Regards,

Kru Rung

Kru Rung's Photos or Posters

Dear TCIS Family,

### ECE Playground

Our new ECE playground is almost complete and will be ready for use this coming week! Thank you to **Mr. Frank** and the TCIS Board for supporting this wonderful upgrade to the school. Thank you also to everyone in the General Affairs and purchasing for all the work they are doing to make our new playground a reality. The old playground equipment has been donated to **Klongladkabang School** and will put smiles on the faces of their students for many years. [ECE Playground Donation Photos](#)

### Grade 3 and 4 Intramural Football Starts on Monday!

There is great excitement among students (and parents!) about the grade 3 and 4 intramural football competition! We had a special assembly to announce the teams last week, and teachers volunteered to become team managers! Wow! The first games will be played on Monday, November 11th, 2024: Tigers vs Sharks (9:00am) and the Eagles vs Dragons (12:00pm). Important information: [Group A Teams](#) [Group B Teams](#) [Schedule of Games](#) [Game Format](#)

### Loy Krathong

On Friday, November 15th, 2024, we will celebrate Loy Krathong. Thank you to our Thai team, as they have been working very hard to organize this significant cultural celebration. Please have your children wear Thai traditional clothes on that day. If students do not wear Thai traditional clothes, then they are required to wear their school uniform.

### Ms. Belinda Art

A big thank you to TCIS Board member, Ms. Belinda, for visiting TCIS and sharing her incredible artistic talents with us. I had the privilege of being there while she painted a stunning chrysanthemum flower, and it was inspiring to witness her creative process firsthand.

Kind regards,

Dr. James

# Photos of the Week!

## Pictures from Dr. Li-Chou Music Event

Dear Parents,

I am delighted to share that Micha, Pordee, JingHong and Tiger are having a fantastic time at school! They are engaged in many hands-on activities that spark their curiosity and nurture a love of learning. Through activities like painting, building, and exploring new materials, they are developing important skills while enjoying themselves.

Dear Parents,

Our PK3s had a wonderful time planting and watching seeds grow into healthy plants! This activity taught them that plants need soil, air, water, sunlight, and space to live and thrive. It was amazing to see their excitement as they observed each growth stage, and they have become proud plant caretakers! This hands-on experience helped them understand the basic needs of living things and fostered a sense of responsibility and wonder for nature.

Dear Parents,

This month, we created wonderful memories together. We tried different ways of planting and carefully observed the various parts of the plants. We also enjoyed the Halloween activities, dressing up in costumes and going trick-or-treating. I believe everyone had a joyful and fulfilling October.

Dear Parents,

xOctober has flown by, but it's been a wonderfully busy month for our PK4A students! They were thrilled to celebrate Halloween and took part in exciting activities. Alongside the festivities, they worked hard learning about patterning and sorting. They explored sorting by colors, shapes, and sizes and learned to create AB, ABB, and AAB patterns with enthusiasm. Great job, PK4A—keep up the fantastic work!

Dear Parents,

The PK4 kids completed a major task in October. The kids performed two songs in the ECE assembly: Beautiful Flowers (美麗的花) and Little Garden (小小花園). We are very proud that the kids can sing Chinese songs confidently and they enjoy completing tasks with their friends.

The kids also had a great time celebrating Halloween, we shared the candies and joy with each other and it was the best day ever! Thank you so much to all parents for your support.

Dear Parents,

This past week, our kindergarteners had a wonderful time celebrating together! They enjoyed a lively parade, filled with Halloween costumes and excitement, and received treats from classmates, parents, and school administration. They also honed their fine motor skills by coloring, cutting, and assembling jack-o'-lantern crowns, learning to follow steps and work creatively with their hands. The students also explored bats by creating a Halloween cookie craft, transforming Oreo cookies to learn about bat body parts.

In Language Arts, we continued building reading skills with *Readers Study Words Everywhere*, where students learned to recognize and study familiar words in their surroundings. Through *Reading with One-to-One Matching*, they practiced matching spoken words to written ones, helping improve their reading accuracy. With a mix of indoor activities and outdoor fun, last week's festivities encouraged sharing, teamwork, and learning!

Dear Parents,

Kindergarten students had a brilliant October. Everyone enjoyed their happy October break. When they came back, they immediately prepared themselves to return to school to learn. October has Halloween, which the children are most looking forward to. Everyone had fun with activities all day long. Come November, we will continue to work hard!

Thai Teacher: Kru Fai

Dear Parents,

PK4 students, in addition to focusing on learning Thai letters, also practice singing the Thai national anthem. They work with playdough to strengthen their fine motor skills, preparing their hands for writing. The children enthusiastically crafted snails, showing great care in their creations. They all expressed a desire to try making other animals next time.

Dear Parents,

Students in PK2 learn to interact with friends, read books together, and collaborate. Additionally, they are learning to recognize Chinese numbers and can now read numbers 1 to 5. Their understanding of Chinese numbers has greatly improved with many different kinds of interesting teaching ways. For Halloween at the end of October, they also showed great creativity by making pumpkin facial handicrafts. Keep going, PK2 students!

In art class, our Early Childhood Education (ECE) students engage with various materials and explore diverse painting and color mixing techniques. They are experimenting with methods such as dripping paint, creating images from shapes and painting with watercolor, using finger painting to develop textures, and designing basic illustrations inspired by their daily surroundings. The students are enthusiastic and fully immersed in the creative process, demonstrating remarkable skill and growing confidence. We are proud of the progress and creativity displayed by our ECE students.

## The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.  
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none"><li>● racial or ethnic origin</li><li>● political opinions</li><li>● religious or philosophical beliefs</li><li>● sexual behavior</li><li>● criminal records</li><li>● health data, disability</li><li>● trade union information</li><li>● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.</li></ul>

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

## Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
