Dear TCIS Family,

Last week, our students participated in our Week Without Walls program, stepping beyond the classroom to engage in cultural immersion, outdoor education, and personal growth opportunities. These trips are designed to build skills such as resilience, empathy, and teamwork while fostering a deeper connection to the world around them.

Here's a summary of their adventures:

Juniors and Seniors explored Korea, delving into its rich culture, history, and traditions while engaging in community service activities that added meaningful context to their trip.

Freshmen and Sophomores traveled to Cambodia, experiencing the beauty of Siem Reap through biking, hiking, and cultural exploration. They also participated in service projects that emphasized collaboration and giving back.

Grade 7 and 8 students journeyed to Chiang Mai, where they participated in outdoor educational activities, including a visit to the Karen Hill Tribe Village, and engaged in community service projects to enhance their learning.

Grade 5 and 6 students had a thrilling week at Pattana Sports Resort, followed by engaging day trips that emphasized teamwork, confidence, and adventure.

While community service was a component of most trips, the primary focus remained on cultural, personal, and educational enrichment.

Our incredible chaperones deserve special recognition for the care, dedication, and enthusiasm they brought to each trip. They not only ensured the safety and well-being of our students but also gave them the opportunity to bond and create lifelong memories. Each chaperone built strong connections with the students and maintained outstanding communication with parents throughout the week. We are so grateful for their tireless efforts and positivity.

A special shout-out goes to Mr. Richard and Mr. Kevin for their months of meticulous planning, including countless meetings with parents and community members to ensure the success of these trips. Their hard work made these experiences unforgettable for our students.

We also want to extend a heartfelt thank-you to Ms. Jasmine, who stayed behind to provide students with enriching Project-Based Learning (PBL) experiences. These activities beautifully complemented the learning of their classmates who participated in the trips.

In addition to these trips, we are incredibly proud of En En and Para, who represented both TCIS and Thailand at the World Scholar's Cup competition at Yale University in the USA. Competing on a global stage, they showcased the talents and values that define our school. Their journey to Yale is an inspiration to our entire community.

Thank you to our incredible teachers, staff, and parents for making Week Without Walls a success. Together, we're creating lifelong memories and shaping the next generation of empathetic, well-rounded leaders.

Regards
Dr. Michael

Mr. Richard's Message

Our Week Without Walls has come to a successful conclusion, and we could not be prouder of our students! This week challenged them to step outside their comfort zones, engage in real-world learning, forge deeper connections with friends and nature, and most importantly—have fun while growing as learners and individuals.

Students who remained on campus worked in collaborative groups to research, create, and present projects aligned with the same themes as their peers who traveled. These projects reflect the heart of project-based education, where students apply their knowledge to solve problems, think critically, and work as a team. I look forward to reviewing their projects this weekend. Their hard work will contribute to a summative assessment grade, highlighting their learning journey.

Our Grade 5 and 6 students embarked on their first off-campus Week Without Walls adventures. It was inspiring to see our youngest middle schoolers rise to the challenge with enthusiasm and resilience. Thank you for placing your trust in us—Mr. Thomas and his team captured many memorable moments in photos and videos, showcasing the excitement, learning, and camaraderie that unfolded throughout the week.

During the week, TCIS hosted a track-and-field competition, and our Grade 5 students on campus took part, adding another layer of experiential learning. Their participation helped TCIS earn several medals, demonstrating teamwork, determination, and school spirit. We will also have our Sports Day on Tuesday followed by our annual Turkey Bowl!

Next week, middle school teachers will contribute their updates to the high school newsletter to share even more insights. In the meantime, we're delighted to share a link to all the photos and videos from our Week Without Walls adventures. Please take a moment to enjoy the memories and celebrate your children's achievements!

Dear TCIS Family,

ECE Playground Opening

On Monday, November 18th, 2024, we celebrated the official opening of the new ECE playground with a special ribbon-cutting ceremony. We were honored to have the Lions Club International in attendance, who generously donated the new playground equipment to TCIS. Our students and their families will enjoy this beautiful new space for many years to come.

Thai Field Trips

A heartfelt thank you to **Kru Rung, Kru Yim, Kru Fai, Kru Pat, and Kru Nong Song** for organizing last week's Thai field trips. Grade 1 and 2 students visited Arun Farm, while Grades 3 and 4 explored Moori Moori Farm. The feedback from students was overwhelmingly positive, with many describing the experience as "perfect!" We are grateful to our dedicated Thai team, as well as our teachers, teaching assistants, and nurses for their care and support during these trips.

Track and Field Event

A huge shout-out to **Mr. Brad** for expertly overseeing the Track and Field event held at TCIS last Thursday. Our students showcased their incredible athletic talents and school spirit. Stay tuned for next week's newsletter, where we will feature a full photo gallery from the event. You won't want to miss it!

Grade 3/Grade 4 Intramural Football Finals

What an exciting finish to the Grade 3 and Grade 4 Intramural Football competition last Friday! In a hard-fought match for third place, the Elephants narrowly defeated the Eagles. In the championship game, the Lions and the Bulls went head-to-head in a thrilling display of skill, with the Bulls emerging victorious. During the breaks, we had a fun parent contest where participants tested their shooting skills. A big thank you to all the parents who joined in, and to everyone who supported the event. We look forward to hosting more events like this in the future!

Kind regards,

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">● racial or ethnic origin● political opinions● religious or philosophical beliefs● sexual behavior● criminal records● health data, disability● trade union information● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
