Dear TCIS Family,

Please find the new Mission, Vision, Philosophy, and Schoolwide Learner Outcomes that were approved by the Board on March 4, 2024. Thank you to all the staff, students, and parents who contributed to these standards.

Mission

The TCIS MISSION is to deliver a challenging, inquiry-based international education that builds knowledgeable, compassionate leaders. We develop critical thinkers and multilingual communicators fluent in English, Chinese, and Thai, empowering them to impact communities and foster a peaceful, inclusive world.

Vision

The TCIS VISION is to empower students with diverse academic pathways that foster critical thinking, collaboration, and communication. We strive to develop compassionate, knowledgeable leaders who embrace intercultural understanding and respect. Through rigorous international education, we inspire students to become lifelong learners and responsible global citizens.

Philosophy:

It is the TCIS PHILOSOPHY that our community is responsible for the continued growth of each student. We believe that a rigorous education with a strong sense of ethics and values encourages and helps students become caring lifelong learners and global leaders who will help to make the world a better place. We are a compassionate, ethical, and diverse community. We act with integrity and respect, embracing creativity and balance. We value diversity, willingness to collaborate, and are committed to hold one another accountable.

SLO's

Global Citizens

Empowered, responsible contributors to local and global communities, embracing intercultural understanding and fostering mutual respect to inspire peaceful, positive change.

Open-Minded Thinkers

Reflective individuals who value cultural awareness, approach new ideas with curiosity, creativity, and thoughtful consideration of multiple perspectives.

Well-Balanced Individuals

Pursuing intellectual, physical, and emotional well-being to support both personal growth and academic achievement.

Optimistic Risk-Takers

Resilient learners who face challenges with confidence, take thoughtful risks, and grow from experiences, striving to make a lasting, positive impact.

Lifelong Learners

Inquisitive, adaptable minds dedicated to growth, welcoming new knowledge, skills, and perspectives across all life stages.

Voices for Collaboration

Empathetic communicators who value diverse viewpoints, working together across cultures to achieve shared goals.

Empathetic Leaders

Caring and principled leaders who act ethically, reflect on their actions, and show a commitment to creating a more compassionate world.

Solution-Oriented Problem Solvers

Innovative and critical thinkers who use knowledge responsibly to address challenges, aiming for solutions that benefit communities worldwide.

Regards

Dr. Michael

Dear TCIS Family,

Happy Holidays

As we break for the holiday, I want to express my thanks to our entire community for your continued support and dedication to our students. Wishing everyone a joyful and restful Christmas break, and we look forward to an exciting new year ahead!

Sermpanya National Proficiency Test Award

We are thrilled to share that the recent Sermpanya Proficiency Test results have placed TCIS students among the top performers in Thailand in multiple areas! This outstanding achievement reflects the dedication and hard work of our students, the commitment of our teachers, and the unwavering support of our parents. Here are some [Sermpanya Awards Information and Photos](#) Congratulations to our students, and thank you to everyone who contributed to this incredible success! [The Sermpanya Proficiency Test Schedule](#).

Children's Day Donation at the ROTC

It was my pleasure to be the TCIS representative to donate the bicycles to the local children which was organized by the ROTC. This act reflects the caring, kindness, spirit of our TCIS community. Thank you to Ms. Kead for always taking care of our ROTC students.

Regards,

Kru Rung

Dear TCIS Family,

Happy Holiday and Back to School

As we approach the Christmas break, I want to take a moment to express my gratitude to our entire community for your unwavering support and commitment to our students. Your dedication makes a lasting impact, and we are truly thankful for all that you do. Wishing each of you a joyful and restful holiday season.

We look forward to an exciting new year ahead and are eager to welcome students back to school on **Tuesday, January 7th, 2025**. Enjoy the break and see you in the new year!

ECE & Elementary Concerts

A huge thank you and congratulations to **Ms. Rebekah** and all of our talented students for their outstanding performances at both the ECE and Elementary concerts! Your hard work and dedication in practicing really shone through, and it was wonderful to see all your efforts come to life on stage. Ms. Rebekah's passion for music and commitment to nurturing these young musicians is truly inspiring. A special thank you to the parents who attended the concerts and supported our students. Your presence made these events even more memorable, and we appreciate you being part of this special celebration of music. Well done to everyone involved! We're so proud of the students' accomplishments and look forward to seeing even more growth in the future! Here are [ECE & Elementary Concert Photos](#)

Terry Fox

Thank you for your incredible support in raising funds and awareness for cancer research! The Terry Fox shirt sales have already raised over **12,000 baht**, which is more than 10% of our **100,000 baht goal**.

Please encourage students to use [their donation forms](#) to collect contributions from family and friends during the holiday. Please help your child track their donations so we can celebrate their efforts in their portfolios. Together, we are making a real impact! Here is a link to **Mr. Richard's** section with [more Terry Fox information](#).

Library Event: Pete the Cat

Thank you to **Ms. Sopa** and **Ms. Gigi** in the library for organizing the Pete the Cat book reading. Also, a big thank you to **Mr. Thomas** for his reading the story and dressing up as Pete and to our high school student for assisting as the Christmas tree! [Pete the Cat Photos](#).

Kind regards,

Dr. James
james.cooke@tcis.ac.th

Dr. James Photos: Pete the Cat

Dear TCIS Parents,

We have had an exciting week as we get ready to enter the Christmas break. Students have been busy with their exams but there have also been a lot of activities such as basketball games, robotics competitions, assemblies and of course the Talentless Show. In all these events, our students and staff have represented TCIS with honor and pride.

Wolf Competitions

Our basketball team has been playing well and recently beat the American School Bangkok, Sukhumvit. Some outstanding plays by Jackson, Juno and Hans led the wolves to victory. Last weekend, our students participated in a Vex Robotics Competition held in Bangkok. 32 teams competed and all four of our TCIS teams made the playoffs with one of our teams getting to the quarter finals. It was a good showing for our first formal competition this year. The next

competition will be in January followed by another in February. I am confident that they will continue to represent TCIS well.

Welcome Ms. Catt

We are sad to have Ms. Note leave the TCIS community but we wish her the best with her new adventure in America. With that said, we want to welcome Ms. Catt to the TCIS family as she is the new High School Secretary. Please make her feel welcome and you can contact her at cattleya@tcis.ac.th.

Ms. Catt

In addition to what has already been mentioned we had our "Talentless Show" which actually displayed a lot of talent, both by students and teachers. Finally, I want to wish all the TCIS families a very Merry Christmas and a Happy New Year.

Happy holidays and safe travels,

Kevin Curran
Head of High School

Terry Fox Cancer Research Initiative

Thank you for your incredible support in raising funds and awareness for cancer research! Our initiative kicked off with the sale of Terry Fox shirts, which not only help spread awareness but also build momentum toward our goal of raising **100,000 Thai Baht**.

We're thrilled to share that **220 shirts were sold**, and with proceeds and generous donations, we've already raised over **12,000 Thai Baht!** That's more than **10% of our target**, and we're well on track to reach our goal.

During the break, students are encouraged to use [their donation forms](#) to collect contributions from family and friends. Even small donations of **10 or 20 Baht** make a big difference. If every student raises just **200 Baht**, we'll exceed our target!

Please help your child track their efforts. This will allow us to recognize their dedication and celebrate their hard work in their portfolios. Let's work together to make a meaningful impact!

World Scholar Cup

We will be starting our second semester World Scholar's Cup. This is a wonderful club that will enhance your child's academic skills and build their portfolio. I encourage all students to join. Best of all, the club is FREE. [Please let us know](#) the days of the week that are best for you, so we can have as many students join as possible.

Technology and Screen Time: A Note on Discord

Breaks are a fantastic opportunity for students to recharge by traveling, spending quality time with family and friends, and exploring extracurricular activities. However, balancing screen time is crucial, as excessive use can have negative effects on their well-being and development.

One platform of concern is [Discord](#), a messaging app that can be challenging to monitor. Recently, we've seen cases of inappropriate behavior on the platform, including instances of bullying, bad language, and sharing of unsuitable content. Discord's perceived anonymity often leads students to behave differently online than they would in person.

- Monitor Usage: Keep an eye on the time spent on Discord and the types of activities your child engages in.
- Open Communication: Discuss the potential risks and emphasize the importance of making positive online choices.

If you have any questions or need assistance in managing your child's use of the app, please don't hesitate to reach out.

Together, we can guide our students in using technology responsibly while fostering their growth and safety online.

Richard E. Poulin III | *Head of Middle School* | richard.poulin@tcis.ac.th

Dear Wolves,

This past weekend, our Varsity Boys Soccer team represented TCIS with pride and passion at the BSL International Youth Soccer Tournament. Competing against top teams from across the region, the Wolves battled fiercely and secured an impressive **3rd place finish!** Their teamwork, determination, and sportsmanship shone through every match, and we couldn't be prouder of their efforts. Way to go, Wolves!

As we head into the holiday season, we want to wish all our TCIS families a joyful and restful Christmas break. While it's a time to relax and recharge, we also encourage all our student-athletes to stay active and keep sharpening their skills.

Here are a few tips to stay game-ready over the holidays:

- **Stay Active:** Get outside, play your sport, or try new exercises to keep moving.
- **Eat Healthy:** Enjoy the holiday treats but remember to fuel your body with nutritious meals.
- **Rest Up:** Take time to relax and recover so you're ready to hit the ground running in the new year.

The second half of the school year promises to be action-packed, and we'll need every player energized and ready to give it their all. Thank you for your continued support of TCIS Athletics, and as always, Go Wolves!

Merry Christmas!

Dear Parents,

1A has had an absolute blast the last few weeks at TCIS. How could we not with all these exciting and fun events? Academically, science was our main focus. We were amazing botanists helping little seeds grow in our school garden. We also raised some beautiful butterflies and released them and wrote information books about them! These mathematicians are also establishing themselves as experts in subtraction and addition already. Between Sports Day, Loy Krathong Day, the Turkey Bowl, the Winter Concert, Fathers Day, and Christmas celebrations, 1A students have brought the energy and the hard work. Go Wolves and go Grade 1A!

Dear Parents,

Wow what a great few weeks it's been at TCIS! We have all been so busy with all of the fun events in November! From assemblies and field trips to Loy Krathong and the winter concert, the students have had a blast! Academically, we have been working so hard on finishing up our topic books on butterflies. I am excited for you to read them! They will be sent home after the winter break. I hope everyone has a fun and safe holiday! I can't wait to hear about everyone's adventures!

Dear Parents,

We have been up to lots this month gearing up for the Holiday season! We made festive Christmas wreaths in class. We also enjoyed a library read aloud from "Pete the Cat" and a Christmas Tree, and got a special treat! Lastly, we sang and played our little hearts out at the ES Winter Music Concert on Wednesday. Awesome job 2A! It's the most wonderful time of the year!

Dear Parents,

Our second-grade (2B) class has had an amazing time diving into exciting topics this past month! The students have been eagerly exploring non-fiction books, discovering fascinating facts and sharpening their research skills. In math, we've been learning about picture graphs and how they help us organize and interpret data in fun and creative ways. Science has been full of curiosity and wonder as we've studied seed dispersal, uncovering how plants spread and grow in nature. It's inspiring to see the students' enthusiasm and love for learning shine through every day!

Dear Parents,

This past month, Class 3A has been diving into the wonders of ancient Egypt! Our budding historians have been busy researching fascinating topics like pyramids, pharaohs, and mummies. Using nonfiction texts and online resources, students are gathering information to create their very own books about this incredible civilization. The finished products will be compiled into a collaborative E-Book, showcasing their research and writing skills. This project not only brings history to life but also helps our third graders develop their creativity and digital publishing skills. We can't wait to share their amazing work with families soon!

Dear Parents,

What an action-packed quarter we've had in Grade 3! Our young historians delved into the wonders of Ancient Egypt, crafting their own informational books filled with engaging topics, illustrations, and diagrams. A highlight was our visit to the Moori Moori Play Farm, where students connected with nature, cared for animals, and learned about sustainable farming. We also celebrated together at the ES Pizza Party, sharing laughter and delicious slices to mark a successful quarter. The energy continued with ES Sports Day, where our students showcased teamwork, determination, and school spirit through exciting athletic challenges. It's been an incredible quarter of learning, growth, and fun, and we're so proud of everything our students have achieved!

Dear Parents,

In the past few weeks, 4A has had a blast participating in a variety of fun, hands-on, and collaborative events! Our students had an exciting time at Moori Moori Playfarm, where they enjoyed outdoor activities and events. The fun continued with Sports Day, followed by the final football match, where everyone showed great team spirit and energy. We can't wait for more exciting team-building activities and collaborative experiences in the upcoming semester—stay tuned for even more fun and adventure!.

Dear Parents,

4B has been keeping busy as we approach the winter holidays. We enjoyed our time outdoors at Moori Playfarm and had a blast participating in all the Sports Day activities. We finished presenting our natural disaster informational posters and slides, and you can find the posters on the 4th floor. We are looking forward to more learning and fun when we return from break.

Dear Parents,

Grade 2 students participated in a field trip to Arun Farm to enhance their environmental knowledge through hands-on, creative learning activities. The students engaged in zero-waste projects, such as crafting shrink plastic and designing tote bags using natural flower prints. This outdoor educational experience provided not only valuable knowledge but also joy and enjoyment as they created unique, one-of-a-kind items reflecting their individual creativity. The trip proved to be a delightful and enriching experience for all involved.

Dear Parents,

Many oral competitions have been recently organized in ES CFB Chinese classes, including storytelling and reading-aloud competitions. These events provide students with valuable opportunities to improve their oral expression skills, such as pronunciation, fluency, and confidence in speaking in Chinese. Additionally, participating in such competitions helps students develop the courage to express themselves in front of others, enhances their public speaking abilities, and boosts their overall performance skills.

Dear Parents,

In G.1 CMT, we have completed our Zhuyin lessons and officially started learning Chinese characters. In G.2 CMT, we began reading longer stories, taking on the roles of story characters to play games and learn many new vocabulary words. In G.3 CFT, we explored vocabulary related to buying and selling. The students took on the roles of restaurant owners and customers, designing Chinese menus and practicing how to order food in Chinese.

Over the past few days, we also held a Chinese Singing Contest for Chinese mother tongue classes and a Chinese Story Reading Competition for CFT class. Every student worked very hard during practice and, in the end, bravely stood on stage to perform. They were truly amazing!

Dear Parents,

Students from G1, G3, and G4 CFT experienced the joy of performing in Chinese during the recent singing competition. As their teacher, I am proud of every child and grateful for the support of parents.

Over the past month, G1 students have learned to express the seasons and temperature in Chinese. G3 students focused on Christmas related vocabulary and even wrote letters to Santa Claus in Chinese. Meanwhile, G4 students mastered the Chinese expressions for various types of clothing.

Finally, I wish you and your family a safe and joyful holiday season, and may 2025 bring a fantastic start for all !

Dear Parents,

Hello everyone, Christmas is coming soon and we are making Christmas trees to welcome winter and Christmas Eve. I wish every student a Merry Christmas and a safe and happy New Year holiday!

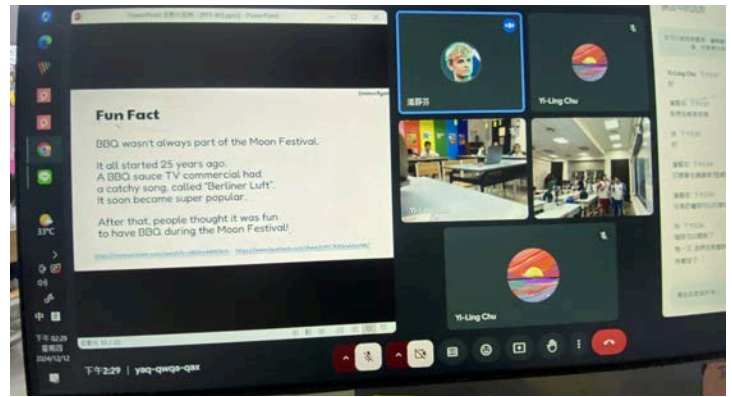

Dear Parents,

Hot News ~ Cross-International Exchange Activities

G4CMT held an online live event with Rixin Elementary School in Taipei, Taiwan on the 12th to introduce important festivals in Thailand. From preparing content, and practicing speeches, to live broadcasts online, everyone's performance is remarkable. After the pentation, both parties also asked questions about the festival activities. The enthusiastic answers and enthusiastic live atmosphere of G4CMT class students left a deep impression on the other party. This was a successful cultural exchange.

In the past few weeks at the end of 2024, special reports on the four seasons were carried out in three classes (Project [LINK](#)). 2CFT1 uses readily available natural materials to collage "the colors and landforms of the four seasons." The children of 3CMT wrote a piece of "My Family" with an affectionate writing style as the final content of the Father's Day card. The students of 4CMT composed a children's poem called "Where are the voices of the four seasons?" ([LINK](#)) and dedicated it to their hard-working father to thank him for his care and care all year round.

Dear Parents,

It has been a busy November with Elementary Track and Field as well as our Sports Day! The kids had a blast and did an awesome job competing and working together on teams.

Looking forward, after Christmas break, students will start a football unit and that will be followed up by our gymnastics unit! I am very excited for students to face some challenges, learn new skills, and have fun along the way!

I hope everyone has a great holiday with their family!

Dear Parents,

Your students have been working very hard in ELL. We have been reviewing long and short vowel sounds and using that knowledge to help write sentences. We have even started to write our own books with the information learned about sports. Students are beginning to learn about position words and will soon put that information in a book as well. I look forward to seeing their continued progress after the new year!

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">● racial or ethnic origin● political opinions● religious or philosophical beliefs● sexual behavior● criminal records● health data, disability● trade union information● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get

consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.

Nurse Arisara Suktrakool (Yok)
