Please Keep Sick Children Home From School

Stay Home with These Symptoms:

- High Fever
- Persistent coughing
- Diarrhea
- Vomiting
- Headache
- Stomach ache

Stay Home if Diagnosed with:

- Influenza
- Conjunctivitis (pink eye)
- Pneumonia
- Norovirus
- Human Metapneumovirus (hMPV)
- Hand-Foot-Mouth
- Respiratory Syncytial Virus (RSV)
- Any Contagious Disease/Illness

Keeping a sick child at home will help them to recover and will protect other students at school

Dear TCIS Family,

This week has been a busy and productive one for our school community. I had the opportunity to meet with our Chairman, Mr. Frank and Board representatives and Ms. Apple, and together, we engaged with local police departments to address traffic concerns. Our focus has been on improving the U-turn near campus, making travel safer and more efficient for everyone. We appreciate the authorities' support and will keep you updated on any progress.

The 100 Days of School celebration was the highlight of the week! It was wonderful to see students and teachers commemorating this milestone with creative activities and enthusiasm. It was so wonderful to see all the students and staff arriving at school dressed for the celebration.

Even the admin got involved with the day and dressed up.

The school welcomes two new counselors, Ms. Bree and Mr. Theelon. They will be a great addition to our student services team, and we look forward to the positive impact they will have on our students.

As we are into the second semester and summer is fast approaching, just a reminder that we will not have summer school this summer as there will be so much construction going on around campus. The TCIS is changing so much so fast and it is fantastic to see the improvements unfold.

In addition to our students' achievements, our campus continues to improve. The new swimming pool lights have been installed and look fantastic, enhancing visibility and safety. Also, the new basketball padding on the 5th floor is now in place, providing better protection for our athletes. These updates reflect our commitment to continuously enhancing the TCIS experience for all. Additionally, the new LED banner in the registration area looks fantastic—be sure to take a look at it!

We also had a wonderful Parent Coffee regarding the IPDP program. Many parents showed up and were very positive about our new IPDP program, which we are working to get authorized for this fall. Parents asked many questions, and we will begin meeting with Grade 10 students and parents to discuss the program in greater depth.

On the sports front, there has been a flurry of activity, and we want to extend a huge congratulations to all our teams for their hard work and dedication. A special highlight for next week is the Big Basketball JV Championship—we encourage everyone to come out and cheer for our Wolves as they go for victory!

Thank you for being part of this vibrant and supportive community. Let's keep working together to make TCIS the best it can be!

Regards

Dear TCIS Family,

Parent Coffee Morning: IBDP

Thank you to all our parents who came to our Parent Coffee Morning last week to learn more about the IBDP program. Additional thanks goes to **Dr. Michael**, **Ms. Jasmine**, and **Mr. Kevin** for their presentations to parents and to **Mr. Tony** for his Chinese translation. Offering the IBDP would provide additional pathways for students, especially those interested in attending university in Australia, Canada, Europe, Singapore, and the UK.

Regards,
Kru Rung

Dear TCIS Family,

Campus Updates

Each week seems to bring a new campus upgrade to celebrate! We are incredibly grateful for the continued support from **Mr. Frank** and the TCIS board, which makes all these improvements possible. Thank you for helping make TCIS an even better place for our community! [Thumbs Up for Campus Improvements! Photo](#)

Welcoming New Counselors to TCIS

This week, we were excited to welcome two new counselors to our TCIS community: **Ms. Bree** and **Mr. Theelon**. Throughout the week, they visited homerooms from grades 1 to 4, where they introduced themselves to students and took time to answer their questions. These classroom visits have allowed them to start building meaningful connections with our students. [Photos of Classroom Visits](#)

Celebrating 100 Days of School

Last week, we celebrated our 100th day of school! It was a fun and festive occasion, with students (and even some parents!) dressing in creative outfits representing the number 100. A big thank you to **Kru Cream**, **Ms. Brianna**, **Ms. Nid**, and the Elementary Student Council for organizing the memorable day. [100th Day Photos](#)

U-5 Football Match

Our U5 football team played a thrilling match against ASB last week. The game was full of excitement, ending in a well-fought 2-2 draw. Our sports program continues to shine this year, and we want to thank **Mr. Sean**, **Mr. Brad**, and **Mr. Somsak** for their dedication. A big thank you as well to our students for their hard work and sportsmanship! [U-5 Photos](#)

National Symphony Orchestra

We are excited about the upcoming National Symphony Orchestra concert at TCIS at **1:15pm, on Wednesday, February 19th, 2025** in the 5th floor gym. **Parents are invited to attend this event.** [National Symphony Orchestra Poster.](#)

Student's Special Achievements Section: Daisy

Congratulations to Daisy : Daisy joined the 2nd SISB Merlion Basketball Competition and received first place.

NATIONAL SYMPHONY ORCHESTRA

In Concert

THAI-CHINESE
INTERNATIONAL SCHOOL

February 19, 2025
5th Floor Gym
1:15pm

TCIS is proud to host the National
Symphony Orchestra for a day of
sectionals, rehearsals and
performances.

Dear Middle School Parents,

Welcome back from the Chinese New Year break! I hope you enjoyed celebrating with family, sharing meals, and making great memories. To start Quarter 3, we held an awards assembly last Friday, recognizing students for their achievements in Honors, High Honors, SLO, Chinese, and Thai awards. I look forward to sharing photos from this special event in next week's Middle School Newsletter.

Model United Nations (MUN)

We are excited to introduce a MUN program for grades 6 to 8 students. This program, led by Mr. Andrew, helps students improve their English, debate, and public speaking skills while competing against international schools. The next MUN competition will take place in March. Students will meet with Mr. Andrew during school hours to prepare, though some work will be required at home. There is no cost to join, but space is limited to 10 students. If your child is interested, they can apply on Class Google Classroom or speak with Mr. Andrew directly.

World Scholars Cup (WSC)

We continue to host WSC practice every Monday from 4:00-5:00 PM. This academic competition is open to students in grades 5 to 8, and participation is free. While students are not required to attend every session, more practice will help them perform better at the upcoming May tournament. WSC is a fantastic opportunity for students to strengthen their English, critical thinking, and teamwork skills, and I encourage all interested students to join.

Grade 8: 4-Year Planning Meeting

For Grade 8 parents, Ms. Catt, the High School Secretary, will reach out soon to schedule a 4-year high school planning meeting. During this meeting, students will present their 4-year academic plan, and parents will have the opportunity to discuss options and ask questions. This meeting is important in helping students transition into high school and prepare for future opportunities. Parents may also contact the High School Office to book an appointment.

Semester 2 Clubs

Looking ahead, Semester 2 Clubs will begin next Monday, and our next Middle School Newsletter will be released next weekend. Be sure to check it for more updates on the exciting things happening in Middle School!

PARTICIPANTS**

Dear Parents,

Welcome back from the holiday! Grade 1A is getting primed and ready to dive into an eventful quarter 3! We are finishing up our first Math textbook, writing hilarious opinion essays, expanding our reading horizons, becoming curious meteorologists, and having an all around blast in and outside the classroom! This month we are focusing on being Responsible Global Participants (SLO) through our actions, choices, and behaviors.

Dear Parents,

Welcome back to quarter 3! Our SLO this month is being responsible global citizens. We are working towards that both inside and outside the classroom. We have been working hard at finishing our first Go Math textbook and students have been having lots of fun learning about fact families. In writing we are working on opinion writing and the students have lots of different opinions they are excited to share. I am excited for what this quarter has to bring!

Dear Parents,

We had such a great time celebrating Chinese New Year in January! The Chinese FT2 class gave a special dance performance during the Assembly, and the rest of 2A loved watching them perform on stage! We also celebrated with red envelopes and a carnival!

Dear Parents,

The incredible students of 2B have been showing curiosity, enthusiasm, and determination in their learning! It is truly inspiring to watch them grow—whether they're tackling new math concepts, expanding their reading skills, or exploring the wonders of science. Their eagerness to ask questions and share ideas makes every day in the classroom exciting. We are so proud of their progress and the kindness they show to one another. Keep up the great work, 2B—we love watching you learn and shine!

Dear Parents,

The 3rd-grade Egypt event was a vibrant showcase of creativity, learning, and collaboration. Students used Book Creator to craft digital books about ancient Egypt, weaving together fascinating facts and colorful illustrations to share their newfound knowledge. Each student also prepared a trifold board presentation, displaying detailed information and images about Egyptian culture, history, and geography. As part of the hands-on experience, the class made replica canopic jars, demonstrating their understanding of ancient Egyptian burial practices. The event culminated in a lively musical performance, where students sang and played instruments to bring the spirit of ancient Egypt to life. Parents and guests were thrilled to see the culmination of the students' hard work and enthusiasm.

Dear Parents,

This month, Grade 3B students have been busy exploring Ancient Egypt through creative presentations, honoring Terry Fox's legacy by reflecting on perseverance, and starting opinion writing to express their ideas with reasons. In math, they're mastering area and perimeter in mathematics through hands-on activities, while in science, they're investigating adaptations and how living things survive in their environments. It's been an exciting start, filled with curiosity, creativity, and meaningful learning!

Dear Parents,

4A has finished reading *The Wild Robot* and will be creating our own versions this month! We've also been strengthening our fraction skills, and can now add and subtract mixed numbers as well as improper fractions. In science, we're continuing to explore the fascinating world of sound and learning how it travels. Additionally, we had a blast participating in the school-wide celebrations and events during Quarter 2. We're excited for all the fun and learning that awaits in Quarter 3!

Dear Parents,

4B is well rested and refreshed after the Chinese New Year break! We are excited for what the 3rd quarter of the school year will bring. We will continue studying fractions, waves of sound, and begin work on our persuasive essays. Be on the lookout for our “wild robots...”

Thai Teacher: Kru NongSong

Dear Parents,

The Thai classes for Grades 1 MT, 3 FT, and 4 FT have been truly captivating and meaningful. Students are not only developing their academic skills in reading and writing but also engaging in hands-on activities that bring the lessons to life. Highlights include using flashcards, completing word-matching puzzles, reading and watching Thai folktale and participating in various traditional Thai games. These activities are designed to deepen students' appreciation and understanding of Thai culture while making learning enjoyable and interactive.

Dear Parents,

To celebrate Chinese New Year, we introduced the festival's origins in our Chinese class and created Chinese New Year crafts together. Through making fish crafts, we conveyed the blessing of "年年有餘" (May you have abundance year after year).

Additionally, we dressed students in traditional Chinese clothing and took festive photos. Every student was full of energy during the photo session. This year is the Year of the Snake—wishing you a Happy Snake Year!

Dear Parents,

Our first graders had a wonderful time exploring their creativity through handprint art, stamping vibrant and unique designs onto paper. The second graders celebrated the Year of the Snake by crafting intricate paper-cut designs and writing down their heartfelt New Year wishes. Meanwhile, the third graders expanded their vocabulary by learning seasonal-related words, deepening their understanding of the changing seasons. It was a fun and enriching experience for all, filled with creativity, culture, and learning!

Dear Parents,

The first month of 2025 has been a great start for the students. CFT students beginning their new textbooks, students have also experienced Lunar New Year in Chinese classes through new year songs and cultural crafts.

In March, students will take the Children's Chinese Competency Certification (CCCC) exam. Therefore, after Quarter 3, teachers will support them in their preparation by deepening the curriculum and increasing the difficulty of assignments.

I hope that 2025 will be a year full of academic growth for my students.

Dear Parents,

Our Grade 2 students are preparing for the Chinese New Year performance rehearsal. The students are excited and happy, ready to go on stage to show the results of their hard training for many days.

We wish everyone a happy Chinese New Year, and all the best to teachers, students and parents!

Dear Parents,

In joyful celebration of the arrival of the Year of the Snake in 2025, the carefully prepared performance of the 4CMT students, the Bell and Drum Dance, received a standing ovation. In addition to experiencing the spirit of traditional folk dance, the students also learned a lot during the practice. Learn the importance of cooperation and communication. This group of students performed really well.

2CFT and 3CMT take advantage of the coming of the Lunar New Year to talk about the story of the Nian beast and the origin of the twelve zodiac animals. In the cultural class where students learn the meaning of auspicious words and have their first taste of calligraphy, they use their understanding of the meaning of words and their anticipation for the Year of the Snake to write down their New Year wishes and blessings, thus kicking off their Chinese studies for the next semester.

The 4th graders learned about painting techniques similar to Vincent van Gogh. They painted animals using watercolor to create depth, movement, and vibrant, realistic colors in their artwork. This activity helped students learn how to draw animals realistically in terms of size and proportion, as well as how to mix colors and use analogous colors effectively. This activity helped students learn how to draw animals realistically in terms of size and proportion, and how to mix colors and use analogous colors effectively.

Dear Parents,

Students have been working hard learning about prepositions and where things are in the house. We are making progress with writing and noticing errors in our work.

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

Personal Data	Sensitive Data
Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons.	Any personal data pertaining to: <ul style="list-style-type: none">● racial or ethnic origin● political opinions● religious or philosophical beliefs● sexual behavior● criminal records● health data, disability● trade union information● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC.

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.
