Dear TCIS Family,

Campus Safety

Campus safety remains our top priority as a school, and we go to great lengths to ensure that your child is safe every day. Although we realize that some of the safety procedures may cause a minor inconvenience at times, we want to thank you for the continued trust you place in us to care for your child and for following our safety procedures.

Open House

Thank you to **Ms. Cheryl** and **Ms. Porkaew** in our Admissions and Marketing Department for organizing a successful TCIS Open House event last week. About twelve mainly ECE families were welcomed by the Admissions Team and ECE and Elementary Head in the cafe. The families then enjoyed a school tour that was followed by a meeting with the TCIS Admin Team. The feedback was very positive, and we hope to welcome those families to our school in the future.

University Fairs

This month, we will have many university visits for our students. The [TCIS Thai University Fair: Top Universities and Programs of Excellence](#) is one of the high points this month. We encourage your child to take full advantage of this and all other university visits and fairs, as they provide a great insight to the universities, their programs, and their locations.

Spirit Week Performances

What amazing performances by our students during the [Spirit Week Performances](#) last Monday! They were very entertaining! Our students practiced hard, and their hard work paid off. Go TCIS!

Chinese Speech Contest Results

TCIS provides the best Chinese program of any school in Thailand, and the results of the [Chinese Association in Thailand Speech Contest](#) provides further proof of the excellence of our program.

TCIS Chess Championship

[The TCIS Chess Championship](#) is just two weeks away! Polish up your chess pieces, and let's get ready for a great contest!

Parent Coffee Morning: International Baccalaureate Diploma Program (IBDP)

On Wednesday, September 25th, 2024, TCIS will host a [Parent Coffee Morning: The IBDP](#) for grade 8 - 10 parents. During the coffee morning, parents will learn more about the IBDP pathway, student readiness, and our authorization timeline.

Regards

Dr. Michael

Dear TCIS Family,

Wai Kru

After all their hard work, our Thai teachers and students are ready for our **Wai Kru ceremony** that will take place on **Thursday, September 19th, 2024**. Wai Kru is an important and meaningful Thai ceremony where students show their respect and gratitude to teachers and for their dedication and hard work.

During the ceremony, students from each grade will walk up to and kneel down slowly in front of the teachers and exchange flowers. This ceremony is very important in Thai culture. Thank you to our Thai teachers and to students for all the preparation to make Wai Kru a memorable event. Here is a link to our [Wai Kru Ceremony Poster](#).

Thai University Fair

At TCIS, we take pride in supporting students' university preparations and having many universities presented to our students with on-campus or off campus visits.

Our big on-campus event this month is the [September 26th TCIS Thai University Fair Top Universities and Programs of Excellence](#) that will take place from 1:10pm to 3:00pm in the 5th floor gym. More than 20 top universities will be present. Below is a list of the upcoming university visits planned in September, 2024:

- **September 17:** Monash University - Malaysia Visit, Room 354, 8:50am
- **September 18:** University Fair Field Trip at NIST 8:50am - 12:10pm (Grades 11 & 12)
- **September 19:** University Fair, 5th Floor Gym, 1:00-1:50pm
- **September 23:** Xi'an Jiaotong-Liverpool University Visit, Room 354
- **September 24:** CityU Visit, Room 354, 1:10pm
- **September 25:** University Fair, 5th Floor Gym, 2:00-3:00pm
- **September 26:** PolyU Visit, Room 354, 8:50am
- **September 26:** Thai University Fair (Top Universities and programs of excellence)
- **September 27:** Goucher College Visit, Room 354, 1:10pm
- **September 30:** Swiss Hotel Management School, Room 354, 1:10pm

Regards

Kru Rung

26 SEPTEMBER 2024

@ 5TH FLOOR GYM

13:10 - 15:00

Dear TCIS Family,

No School: Monday, September 16th, 2024.

In recognition of the Mid-Autumn Festival, TCIS will be closed on Monday, September 16th, 2024. I hope you can take this time to be with your families and to relax.

7:30am ECE Area Exit

A reminder for all parents to arrive at school **before 7:20am** and leave the ECE area no later than 7:30am so teachers and TAs can begin classes on time. Being on time will avoid classes from starting late and the other disruptions that have resulted for teachers, TAs, and students.

Arriving late also makes it more difficult for children to get used to the structure of the school environment and results in separation anxiety for our young students.

Parents Allowed Only on First Floor

Please note that parents are only allowed on the first floor when dropping off students.

Wai Kru Ceremony

I am very excited about this week, because our [Wai Kru Ceremony](#) will take place on **Thursday, September 19th, 2024**. Our Thai team (led by **Kru Rung**) and students have been working very hard preparing for this event, and I am anticipating a wonderful ceremony that will highlight all their hard work as well as highlighting this important part of Thai culture.

Sports at TCIS

A big, "Thank you!" to **Mr. Sean** and the PE team. At all levels, our sports program is making great progress. I enjoy attending games with our enthusiastic parents and watching our students always displaying the Wolf spirit and good sportsmanship.

Deep Cleaning Protocol

School safety and cleanliness is a top priority for TCIS. When we have confirmed cases of RSV and other contagious diseases, we follow our [Deep Cleaning Protocol](#). We respond quickly once confirmation of contagious diseases have been reported to the nurse. Please report cases to the nurse as soon as possible so we can respond quickly. Thank you.

New Students Photos and Mascots

Last week, we took photos of all our new students with their TCIS Wolf mascots. It was great to see how many new students have been welcomed to TCIS this year! Our family is growing... fast!

Kind regards,

Dr. James
james.cooke@tcis.ac.th

Dear Wolves,

What an awesome week of sports! Here are a few updates as we continue with Season 1.

Basketball Team Success

Last week, our G5U boys and girls basketball teams had a great run, securing notable wins. Congratulations to all our players for their efforts and achievements on the court! We hope to continue with this winning attitude over the next few weeks, as our G3U soccer team has a few games lined up.

Weekly Sports Schedule

Just a reminder that the weekly sports schedule is sent out every Monday morning. Please check your email for the latest information on game times, practice sessions, and any changes to the schedule.

Game Day Etiquette

To help our players focus and to allow coaches to provide their best guidance, we ask that parents stay away from the players' bench during games. This helps create a more focused environment for everyone involved.

After-School Academies

Here's a summary of our after-school sports academies:

BSL Soccer Academy: Every Monday at the soccer field, when school is in session. A good chance for students to develop their soccer skills. ([Sign-Up Form](#))

Badminton Academy: Mondays in Gym 4. Aimed at improving badminton techniques. ([Sign-Up Form](#))

Dunkin' Raptors Basketball Academy: Mondays in Gym 5. Focuses on basketball skill development.

Sign-ups for these academies are attached to this newsletter. If you can't access the link, please reach out to Mr. Sean.

Looking Ahead

"Winning at TCIS" continues, and we look forward to a productive year of sports. We appreciate your support and are excited about the activities planned for the coming season.

Go Wolves!!

Congratulations Piew : She joined the golf tournament and got the winner in class EG .

Congratulations Kati : She participated in a piano competition. She won a gold medal as the second-place winner in the preschool category.

The students collaboratively created individual hand-drawn pieces that reflected their unique identities. These drawings were then cut out and assembled into a larger composition, symbolizing the unity among the elementary school students. The exhibition of Hands of Every Kind Art is at Yaya Cafe and elementary hallway.

The Chinese Association in Thailand (Chong Hua) Chinese Speech Competition. Three Champions!

Great Pride in Our TCIS Team at the Chinese Association in Thailand (Chong Hua) Chinese Speech Competition.

Dear TCIS Family,

One month has already passed since the beginning of the year. Time flies! I hope your children have been happy at TCIS. Recently I visited grade 1 -2 new students and welcome committee students to make sure that new students are settled well in TCIS and welcome committee students are helping them out. All of the new students said their experience at TCIS has been great so far and welcome committee members as well as other classmates are very nice to them. How fortunate we are to have such wonderful, kind-hearted students here at TCIS. Here are some photos I have taken after the meetings with them.

I will continue to work hard to enhance every TCIS student's well-being and successful academic performance. Please reach out to me by email if you have any questions or would like to have a chat with me about your children's school life.

Kind regards,

Dr. Miho Katsumata

miho.katsumata@tcis.ac.th

<https://sites.google.com/tcis.ac.th/dirmiho>

Dear Parents,

Grade 1A has had a busy month at TCIS. We are nearing the end of our science unit, launching Readers and Writers Workshops, and developing our numbers and operations skills in Math! Becoming strong observers, thinkers, writers, and readers is no easy feat, but these students are using growth mindset skills learned from Class Dojo to persist and succeed! It's an exciting season to build good learning habits and watch each student grow more independent and more self-sufficient each week.

Dear Parents,

We have been having a great time learning at TCIS. So far in September, we have had spirit week, our first assembly, and celebrated birthdays! In science we have been learning how animals use camouflage to stay alive. See if you can find a month hiding in one of the pictures! We are continuing to build reading stamina. In math we are starting subtraction. Let's continue to have a great rest of September!

Class: 2A Teacher: Ms. Brianna
TA: Ms. Wann

Dear Parents,

Grade 2A had so much fun celebrating Spirit Week last week! We enjoyed the dress up days as well as the Student Council Hands of Every Kind Art Event! Check out a few photos below of a wonderful Spirit Week!

Dear Parents,

I am thrilled to share how much fun our second graders have been having recently! Recently, we've dived into the world of nouns and verbs, making grammar an exciting adventure. Our students are also blossoming into big kid readers, exploring new books with enthusiasm and confidence. To top it all off, Spirit Week brought a splash of extra joy and creativity to our days. The kids embraced the festivities with amazing spirit and smiles all around. It's been a wonderful time in 2B, and we can't wait to keep the momentum going!

Dear Parents,

Although much of the beginning of this year has been learning classroom rules, routines, procedures, and taking many assessments, we have still managed to have a lot of fun! Spirit week was wonderful and the kids had fun dressing up, doing a special art activity, and getting to watch the secondary Spirit Day performance! I could feel the unlimited power of TCIS and the love of our class community!

Dear Parents,

What an amazing week it has been for Grade 3B during Spirit Week! Every day was filled with excitement as our students enthusiastically dressed up in fun and creative outfits, showcasing their school spirit in style. The highlight of the week was the incredible collective art display, where students worked together to create a vibrant masterpiece, symbolizing teamwork and school pride. It was a joyful and inspiring experience, reinforcing the sense of community and collaboration. Thank you, Grade 3B, for making Spirit Week such a memorable and pride-filled celebration!

Dear Parents,

Our class had an amazing time during Spirit Week, embracing each themed dress-up day with spirit and made each day memorable. In addition, we took part in a fantastic art event hosted by the student council, where we showcased our individuality through unique and colorful artworks. It was a wonderful opportunity to celebrate what makes each one of us unique!

Dear Parents,

4B is rolling as we enter our 2nd month of the school year. We showed off our creativity during spirit week, and had a blast dressing up for each day's theme. We also got to show off our artistic abilities with the Hands of Every Kind art project. It was a great week and we look forward to many more this year!

Thai Teacher: Kru Fai

Dear Parents,

Third-grade Thai MT students learned about the democratic system of governance and participated in an activity to elect a class leader. There were candidates for the class leader, ballot makers, a campaign team, ballot box creators, vote counters, and officials who verified the list of eligible voters. This was considered an opportunity to learn about the politics and governance of Thailand through a simple classroom election. All students participated and felt very excited.

Dear Parents,

Writing Chinese characters is an important part of learning Chinese, especially knowing the correct stroke order. If the students can do very well at stroke order, it will help them learn Chinese characters and the Chinese language. In the CFB1 class, I taught many Chinese characters, starting from the most common one, and the students can memorize it now. In the CFB4 class, we use vocabulary flashcards to help students remember new words. The students can also quiz each other with flashcards, which makes learning more fun and effective.

Dear Parents,

A month has passed so quickly, and I am excited about the students' progress. The G1 CFT students took their first paper test since entering primary school, which was a new milestone for them. Their performance surpassed that of many other first graders. The G3 CFT students learned many adjectives in the second lesson and practiced a lot for their Wai Kru Day performance. We look forward to their wonderful performance on Wai Kru Day. The G4 CFT students studied the theme of 'Fun School Fair.' They performed well in listening, speaking, reading, and writing, and have already started reading additional picture books. You can follow the class's Google Classroom and the emails sent by the teacher to receive the latest updates on your child's learning progress in time.

Chinese Teacher: Mr. Ju-Hung

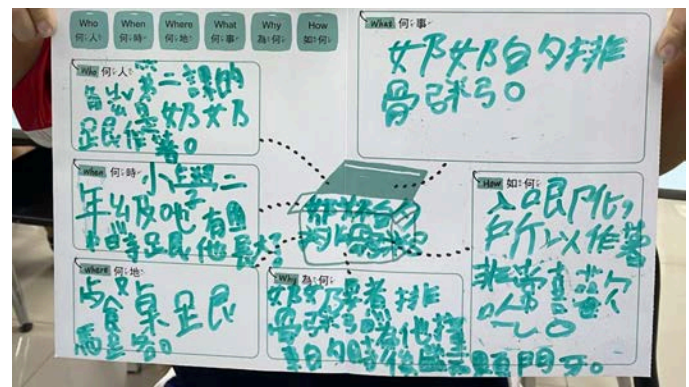

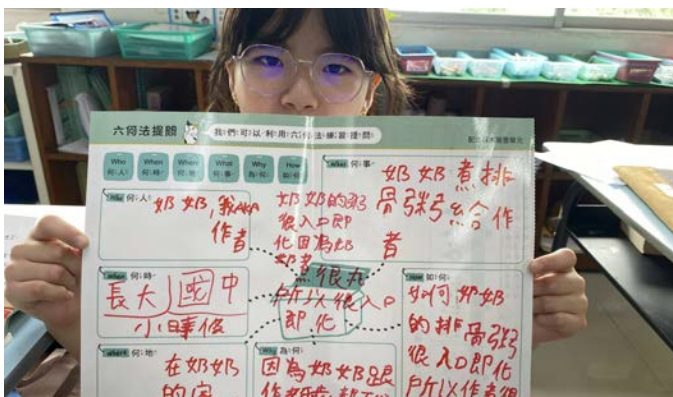

Dear Parents,

Students in the ES Chinese foreign language class happily play the Flashcards game. When studying each unit, we will design Chinese vocabulary cards for that unit to deepen learning. We use Chinese vocabulary cards to carry out several learning activities. Students can use Flashcards to study by themselves, compete with friends, or even the whole class play the card game together. Students enjoyed this activity very much, and at the same time, they naturally improved their ability to recognize Chinese characters while enjoying the learning game.

Dear Parents,
I am glad to show you how students took on challenges and made amazing progress step by step day by day.
As learning progresses, Chinese learning comes to the cultivation of sentence structure and organizational skills. Students in the G2CFT use word cards to spell out sentence patterns and look at pictures to write sentences. G3CMT studies [Four Elements of Narration], such as using sticky notes and circling key points with original symbols. G4CMT Students used the thinking method of people, affairs, time, places and objects (5W1H) to find out the key points of the text. In the classroom observation, we can see students learning and doing immediately through practical hands-on exercises, and doubling their learning effectiveness in the process of oral sharing.

Dear Parents,

Our first-grade CMT students are working hard to learn Zhuyin (Bopomofo). We played a fun Zhuyin spelling game together in class. In second grade CMT, we are exploring the theme of "growth." We discussed things that make us feel scared, drew them as monsters, and then talked about ways to overcome these fears. We also measured our heights together! For third grade CFT, we played some word recognition games to strengthen our vocabulary.

Dear Parents,

The school year is moving fast and we are already starting to wrap up our first unit. It was very busy trying to get to know the students and have them understand my classroom procedures and expectations but the students did an awesome job. In elementary, our KG and G1 students are learning how to move their body through many different concepts and ways. This will culminate with a locomotor license test for G1 students. They will have to navigate a course using the correct pathways and locomotors. If they successfully complete it, they will earn their Locomotor License! For G2 through G4, students have been learning about fitness and how to set goals to improve fitness. We finished up last week with the Pacer Test and have set goals that students will work to achieve for the rest of the year.

The Thailand Personal Data Protection Act (PDPA)

- The **Personal Data Protection Act B.E. 2562 (2019) (PDPA)** was published on 27 May 2019 in Thailand's Government Gazette.
([English](#), [Thai](#))
- The PDPA is under the supervision of the Ministry of Digital Economy and Society and the main supervising authority of the PDPA is the Office of Data Protection Committee (Office).
- School is the "Data Controller" means a person or juristic person having decision-making on the collection, use, or disclosure of personal information (PDPA Section 6).

| Personal Data | Sensitive Data |
|---|---|
| Any information relating to a natural person, which enables the identification of such person, whether directly or indirectly, but not including information of deceased persons. | Any personal data pertaining to: <ul style="list-style-type: none">● racial or ethnic origin● political opinions● religious or philosophical beliefs● sexual behavior● criminal records● health data, disability● trade union information● genetic data, biometric data, or any data which may affect the data subject in the same manner as to be prescribed by the PDPC. |

In essence, the PDPA is designed to protect a data owner from the unauthorized or unlawful collection, use, or disclosure and processing of their personal data. As with Europe's GDPR, for example, websites will have to include simple and straightforward language, and receive clear consent from each user, before (or at the time of) collecting such data, using it in any way, or passing it along to third parties.

Another key aspect under the PDPA is the requirement to inform the data subject of (i) how their personal data will be used by the data controller, (ii) whether personal data will be disclosed to a third party, and (iii) of the data subject's rights to their personal data. This must be done at the time the personal data is being collected from the data subject.

The rights of data owners under the PDPA include the following:

- Right to be informed
- Right to access
- Right to data portability
- Right to object
- Right to erasure/ right to be forgotten
- Right to restrict of processing
- Right to rectify

Even foreign entities will need to follow the rules spelled out in the PDPA, as long as they deal with any activities that are related to the processing of personal data such as offering of goods and services or monitoring of users' online behavior, from users who are based in Thailand.

There are both criminal and civil liabilities for breaches of personal data privacy. For instance, the collection, use or disclosure of sensitive personal data illegally is liable to a fine of five million baht on conviction. Collection, use or

disclosure of general personal data without a legal basis is liable to a three million baht fine on conviction, and failing to get consent from data's owner or refusing the data's owner access to their personal data is liable to a one million baht fine on conviction.

If the unauthorized use or disclosure of personal data causes damage to other people or subjects other people to hate, shame or contempt, violators may face six months in prison and/or a fine of 500,000 baht on conviction.

Please see the school website for current [PDPA](#) information.

Nurse: School Health Services

The Nurse Clinic is a spacious and well staffed facility at TCIS that can accommodate several students at any given time of the day. The Nurse Clinic is open daily from 7:00 a.m. to 4:00 p.m. The clinic is located on the ground floor next to the storeroom and staffed by a registered nurse and one nurse's aid. The clinic treats all minor injuries occurring at school. The athletics program has a school nurse who works until the sports games finish.

The clinic stays in touch with the Ministry of Public Health to keep abreast of health notifications. Current vaccination information is sent out to parents for their information and written consent. Students in grade 1 thru grade 6 may get some vaccinations from our nurse according to the Thai Ministry of Public Health. Records of previous vaccinations are kept on file with the school nurse.

A worldwide, comprehensive (24-hour) accident insurance coverage is provided for all students up to 60,000 baht yearly.

Deep Cleaning Protocol

Tuesday, September 10th, 2024

Keeping our school clean by responding quickly and effectively to confirmed cases of contagious communicable diseases is a priority to TCIS. The following is the protocol for deep cleaning of classrooms and cleaning of common areas after confirmed cases RSV, influenza, or other contagious communicable diseases have been reported to the school.

Parents Report Confirmed Case to:

TCIS Nurse Nurse@tcis.ac.th

Timing of Reporting

Report the confirmed case to the school nurse as immediately as possible after confirmation has been received. This will allow the school to respond quickly.

Locations Alcohol Cleaned

Classrooms, canteen

Additional Cleaning

Shared classrooms and shared spaces (such as playground equipment)

After-Hours Confirmed Report

If a confirmed case of RSV, influenza, or other contagious communicable diseases is reported to the school **after school hours**, then a deep cleaning will be performed first thing in the morning before students enter the classrooms.

During School Hours Confirmed Report

If a confirmed case of RSV, influenza, or other contagious communicable diseases is reported **during school hours**, then students will be brought to a different location, and the cleaning team will deep clean the classrooms immediately.

Communication

Email

- A letter will be sent to the affected grade level parents by the head of the division or divisional secretary.

Photos

- The admin team or head of division will share photos with Class Parent Representatives.

Kind regards,

TCIS Admin Team
